Item 8.01 Other Events.

On May 31, 2016, Fidelity & Guaranty Life (“FGL”), a majority owned subsidiary of HRG Group, Inc. (“HRG” or the “Company”), filed a Form 8-K with the Securities and Exchange Commission (the “FGL 8-K”) providing an update to the status and timing of the previously announced merger agreement, dated as of November 8, 2015, by and among FGL, Anbang Insurance Group Co., Ltd. and certain of their subsidiaries (such merger, the “Merger”). Interested parties should read FGL’s announcements and public filings, including the FGL 8-K, regarding this transaction and related updates and changes with respect thereto.

Forward-Looking Statements

“Safe Harbor” Statement Under the Private Securities Litigation Reform Act of 1995: This Form 8-K contains, and certain oral statements made by our representatives from time to time may contain, forward-looking statements, including those statements regarding the Merger, the insurance regulatory approval process for the closing of the Merger, timing of closing of the Merger and other related matters. All forward-looking statements address matters that involve risks and uncertainties, many of which are beyond HRG’s control. Such statements are subject to risks and uncertainties that could cause actual results, events and developments to differ materially from those set forth in, or implied by, such statements and, therefore, you should not place undue reliance on any such statements. These statements are based on the beliefs and assumptions of the Company’s management and the management of the Company’s subsidiaries. Generally, forward-looking statements include information concerning current expectations, other actions, events, results, strategies and expectations and are generally, but not always, identifiable by use of the words “believes,” “expects,” “intends,” “anticipates,” “plans,” “seeks,” “estimates,” “projects,” “may,” “will,” “could,” “might,” or “continues” or similar expressions. No forward-looking statement can be guaranteed. Among other risks, there can be no guarantee that the Merger will be completed within the anticipated time frame or at all. Factors that could cause actual results, events and developments to differ include, without limitation: the occurrence of any event, change or other circumstances that could give rise to the termination of the Merger agreement; the outcome of any legal proceedings that may be instituted; and the inability to complete the Merger due to the failure to satisfy the conditions to the Merger, including the inability of Anbang to secure necessary regulatory approvals. The foregoing review of important factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included herein and elsewhere, including the risk factors included in the Company’s most recent reports on Form 10-K and Form 10-Q and other documents of the Company on file with, or furnished to, the U.S. Securities and Exchange Commission. The Company does not undertake any obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of future events or changes to future operating results.
