Item 1.01 Entry Into a Material Definitive Agreement.

In connection with Spectrum Brands, Inc.'s ("Spectrum Brands") proposed business combination transaction with Russell Hobbs, Inc. ("Russell Hobbs"), on June 4, 2010, Spectrum Brands, Russell Hobbs, SB/RH Holdings, LLC ("Holdings") and certain domestic subsidiaries of each of Spectrum Brands and Russell Hobbs (collectively with Holdings, the "Guarantors") entered into a Purchase Agreement (the "Purchase Agreement") with certain representatives of the initial purchasers named therein (collectively, the "Initial Purchasers"). Pursuant to the Purchase Agreement, the Initial Purchasers have agreed to purchase, and Spectrum Brands has agreed to sell, \$750 million aggregate principal amount of Spectrum Brands' 9.50% Senior Secured Notes due 2018 (the "Notes"). The Notes are being issued at 98.634% of the par value. The Initial Purchasers intend to resell the Notes in an offering exempt from registration under the Securities Act of 1933, as amended (the "Offering"). The Notes will be guaranteed by the Guarantors. The sale of the Notes is expected to close on June 16, 2010. The Purchase Agreement contains representations and warranties, covenants and closing conditions (including the closing of Spectrum Brands' proposed business combination transaction with Russell Hobbs) that are customary for transactions of this type. In addition, Spectrum Brands and the Guarantors have agreed to indemnify the Initial Purchasers against certain liabilities on customary terms.

The proceeds from the issuance of the Notes will be used, together with borrowings under a new \$750 million term loan due 2016 (the "Term Loan") and a new \$300 million ABL revolving credit facility (the "ABL Facility") to refinance a portion of Spectrum Brands' existing senior debt and a portion of Russell Hobbs' existing senior debt and to pay the fees and expenses incurred in connection with the proposed combination with Russell Hobbs.

The Notes will not be registered under the Securities Act of 1933, as amended, and may not be offered or sold in the United States absent such registration or an exemption from the registration requirements of such Act. This report shall not constitute an offer to sell or a solicitation of an offer to buy any security and shall not constitute an offer, solicitation or sale of any securities in any jurisdiction where such an offering or sale would be unlawful. This report contains information about pending transactions, and there can be no assurance that these transactions will be completed.

In the ordinary course of their businesses, the Initial Purchasers and certain of their affiliates have in the past and may in the future engage in investment and commercial banking or other transactions of a financial nature with Spectrum Brands or its affiliates, including the provision of certain advisory services and the making of loans to Spectrum Brands and its affiliates. In particular, certain affiliates of the Initial Purchasers will be agents and/or lenders under the Term Loan and the ABL Facility, which are expected to be entered into at the closing of the proposed business combination transaction.
