## Item 1.01 Entry Into a Material Definitive Agreement

On January 15, 2014, Harbinger Group Inc., a Delaware corporation (the “Company”), entered into a note Purchase Agreement with several purchasers named therein (the “Purchase Agreement”). In connection with the Purchase Agreement, on January 21, 2014, the Company issued \$200 million aggregate principal amount of 7.750% senior unsecured notes due 2022 (the “Notes”). The Notes were issued pursuant to an indenture dated as of January 21, 2014 (the “Indenture”) by and between the Company and Wells Fargo Bank, National Association, a national banking association (“Wells Fargo”), as trustee. The Notes were priced at 100% of par plus accrued interest from January 21, 2014.

The Company expects to use the proceeds from the issuance of the Notes for working capital by it and its subsidiaries and general corporate purposes, including the financing of future acquisitions and businesses.

In connection with the issuance of the Notes, the holders of the Notes have certain registration rights pursuant to a Registration Rights Agreement, dated as of January 21, 2014, by and among the Company and the initial purchasers of the Notes named therein (the “Registration Rights Agreement”).

Certain terms and conditions of the Notes are as follows:

*Maturity.* The Notes will mature on January 15, 2022.

*Interest.* The Notes accrue interest at a rate of 7.750% per year. Interest on the Notes will be paid semi-annually on January 15 and July 15 of each year, beginning on July 15, 2014.

*Issue Price.* The issue price of the Notes is 100% of par.

*Ranking.* The Notes are senior unsecured obligations of the Company that (i) rank equally in right of payment with the existing and future unsecured debt of the Company, (ii) are effectively subordinated to all secured debt of the Company to the extent of the value of the collateral securing that debt, (iii) are effectively subordinated to all liabilities of the Company’s subsidiaries, and (iv) rank senior in right of payment to all of the Company’s future debt that expressly provides for its subordination to the Notes.

*No Sinking Fund.* The Company is not required to make any sinking fund payments with respect to the Notes.

*Guarantors.* Any subsidiary of the Company that guarantees the Company’s debt will guarantee the Notes. As of the date hereof, there are no such guarantors.

*Optional Redemption.* The Company has the option to redeem some or all of the Notes prior to January 15, 2017 at a redemption price equal to 100% of the principal amount plus the Applicable Premium (as defined in the Indenture) as of, and accrued and unpaid interest to, the date of redemption. At any time on or after January 15, 2017, the Company may redeem some or all of the Notes at certain fixed redemption prices set forth in the Indenture expressed as percentages of the principal amount, plus accrued and unpaid interest. At any time prior to January 15, 2017, the Company may redeem up to 35% of the original aggregate principal amount of the Notes with net cash proceeds received by the Company from certain equity offerings at a price equal to 107.750% of the principal amount of the Notes redeemed, plus accrued and unpaid interest, if any, to the date of redemption, provided that redemption occurs within 90 days of the closing date of such equity offering, and at least 65% of the aggregate principal amount of the Notes remains outstanding immediately thereafter.

*Change of Control.* If a Change of Control (as defined in the Indenture) occurs, each holder of Notes may require the Company to repurchase all or a portion of its Notes for cash at a price equal

to 101% of the aggregate principal amount of such Notes, plus any accrued and unpaid interest to the date of repurchase.

*Certain Covenants.* The Indenture contains covenants limiting, among other things, the ability of the Company, and, in certain cases, the Company's subsidiaries, to incur additional indebtedness; create liens; engage in sale-leaseback transactions; pay dividends or make distributions in respect of capital stock; make certain restricted payments; sell assets; engage in transactions with affiliates; or consolidate or merge with, or sell substantially all of its assets to, another person. These covenants are subject to a number of important exceptions and qualifications. The Company is also required to maintain compliance with a minimum liquidity covenant.

*Events of Default.* The Indenture contains customary events of default which could, subject to certain conditions, cause the Notes to become immediately due and payable, including, but not limited to, the failure to make premium or interest payments; failure by the Company to accept and pay for Notes tendered when and as required by the change of control and asset sale provisions of the Indenture; failure to comply with certain covenants in the Indenture; failure to comply with certain agreements in the Indenture for a period of 60 days following notice by Wells Fargo or the holders of at least 25% in aggregate principal amount of the Notes then outstanding; failure to pay any debt within any applicable grace period after the final maturity or acceleration of such debt by the holders thereof because of a default, if the total amount of such debt unpaid or accelerated exceeds \$50 million; failure to pay final judgments entered by a court or courts of competent jurisdiction aggregating \$50 million or more (excluding amounts covered by insurance), which judgments are not paid, discharged or stayed, for a period of 60 consecutive days; and certain events of bankruptcy or insolvency.

Pursuant to the Registration Rights Agreement, the Company is obligated to use its commercially reasonable efforts to cause a registration statement with respect to an offer to exchange the Notes for a new issue of notes with terms identical in material respects to the Notes (except for the removal of transfer restrictions relating to the Notes and any increase in annual interest rate) registered under the Securities Act of 1933, as amended, to be declared effective by the 410<sup>th</sup> day after January 21, 2014, or, under specified circumstances, to file and cause to be declared effective a shelf registration statement with the Securities and Exchange Commission to effect resales of the Notes.

This summary does not purport to be complete and is qualified in its entirety by reference to the Indenture and the Registration Rights Agreement, which have been filed as Exhibits hereto as Exhibit 4.1 and Exhibit 4.2, respectively. The text of each such document is incorporated herein by reference. Interested parties should read these documents in their entirety.

## ARTICLE 2 THE NOTES

Section 2.01. *Form, Dating and Denominations; Legends.* (a) The Notes and the Trustee’s certificate of authentication will be substantially in the form attached as Exhibit A. The terms and provisions contained in the form of the Notes annexed as Exhibit A constitute, and are hereby expressly made, a part of this Indenture. However, to the extent permitted by applicable law, in the event of any inconsistency between the terms of any Note and the terms of this Indenture, the terms of this Indenture will control. The Notes may have notations, legends or endorsements required by law, rules of or agreements with national securities exchanges to which the Company is subject, or customarily uses. Each Note will be dated the date of its authentication. The Notes will be issuable in denominations of \$2,000 in principal amount and any multiple of \$1,000 in excess thereof; *provided* that Notes may be issued in denominations of less than \$2,000 solely to accommodate book-entry positions that have been created by a DTC participant in denominations of less than \$2,000.

(c) (1) If the Company determines (upon the advice of counsel and such other certifications and evidence as the Company may reasonably require) that a Note is eligible for resale pursuant to Rule 144 under the Securities Act (or a successor provision) without the need for current public information and that the Restricted Legend is no longer necessary or appropriate in order to ensure that subsequent transfers of the Note (or a beneficial interest therein) are effected in compliance with the Securities Act, or

(2) after an Initial Note or any Initial Additional Note is

(x) sold pursuant to an effective registration statement under the Securities Act, pursuant to the Registration Rights Agreement or otherwise, or (y) is validly tendered for exchange into an Exchange Note pursuant to an Exchange Offer

the Company may instruct the Trustee in writing to cancel the Note and issue to the Holder thereof (or to its transferee) a new Note of like tenor and amount, registered in the name of the Holder thereof (or its transferee), that does not bear the Restricted Legend, and the Trustee will comply with such instruction.

(d) By its acceptance of any Note bearing the Restricted Legend (or any beneficial interest in such a Note), each Holder thereof and each owner of a beneficial interest therein acknowledges the restrictions on transfer of such Note (and any such beneficial interest) set forth in this Indenture and in the Restricted Legend and agrees that it will transfer such Note (and any such beneficial interest) only in accordance with this Indenture and such legend.

Section 2.02. *Execution and Authentication; Exchange Notes; Additional Notes.* (a) An Officer shall execute the Notes for the Company by facsimile or manual signature in the name and on behalf of the Company. If an Officer whose signature is on a Note no longer holds that office at the time the Note is authenticated, the Note will still be valid.

(b) A Note will not be valid until the Trustee manually signs the certificate of authentication on the Note, with the signature conclusive evidence that the Note has been authenticated under this Indenture.

(c) At any time and from time to time after the execution and delivery of this Indenture, the Company may deliver Notes executed by the Company to the Trustee for authentication. The Trustee will authenticate and deliver

- (i) Initial Notes for original issue in the aggregate principal amount not to exceed \$200,000,000,
- (ii) Initial Additional Notes from time to time for original issue in aggregate principal amounts specified by the Company, and
- (iii) Exchange Notes from time to time for issue in exchange for a like principal amount of Initial Notes or Initial Additional Notes

after the following conditions have been met:

- (1) Receipt by the Trustee of an Officer's Certificate specifying
  - (A) the amount of Notes to be authenticated and the date on which the Notes are to be authenticated,
  - (B) whether the Notes are to be Initial Notes or, Additional Notes or Exchange Notes,
  - (C) in the case of Initial Additional Notes, that the issuance of such Notes does not contravene any provision of Article 4,
  - (D) whether the Notes are to be issued as one or more Global Notes or Certificated Notes, and

(E) other information the Company may determine to include or the Trustee may reasonably request.

(2) Additional Notes that are for U.S. federal income tax purposes issued with more than de minimis original issue discount and are not fungible with other Notes for U.S. federal income tax purposes shall be issued under a separate CUSIP number and shall be treated as a separate class for purposes of transfer and exchange.

(3) In the case of Exchange Notes, consummation of the exchange of Exchange Notes for Initial Notes or Initial Additional Notes (and receipt by the Trustee of an Officer's Certificate to that effect). Initial Notes or Initial Additional Notes exchanged for Exchange Notes will be cancelled by the Trustee.

(d) The Notes and any Additional Notes shall be treated as a single class for all purposes under this Indenture, other than as specified in clause (2) of Section 2.02(c), and shall vote together as one class on all matters with respect to the Notes.

Section 2.03. *Registrar, Paying Agent and Authenticating Agent; Paying Agent to Hold Money in Trust.* (a) The Company may appoint one or more Registrars and one or more Paying Agents, and the Trustee may appoint an Authenticating Agent, in which case each reference in this Indenture to the Trustee in respect of the obligations of the Trustee to be performed by that Agent will be deemed to be references to the Agent. The Company may act as Registrar or (except for purposes of Article 8) Paying Agent. In each case the Company and the Trustee will enter into an appropriate agreement with the Agent implementing the provisions of this Indenture relating to the obligations of the Trustee to be performed by the Agent and the related rights. The Company initially appoints the Trustee as Registrar and Paying Agent.

(b) The Company will require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust for the benefit of the Holders or the Trustee all money held by the Paying Agent for the payment of principal of and interest on the Notes and will promptly notify the Trustee in writing of any default by the Company in making any such payment. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee and account for any funds disbursed, and the Trustee may at any time during the continuance of any payment default, upon written request to a Paying Agent, require the Paying Agent to pay all money held by it to the Trustee and to account for any funds disbursed. Upon doing so, the Paying Agent will have no further liability for the money so paid over to the Trustee.

Section 2.04. *Replacement Notes.* If a mutilated Note is surrendered to the Trustee or if a Holder claims that its Note has been lost, destroyed or wrongfully taken, and the Company receives evidence to its satisfaction of the

ownership and loss, mutilation or destruction of such Note, the Company will issue and the Trustee will authenticate a replacement Note of like tenor and principal amount and bearing a number not contemporaneously outstanding. Every replacement Note is an additional obligation of the Company and entitled to the benefits of this Indenture. An indemnity must be furnished that is sufficient in the judgment of both the Trustee and the Company to protect the Company and the Trustee from any loss, liability or expense they may suffer if a Note is replaced. The Company may charge the Holder for the expenses of the Company and the Trustee in replacing a Note (including attorneys' fees and expenses). In case the mutilated, lost, destroyed or wrongfully taken Note has become or is about to become due and payable, the Company in its discretion may pay the Note instead of issuing a replacement Note.

Section 2.05. *Outstanding Notes.* (a) Notes outstanding at any time are all Notes that have been authenticated by the Trustee except for

(1) Notes cancelled by the Trustee or delivered to it for cancellation;

(2) any Note which has been replaced pursuant to Section 2.04 unless and until the Trustee and the Company receive proof satisfactory to them that the replaced Note is held by a *bona fide* purchaser; and

(3) on or after the maturity date or any redemption date or date for purchase of the Notes pursuant to an Offer to Purchase, those Notes payable or to be redeemed or purchased on that date for which the Trustee (or Paying Agent, other than the Company or an Affiliate of the Company) holds money sufficient to pay all amounts then due.

(b) A Note does not cease to be outstanding because the Company or one of its Affiliates holds the Note, *provided* that in determining whether the Holders of the requisite principal amount of the outstanding Notes have given or taken any request, demand, authorization, direction, notice, consent, waiver or other action hereunder, Notes owned by the Company or any Affiliate of the Company will be disregarded and deemed not to be outstanding (it being understood that in determining whether the Trustee is protected in conclusively relying upon any such request, demand, authorization, direction, notice, consent, waiver or other action, only Notes which the Trustee actually knows to be so owned will be so disregarded). Notes so owned which have been pledged in good faith may be regarded as outstanding if the pledgee establishes to the satisfaction of the Trustee the pledgee's right so to act with respect to such Notes and that the pledgee is not the Company or any Affiliate of the Company. Notes that are to be acquired by the Company or an Affiliate of the Company pursuant to an exchange offer, Offer to Purchase, tender offer or other agreement shall not be deemed to be owned by such entity until legal title to such Notes or a security entitlement in respect thereof passes to such entity. Notes repurchased by the Company

pursuant to a Change of Control Offer shall have the status of Notes issued but not outstanding or shall be retired and cancelled at the option of the Company. Notes purchased by a third party pursuant to the preceding paragraph shall have the status of Notes issued and outstanding.

Section 2.06. *Temporary Notes.* Until definitive Notes are ready for delivery, the Company may prepare and the Trustee will authenticate temporary Notes. Temporary Notes will be substantially in the form of definitive Notes but may have insertions, substitutions, omissions and other variations determined to be appropriate by the Officer executing the temporary Notes, as evidenced by the execution of the temporary Notes. If temporary Notes are issued, the Company will cause definitive Notes to be prepared without unreasonable delay. After the preparation of definitive Notes, the temporary Notes will be exchangeable for definitive Notes upon surrender of the temporary Notes at the office or agency of the Company designated for the purpose pursuant to Section 4.02, without charge to the Holder. Upon surrender for cancellation of any temporary Notes the Company will execute and the Trustee will authenticate and deliver in exchange therefor a like principal amount of definitive Notes of authorized denominations. Until so exchanged, the temporary Notes will be entitled to the same benefits under this Indenture as definitive Notes.

Section 2.07. *Cancellation.* The Company at any time may deliver to the Trustee for cancellation any Notes previously authenticated and delivered hereunder which the Company may have acquired in any manner whatsoever, and may deliver to the Trustee for cancellation any Notes previously authenticated hereunder which the Company has not issued and sold. Any Registrar or the Paying Agent will forward to the Trustee any Notes surrendered to it for transfer, exchange or payment. The Trustee will cancel all Notes surrendered for transfer, exchange, payment or cancellation and dispose of them in accordance with its normal procedures or the written instructions of the Company. The Company may not issue new Notes to replace Notes it has paid in full or delivered to the Trustee for cancellation.

Section 2.08. *CUSIP and CINS Numbers.* The Company in issuing the Notes may use “CUSIP” and “CINS” numbers, and the Trustee will use CUSIP numbers or CINS numbers in notices of redemption or exchange or in Offers to Purchase as a convenience to Holders, the notice to state that no representation is made as to the correctness of such numbers either as printed on the Notes or as contained in any notice of redemption or exchange or Offer to Purchase. The Company will promptly notify the Trustee in writing of any change in the CUSIP or CINS numbers.

Section 2.09. *Registration, Transfer and Exchange.* (a) The Notes will be issued in registered form only, without coupons, and the Company shall cause the Trustee to maintain a register (the “**Register**”) of the Notes, for registering the

record ownership of the Notes by the Holders and transfers and exchanges of the Notes.

(b) (1) Each Global Note will be registered in the name of the Depositary or its nominee and, so long as DTC is serving as the Depositary thereof, will bear the DTC Legend.

(2) Each Global Note will be delivered to the Trustee as custodian for the Depositary. Transfers of a Global Note (but not a beneficial interest therein) will be limited to transfers thereof in whole, but not in part, to the Depositary, its successors or their respective nominees, except (1) as set forth in Section 2.09(b)(4) and (2) transfers of portions thereof in the form of Certificated Notes may be made upon request of an Agent Member (for itself or on behalf of a beneficial owner) by written notice given to the Trustee by or on behalf of the Depositary in accordance with customary procedures of the Depositary and in compliance with this Section and Section 2.10.

(3) Agent Members will have no rights under this Indenture with respect to any Global Note held on their behalf by the Depositary, and the Depositary may be treated by the Company, the Trustee and any agent of the Company or the Trustee as the absolute owner and Holder of such Global Note for all purposes whatsoever. Notwithstanding the foregoing, the Depositary or its nominee may grant proxies and otherwise authorize any Person (including any Agent Member and any Person that holds a beneficial interest in a Global Note through an Agent Member) to take any action which a Holder is entitled to take under this Indenture or the Notes, and nothing herein will impair, as between the Depositary and its Agent Members, the operation of customary practices governing the exercise of the rights of a holder of any security.

(4) If (x) the Depositary notifies the Company that it is unwilling or unable to continue as Depositary for a Global Note and a successor depositary is not appointed by the Company within 90 days of the notice or (y) an Event of Default has occurred and is continuing and the Trustee has received a request from the Depositary, the Trustee will promptly exchange each beneficial interest in the Global Note for one or more Certificated Notes in authorized denominations having an equal aggregate principal amount registered in the name of the owner of such beneficial interest, as identified to the Trustee by the Depositary, and thereupon the Global Note will be deemed canceled. If such Note does not bear the Restricted Legend, then the Certificated Notes issued in exchange therefor will not bear the Restricted Legend. If such Note bears the Restricted Legend, then the Certificated Notes issued in exchange therefor will bear the Restricted Legend, *provided* that any Holder of any such Certificated Note issued in exchange for a beneficial interest in a

Temporary Offshore Global Note will have the right upon presentation to the Trustee of a duly completed Certificate of Beneficial Ownership after the Restricted Period to exchange such Certificated Note for a Certificated Note of like tenor and amount that does not bear the Restricted Legend, registered in the name of such Holder.

(c) Each Certificated Note will be registered in the name of the holder thereof or its nominee.

(d) A Holder may transfer a Note (or a beneficial interest therein) to another Person or exchange a Note (or a beneficial interest therein) for another Note or Notes of any authorized denomination by presenting to the Trustee a written request therefor stating the name of the proposed transferee or requesting such an exchange, accompanied by any certification, opinion or other document required by Section 2.10. The Trustee will promptly register any transfer or exchange that meets the requirements of this Section by noting the same in the register maintained by the Trustee for the purpose; *provided that*

(x) no transfer or exchange will be effective until it is registered in such register and

(y) the Trustee will not be required (i) to issue, register the transfer of or exchange any Note for a period of 15 days before a selection of Notes to be redeemed or purchased pursuant to an Offer to Purchase, (ii) to register the transfer of or exchange any Note so selected for redemption or purchase in whole or in part, except, in the case of a partial redemption or purchase, that portion of any Note not being redeemed or purchased, or (iii) if a redemption or a purchase pursuant to an Offer to Purchase is to occur after a Regular Record Date but on or before the corresponding Interest Payment Date, to register the transfer of or exchange any Note on or after the Regular Record Date and before the date of redemption or purchase. Prior to the registration of any transfer, the Company, the Trustee and their agents will treat the Person in whose name the Note is registered as the owner and Holder thereof for all purposes (whether or not the Note is overdue), and will not be affected by notice to the contrary.

From time to time the Company will execute and the Trustee will authenticate additional Notes as necessary in order to permit the registration of a transfer or exchange in accordance with this Section.

No service charge will be imposed in connection with any transfer or exchange of any Note, but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than a transfer tax or other similar governmental charge payable upon exchange pursuant to subsection (b)(4)).

(e) (1) *Global Note to Global Note*. If a beneficial interest in a Global Note is transferred or exchanged for a beneficial interest in another Global Note, the Trustee will (x) record a decrease in the principal amount of the Global Note being transferred or exchanged equal to the principal amount of such transfer or exchange and (y) record a like increase in the principal amount of the other Global Note. Any beneficial interest in one Global Note that is transferred to a Person who takes delivery in the form of an interest in another Global Note, or exchanged for an interest in another Global Note, will, upon transfer or exchange, cease to be an interest in such Global Note and become an interest in the other Global Note and, accordingly, will thereafter be subject to all transfer and exchange restrictions, if any, and other procedures applicable to beneficial interests in such other Global Note for as long as it remains such an interest.

(2) *Global Note to Certificated Note*. If a beneficial interest in a Global Note is transferred or exchanged for a Certificated Note, the Trustee will (x) record a decrease in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (y) deliver one or more new Certificated Notes in authorized denominations having an equal aggregate principal amount to the transferee (in the case of a transfer) or the owner of such beneficial interest (in the case of an exchange), registered in the name of such transferee or owner, as applicable.

(3) *Certificated Note to Global Note*. If a Certificated Note is transferred or exchanged for a beneficial interest in a Global Note, the Trustee will (x) cancel such Certificated Note, (y) record an increase in the principal amount of such Global Note equal to the principal amount of such transfer or exchange and (z) in the event that such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

(4) *Certificated Note to Certificated Note*. If a Certificated Note is transferred or exchanged for another Certificated Note, the Trustee will (x) cancel the Certificated Note being transferred or exchanged, (y) deliver one or more new Certificated Notes in authorized denominations having an aggregate principal amount equal to the principal amount of such transfer or exchange to the transferee (in the case of a transfer) or the Holder of the canceled Certificated Note (in the case of an exchange), registered in the name of such transferee or Holder, as applicable, and (z) if such transfer or exchange involves less than the entire principal amount of the canceled Certificated Note, deliver to the Holder thereof one or

more Certificated Notes in authorized denominations having an aggregate principal amount equal to the untransferred or unexchanged portion of the canceled Certificated Note, registered in the name of the Holder thereof.

Section 2.10. *Restrictions on Transfer and Exchange.* (a) The transfer or exchange of any Note (or a beneficial interest therein) may only be made in accordance with this Section and Section 2.09 and, in the case of a Global Note (or a beneficial interest therein), the applicable rules and procedures of the Depository. The Trustee shall refuse to register any requested transfer or exchange that does not comply with the preceding sentence.

(b) Subject to paragraph (c), the transfer or exchange of any Note (or a beneficial interest therein) of the type set forth in column A below for a Note (or a beneficial interest therein) of the type set forth opposite in column B below may only be made in compliance with the certification requirements (if any) described in the clause of this paragraph set forth opposite in column C below.

(4) The Person requesting the transfer or exchange must deliver or cause to be delivered to the Trustee a duly completed Rule 144A Certificate.

(5) Notwithstanding anything to the contrary contained herein, no such exchange is permitted if the requested exchange involves a beneficial interest in a Temporary Offshore Global Note. If the requested transfer involves a beneficial interest in a Temporary Offshore Global Note, the Person requesting the transfer must deliver or cause to be delivered to the Trustee (x) a duly completed Rule 144A Certificate or (y) a duly completed Institutional Accredited Investor Certificate and/or an Opinion of Counsel and such other certifications and evidence as the Company may reasonably require in order to determine that the proposed transfer is being made in compliance with the Securities Act and any applicable securities laws of any state of the United States. If the requested transfer or exchange involves a beneficial interest in a Permanent Offshore Global Note, no certification is required and the Trustee will deliver a Certificated Note that does not bear the Restricted Legend.

(c) No certification is required in connection with any transfer or exchange of any Note (or a beneficial interest therein)

(1) after such Note is eligible for resale pursuant to Rule 144 under the Securities Act (or a successor provision) without the need for current public information; *provided* that the Company has provided the Trustee with an Officer's Certificate to that effect, and the Company may require from any Person requesting a transfer or exchange in reliance upon this clause (1) an opinion of counsel and any other reasonable certifications and evidence in order to support such certificate; or

(2) (x) sold pursuant to an effective registration statement, pursuant to the Registration Rights Agreement or otherwise or (y) which is validly tendered for exchange into an Exchange Note pursuant to an Exchange Offer.

Any Certificated Note delivered in reliance upon this paragraph will not bear the Restricted Legend.

(d) The Trustee will retain copies of all certificates, opinions and other documents received in connection with the transfer or exchange of a Note (or a beneficial interest therein), and the Company will have the right to inspect and make copies thereof at any reasonable time upon written notice to the Trustee.

(e) The Trustee shall have no obligation or duty to monitor, determine or inquire as to compliance with any restrictions on transfer imposed under this Indenture or under applicable law with respect to any transfer of any interest in any Note (including any transfers between or among Depositary participants or beneficial owners of interests in any Global Note) other than to require delivery of such certificates and other documentation or evidence as are expressly required by, and to do so if and when expressly required by the terms of, this Indenture, and to examine the same to determine substantial compliance as to form with the express requirements hereof.

(f) Neither the Trustee nor any Agent shall have any responsibility or liability for any actions taken or not taken by the Depositary.

Section 2.11. *Temporary Offshore Global Notes.* (a) Each Note originally sold by the Initial Purchasers in reliance upon Regulation S will be evidenced by one or more Offshore Global Notes that bear the Temporary Offshore Global Note Legend.

(b) An owner of a beneficial interest in a Temporary Offshore Global Note (or a Person acting on behalf of such an owner) may provide to the Trustee (and the Trustee will accept) a duly completed Certificate of Beneficial Ownership at any time after the Restricted Period (it being understood that the Trustee will not accept any such certificate during the Restricted Period). Promptly after acceptance of a Certificate of Beneficial Ownership with respect to such a beneficial interest, the Trustee will cause such beneficial interest to be exchanged for an equivalent beneficial interest in a Permanent Offshore Global Note, and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(c) Notwithstanding paragraph (b), if after the Restricted Period any Initial Purchaser owns a beneficial interest in a Temporary Offshore Global Note, such Initial Purchaser may, upon written request to the Trustee accompanied by a certification as to its status as an Initial Purchaser, exchange such beneficial interest for an equivalent beneficial interest in a Permanent Offshore Global Note, and the Trustee will comply with such request and will (x) permanently reduce the principal amount of such Temporary Offshore Global Note by the amount of such beneficial interest and (y) increase the principal amount of such Permanent Offshore Global Note by the amount of such beneficial interest.

(d) Notwithstanding anything to the contrary contained herein, any owner of a beneficial interest in a Temporary Offshore Global Note shall not be entitled to receive payment of principal or interest on such beneficial interest or other amounts in respect of such beneficial interest until such beneficial interest is exchanged for an interest in a Permanent Offshore Global Note or transferred for an interest in another Global Note or a Certificated Note.

Section 3.01. *Optional Redemption.* (a) At any time and from time to time on or after January 15, 2017, the Company may redeem the Notes, in whole or in part, at a redemption price equal to the percentage of principal amount set forth below of the Notes being redeemed plus accrued and unpaid interest to the redemption date.

<u>Date</u>	<u>Percentage</u>
January 15, 2017	105.813%
January 15, 2018	103.875%
January 15, 2019	101.938%
January 15, 2020 and thereafter	100.000%

(b) At any time and from time to time prior to January 15, 2017, the Company may redeem at its option some or all of the Notes at a price of 100% of the principal amount of the Notes redeemed plus the Applicable Premium, plus accrued and unpaid interest, if any, to, but excluding, the redemption date.

Section 3.02. *Redemption with Proceeds of Equity Offering.* At any time and from time to time prior to January 15, 2017, the Company may redeem Notes with the net cash proceeds received by the Company from any Equity Offering at a redemption price equal to 107.750% of the principal amount plus accrued and unpaid interest to the redemption date, in an aggregate principal amount for all such redemptions not to exceed 35% of the original aggregate principal amount of the Notes including Additional Notes, *provided* that

(1) in each case the redemption takes place not later than 90 days after the closing of the related Equity Offering, and

(2) not less than 65% of the aggregate principal amount of the Notes including Additional Notes issued under this Indenture remains outstanding immediately thereafter.

Section 3.03. *Method and Effect of Redemption.* (a) If the Company elects to redeem Notes, it must notify the Trustee of the redemption date and the

principal amount of Notes to be redeemed by delivering an Officer's Certificate at least 45 days before the redemption date (unless a shorter period is satisfactory to the Trustee). If fewer than all of the Notes are being redeemed, the Officer's Certificate must also specify a record date not less than 15 days after the date of the notice of redemption is given to the Trustee, and the Trustee will select the Notes to be redeemed pro rata, by lot or by any other method the Trustee in its sole discretion deems fair and appropriate in accordance with DTC procedures, in denominations of \$2,000 principal amount and higher integral multiples of \$1,000. The notice to the Trustee under this clause (a) may be revoked prior to the mailing of notice of such redemption to the Holders. The Trustee will notify the Company promptly of the Notes or portions of Notes to be called for redemption. Notices of redemption shall be mailed by first class mail or delivered electronically at least 30 but not more than 60 days before the redemption date to each Holder of the Notes to be redeemed at its registered address, except that redemption notices may be mailed or delivered electronically more than 60 days prior to the redemption date if the notice is issued in connection with the defeasance of the Notes or a satisfaction and discharge of this Indenture. Any redemption and any notice of redemption thereof may, at the Company's discretion, be subject to one or more conditions precedent.

(b) The notice of redemption will identify the Notes to be redeemed and will include or state the following:

- (1) the redemption date;
- (2) the redemption price, including the portion thereof representing any accrued interest;
- (3) the place or places where Notes are to be surrendered for redemption;
- (4) Notes called for redemption must be so surrendered in order to collect the redemption price;
- (5) on the redemption date the redemption price will become due and payable on Notes called for redemption, and interest on Notes called for redemption will cease to accrue on and after the redemption date;
- (6) if any Note is redeemed in part, on and after the redemption date, upon surrender of such Note, new Notes equal in principal amount to the unredeemed portion will be issued; and
- (7) if any Note contains a CUSIP or CINS number, no representation is being made as to the correctness of the CUSIP or CINS number either as printed on the Notes or as contained in the notice of

redemption and that the Holder should rely only on the other identification numbers printed on the Notes.

(c) Once notice of redemption is sent to the Holders, subject to the last sentence of Section 3.03(a), Notes called for redemption become due and payable at the redemption price on the redemption date, and upon surrender of the Notes called for redemption, the Company shall redeem such Notes at the redemption price. Commencing on the redemption date, Notes redeemed will cease to accrue interest. Upon surrender of any Note redeemed in part, the Holder will receive a new Note equal in principal amount to the unredeemed portion of the surrendered Note.

Section 3.04. *Offer to Purchase.* (a) An “**Offer to Purchase**” means an offer by the Company to purchase Notes as required by this Indenture. An Offer to Purchase must be made by written offer (the “**offer**”) sent to the Holders. The Company will notify the Trustee in writing at least 15 days (or such shorter period as is acceptable to the Trustee) prior to sending the offer to Holders of its obligation to make an Offer to Purchase, and the offer will be sent by the Company or, at the Company’s written request, by the Trustee in the name and at the expense of the Company.

(b) The offer must include or state the following as to the terms of the Offer to Purchase:

- (1) the provision of this Indenture pursuant to which the Offer to Purchase is being made;
- (2) the aggregate principal amount of the outstanding Notes offered to be purchased by the Company pursuant to the Offer to Purchase (including, if less than 100%, the manner by which such amount has been determined pursuant to this Indenture) (the “**purchase amount**”);
- (3) the purchase price, including the portion thereof representing accrued interest;
- (4) an expiration date (the “**expiration date**”) not less than 30 days or more than 60 days after the date of the offer, and a settlement date for purchase (the “**purchase date**”) not more than five Business Days after the expiration date;
- (5) a Holder may tender all or any portion of its Notes, subject to the requirement that any portion of a Note tendered must be in a multiple of \$1,000 principal amount;
- (6) the place or places where Notes are to be surrendered for tender pursuant to the Offer to Purchase;

(7) each Holder electing to tender a Note pursuant to the offer will be required to surrender such Note at the place or places specified in the offer prior to the close of business on the expiration date (such Note being, if the Company or the Trustee so requires, duly endorsed or accompanied by a duly executed written instrument of transfer);

(8) interest on any Note not tendered, or tendered but not purchased by the Company pursuant to the Offer to Purchase, will continue to accrue;

(9) on the purchase date the purchase price will become due and payable on each Note accepted for purchase, and interest on Notes purchased by the Company and delivered to the Trustee for cancellation will cease to accrue on and after the purchase date;

(10) Holders are entitled to withdraw Notes tendered by giving notice, which must be received by the Company or the Trustee not later than the close of business on the expiration date, setting forth the name of the Holder, the principal amount of the tendered Notes, the certificate number of the tendered Notes and a statement that the Holder is withdrawing all or a portion of the tender;

(11) (i) if Notes in an aggregate principal amount less than or equal to the purchase amount are duly tendered and not withdrawn pursuant to the Offer to Purchase, the Company will purchase all such Notes, and (ii) if the Offer to Purchase is for less than all of the outstanding Notes and Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the offer, the Company will purchase Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, with adjustments so that only Notes in multiples of \$1,000 principal amount will be purchased;

(12) if any Note is purchased in part, new Notes equal in principal amount to the unpurchased portion of the Note will be issued; and

(13) if any Note contains a CUSIP or CINS number, no representation is being made as to the correctness of the CUSIP or CINS number either as printed on the Notes or as contained in the offer and that the Holder should rely only on the other identification numbers printed on the Notes.

(c) Prior to or on the purchase date, the Company will accept tendered Notes for purchase as required by the Offer to Purchase and deliver to the Trustee all Notes so accepted together with an Officer's Certificate specifying which Notes have been accepted for purchase. On the purchase date the purchase price will become due and payable on each Note accepted for purchase. Interest on Notes purchased will cease to accrue upon delivery of such Notes by the Company to the Trustee for cancellation. The Trustee

will promptly return to Holders any Notes not accepted for purchase and send to Holders new Notes equal in principal amount to any unpurchased portion of any Notes accepted for purchase in part.

(d) The Company will comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with any Offer to Purchase. To the extent that the provisions of any securities laws or regulations conflict with the Offer to Purchase provisions of this Indenture, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Indenture by virtue of such compliance.

#### ARTICLE 4 COVENANTS

Section 4.01. *Payment Of Notes.* (a) The Company agrees to pay the principal of and interest on the Notes on the dates and in the manner provided in the Notes and this Indenture. Not later than 11:00 A.M. (New York City time) on the due date of any principal of or interest on any Notes, or any redemption or purchase price of the Notes, the Company will deposit with the Trustee (or Paying Agent) money in immediately available funds sufficient to pay such amounts, *provided* that if the Company or any Affiliate of the Company is acting as Paying Agent, it will, on or before each due date, segregate and hold in a separate trust fund for the benefit of the Holders a sum of money sufficient to pay such amounts until paid to such Holders or otherwise disposed of as provided in this Indenture. In each case the Company will promptly notify the Trustee in writing of its compliance with this paragraph.

(b) An installment of principal or interest will be considered paid on the date due if the Trustee (or Paying Agent, other than the Company or any Affiliate of the Company) holds on that date money designated for and sufficient to pay the installment. If the Company or any Affiliate of the Company acts as Paying Agent, an installment of principal or interest will be considered paid on the due date only if paid to the Holders.

(c) The Company agrees to pay interest on overdue principal, and, to the extent lawful, overdue installments of interest at the rate per annum specified in the Notes.

(d) Payments in respect of the Notes represented by the Global Notes are to be made by wire transfer of immediately available funds to the accounts specified by the Holders of the Global Notes. With respect to Certificated Notes, the Company will make all payments by wire transfer of immediately available

funds to the accounts specified by the Holders thereof or, if no such account is specified, by mailing a check to each Holder's registered address.

Section 4.02. *Maintenance of Office or Agency.* The Company will maintain in the United States of America, an office or agency where Notes may be surrendered for registration of transfer or exchange or for presentation for payment and where notices and demands to or upon the Company in respect of the Notes and this Indenture may be served. The Company hereby initially designates the Corporate Trust Office of the Trustee as such office of the Company. The Company will give prompt written notice to the Trustee of the location, and any change in the location, of such office or agency. If at any time the Company fails to maintain any such required office or agency or fails to furnish the Trustee with the address thereof, such presentations, surrenders, notices and demands may be made or served to the Trustee.

The Company may also from time to time designate one or more other offices or agencies where the Notes may be surrendered or presented for any of such purposes and may from time to time rescind such designations. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the location of any such other office or agency.

Section 4.03. *Existence.* The Company will do or cause to be done all things necessary to preserve and keep in full force and effect its existence and the existence of each of its Subsidiaries in accordance with their respective organizational documents, and the material rights, licenses and franchises of the Company and each Subsidiary, *provided* that the Company is not required to preserve any such right, license or franchise, or the existence of any Subsidiary, if (i) the maintenance or preservation thereof is no longer desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole or (ii) where the failure to so preserve such right, license, franchise or existence would not have a material adverse effect on the Company and its Subsidiaries taken as a whole; and *provided further* that this Section does not prohibit any transaction otherwise permitted by Section 4.12 or Article 5.

Section 4.04. *Payment of Taxes and other Claims.* The Company will pay or discharge, and cause each of its Subsidiaries to pay or discharge before the same become delinquent (i) all material taxes, assessments and governmental charges levied or imposed upon the Company or any Subsidiary or its income or profits or property, and (ii) all material lawful claims for labor, materials and supplies that, if unpaid, might by law become a Lien upon the property of the Company or any Subsidiary, other than any such tax, assessment, charge or claim the amount, applicability or validity of which is being contested in good faith by appropriate proceedings and for which adequate reserves have been established or where failure to pay would not have a material adverse effect on the Company and its Subsidiaries taken as a whole.

Section 4.05. *Maintenance of Properties and Insurance.* (a) The Company will cause all properties used or useful in the conduct of its business or the business of any of its Subsidiaries to be maintained and kept in good condition, repair and working order as in the judgment of the Company may be necessary so that the business of the Company and its Subsidiaries may be properly and advantageously conducted at all times; *provided* that nothing in this Section prevents the Company or any Subsidiary from discontinuing the use, operation or maintenance of any of such properties or disposing of any of them, if such discontinuance or disposal is, in the judgment of the Company, desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole.

(b) The Company will provide or cause to be provided, for itself and its Subsidiaries, insurance (including appropriate self-insurance) against loss or damage of the kinds customarily insured against by corporations similarly situated and owning like properties, such as products liability insurance and public liability insurance, with reputable insurers, in such amounts, with such deductibles and by such methods as are customary for corporations similarly situated in the industry in which the Company and its Subsidiaries are then conducting business.

Section 4.06. *Limitation on Debt and Disqualified Stock.* (a) Neither the Company nor any Guarantor will Incur any Debt.

(b) Notwithstanding the foregoing, the Company and, to the extent provided below, any Guarantor may Incur the following (“**Permitted Debt**”):

(1) Debt of the Company or any Guarantor constituting Secured Obligations; *provided* that, on the date of the Incurrence, after giving effect to the Incurrence and the receipt and application of the proceeds therefrom, the Collateral Coverage Ratio is not less than 2.0 to 1.0;

(2) Debt of the Company or any Guarantor owed to the Company or any Guarantor so long as such Debt continues to be owed to the Company or any Guarantor;

(3) Unsecured Debt of the Company or any Guarantor; *provided* that (a) if such Debt is Subordinated Debt, such Subordinated Debt has a Stated Maturity after the Stated Maturity of the Notes and (b) on the date of the Incurrence, after giving effect to the Incurrence and the receipt and application of the proceeds therefrom, the Total Debt Coverage Ratio is not less than 2.0 to 1.0;

(4) Debt of the Company pursuant to the Notes (other than Additional Notes, but including the Exchange Notes) and Debt of any Guarantor pursuant to a Note Guaranty of the Notes (including Additional Notes and the Exchange Notes);

(5) Debt (“**Permitted Refinancing Debt**”) constituting an extension or renewal of, replacement of, or substitution for, or issued in exchange for, or the net proceeds of which are used to repay, redeem, repurchase, refinance or refund, including by way of defeasance (all of the foregoing, for purposes of this clause, “**refinance**”) then outstanding Debt in an amount not to exceed the principal amount of the Debt so refinanced, plus premiums, fees and expenses; *provided that*

(A) in case the Debt to be refinanced is Subordinated Debt, the new Debt, by its terms or by the terms of any agreement or instrument pursuant to which it is outstanding, is expressly made subordinate in right of payment to the Notes at least to the extent that the Debt to be refinanced is subordinated to the Notes,

(B) the new Debt does not have a Stated Maturity prior to the Stated Maturity of the Debt to be refinanced, and the Average Life of the new Debt is at least equal to the remaining Average Life of the Debt to be refinanced, and

(C) Debt Incurred pursuant to clauses (2), (3), (6), (7), (9), (10), (11), (12) and (13) of this Section 4.06 may not be refinanced pursuant to this clause;

(6) Hedging Agreements of the Company or any Guarantor entered into in the ordinary course of business for the purpose of managing risks associated with the business of the Company or its Subsidiaries and not for speculation;

(7) Debt of the Company or any Guarantor with respect to (A) letters of credit and bankers’ acceptances issued in the ordinary course of business and not supporting other Debt, including letters of credit supporting performance, surety or appeal bonds, workers’ compensation claims, health, disability or other benefits to employees or former employees or their families or property, casualty or liability insurance or self-insurance, and letters of credit in connection with the maintenance of, or pursuant to the requirements of, environmental or other permits or licenses from governmental authorities, or other Debt with respect to reimbursement type obligations regarding workers’ compensation claims and (B) indemnification, adjustment of purchase price, earn-out or similar obligations incurred or assumed in connection with the acquisition or disposition of any business or assets;

(8) Debt of the Company outstanding on the Issue Date (and, for purposes of clause (5)(C) of this Section 4.06(b), not otherwise constituting Permitted Debt);

(9) Debt of the Company or any Guarantor consisting of Guarantees of Debt of the Company or any Guarantor Incurred under any other clause of this Section 4.06;

(10) Debt of the Company or any Guarantor Incurred on or after the Issue Date not otherwise permitted in an aggregate principal amount at any time outstanding not to exceed \$75,000,000;

(11) Debt arising from endorsing instruments of deposit and from the honoring by a bank or other financial institution of a check, draft or similar instrument drawn against insufficient funds, in each case, in the ordinary course of business; *provided* that such Debt is extinguished within five Business Days of Incurrence;

(12) Debt of the Company or any Guarantor consisting of the financing of insurance premiums;

(13) Contribution Debt; and

(14) Debt, which may include Capital Leases, Incurred on or after the Issue Date no later than 180 days after the date of purchase or completion of construction or improvement of property, for the purpose of financing all or any part of the purchase price or cost of construction or improvement; *provided* that the principal amount of any Debt Incurred pursuant to this clause at any time outstanding may not exceed (a) \$25,000,000 less (b) the aggregate outstanding amount of Permitted Refinancing Debt Incurred to refinance Debt Incurred pursuant to this clause; and

(c) Notwithstanding any other provision of this Section 4.06, for purposes of determining compliance with this Section 4.06, increases in Debt solely due to fluctuations in the exchange rates of currencies will not be deemed to exceed the maximum amount that the Company or a Guarantor may Incur under this Section 4.06. For purposes of determining compliance with any U.S. dollar-denominated restriction on the Incurrence of Debt, the U.S. dollar-equivalent principal amount of Debt denominated in a foreign currency shall be calculated based on the relevant currency exchange rate in effect on the date such Debt was Incurred; *provided* that if such Debt is Incurred to refinance other Debt denominated in a foreign currency, and such refinancing would cause the applicable U.S. dollar-denominated restriction to be exceeded if calculated at the relevant currency exchange rate in effect on the date of such refinancing, such U.S. dollar-denominated restriction shall be deemed not to have been exceeded so long as the principal amount of such refinancing Debt does not exceed the principal amount of such Debt being refinanced (including, for the avoidance of doubt, premium, fees and expenses). The principal amount

of any Debt Incurred to refinance other Debt, if Incurred in a different currency from the Debt being refinanced, shall be calculated based on the currency exchange rate applicable to the currencies in which such respective Debt is denominated that is in effect on the date of such refinancing.

(d) In the event that an item of Debt meets the criteria of more than one of the types of Debt described in this Section 4.06, the Company, in its sole discretion, will classify items of Debt and will only be required to include the amount and type of such Debt in one of such clauses and the Company will be entitled to divide and classify an item of Debt in more than one of the types of Debt described in this Section 4.06, and may, at any time after such Incurrence (based on circumstances existing at such time), change the classification of an item of Debt (or any portion thereof) to any other type of Debt described in this Section 4.06 at any time. If any Contribution Debt is redesignated as Incurred under any provision other than clause (13) of paragraph (b) above, the related issuance of Equity Interests may be included in any calculation under paragraph (a)(3)(B) of Section 4.07.

(e) Neither the Company nor any Guarantor may Incur any Debt that is subordinated in right of payment to other Debt of the Company or the Guarantor unless such Debt is also subordinated in right of payment to the Notes or the relevant Note Guaranty on substantially identical terms. This does not apply to distinctions between categories of Debt that exist by reason of any Liens or Guarantees securing or in favor of some but not all of such Debt.

Section 4.07. *Limitation on Restricted Payments.* (a) The Company will not, and, to the extent within the Company's control, will not permit any of its Subsidiaries (including any Guarantor) to, directly or indirectly (the payments and other actions described in the following clauses being collectively "**Restricted Payments**"):

(i) declare or pay any dividend or make any distribution on its Equity Interests (other than dividends or distributions paid in the Company's Qualified Equity Interests) held by Persons other than the Company or any of its Subsidiaries;

(ii) purchase, redeem or otherwise acquire or retire for value any Equity Interests of the Company or any direct or indirect parent of the Company held by Persons other than the Company or any of its Subsidiaries;

(iii) repay, redeem, repurchase, defease or otherwise acquire or retire for value, or make any payment on or with respect to, any

Subordinated Debt of the Company or any Guarantor except a payment of interest or principal at Stated Maturity; or

(iv) make any Investment in any direct or indirect parent of the Company;

unless, at the time of, and after giving effect to, the proposed Restricted Payment:

(1) no Default has occurred and is continuing,

(2) the Company could Incur at least \$1.00 of Debt under paragraph (b)(3) of Section 4.06, and

(3) the aggregate amount expended for all Restricted Payments made on or after the Issue Date would not, subject to paragraph (c), exceed the sum of

(A) 50% of the aggregate amount of the Consolidated Net Income (or, if the Consolidated Net Income is a loss, minus 100% of the amount of the loss) accrued on a cumulative basis during the period, taken as one accounting period, beginning with the first fiscal quarter commencing after the Issue Date and ending on the last day of the Company's most recently completed fiscal quarter for which internal financial statements are available, plus

(B) subject to paragraph (c), the aggregate net cash proceeds and the fair market value of marketable securities or other property received by the Company (other than from a Subsidiary) after the Issue Date

(i) from the issuance and sale of its Qualified Equity Interests, including by way of issuance of its Disqualified Equity Interests or Debt to the extent since converted into Qualified Equity Interests of the Company, or

(ii) as a contribution to its common equity (other than Equity Interests sold to a Subsidiary), plus

(C) \$75,000,000.

The amount expended in any Restricted Payment, if other than in cash, will be deemed to be the fair market value of the relevant non-cash assets, as determined in good faith by the Company's Board of Directors, whose determination will be conclusive and evidenced by a Board Resolution.

(b) The foregoing will not prohibit:

(1) the payment of any dividend, or distribution or consummation of a redemption within 60 days after the date of declaration thereof or the giving of the redemption notice, as applicable, if, at the date of declaration or notice such payment would comply with paragraph (a);

(2) dividends or distributions by the EXCO Joint Venture or a Subsidiary payable, on a pro rata basis or on a basis more favorable than pro rata to the Company, to all holders of any class of Capital Stock of such Person;

(3) the repayment, redemption, repurchase, defeasance or other acquisition or retirement for value of (a) Subordinated Debt with the proceeds of, or in exchange for, Permitted Refinancing Debt which incurrence occurs within 60 days prior to such repayment, redemption, repurchase, defeasance or other acquisition or retirement for value; *provided* that such repayment would have complied with the provisions of this Indenture on such incurrence date or (b) Existing Preferred Stock with the proceeds of, or in exchange for, Subordinated Debt or with the proceeds of the offering of Notes or other unsecured Debt or with any other available cash, except to the extent such cash is the proceeds of borrowing incurred after the Issue Date of Debt constituting Secured Obligations; *provided further* that in the case of this clause (b), such Subordinated Debt or other unsecured Debt does not have a Stated Maturity prior to the Stated Maturity of the Notes;

(4) the purchase, redemption or other acquisition or retirement for value of Equity Interests of the Company (including the Existing Preferred Stock) or any direct or indirect parent in exchange for, or out of the proceeds of, (i) an offering (occurring within 60 days of such purchase, redemption or other acquisition or retirement for value) of, Qualified Equity Interests of the Company or (ii) a contribution to the common equity capital of the Company;

(5) the making of any Restricted Payment in exchange for, or out of the proceeds of (i) an offering (occurring within 60 days of such Restricted Payment) of Qualified Equity Interests of the Company or (ii) a contribution to the common equity capital of the Company;

(6) the purchase, redemption or other acquisition or retirement for value of Equity Interests of the Company held by officers, directors or employees or former officers, directors or employees (or their estates or beneficiaries under their estates), upon death, disability, retirement, severance or termination of employment or pursuant to any agreement under which the Equity Interests were issued; *provided* that the aggregate cash consideration paid therefor in any fiscal year, commencing with the fiscal year during which the Issue Date occurred, does not exceed an

aggregate amount equal to the sum of (x) \$25,000,000 and (y) the amount of Restricted Payments permitted but not made pursuant to this clause (6) in prior fiscal years commencing with the fiscal year during which the Issue Date occurred, *provided* that no more than \$50,000,000 may be carried forward from a fiscal year to the next succeeding fiscal year such that the aggregate amount of cash consideration paid pursuant to this clause (6) in any fiscal year shall not exceed \$75,000,000;

(7) the repurchase of any Subordinated Debt at a purchase price not greater than (x) 101% of the principal amount thereof in the event of a change of control pursuant to a provision no more favorable to the holders thereof than Section 4.11 or (y) 100% of the principal amount thereof in the event of an Asset Sale pursuant to a provision no more favorable to the holders thereof than Section 4.12, *provided* that, in each case, prior to the repurchase the Company has made an Offer to Purchase and repurchased all Notes issued under this Indenture that were validly tendered for payment in connection with the Offer to Purchase;

(8) Restricted Payments not otherwise permitted hereby in an aggregate amount not to exceed \$75,000,000;

(9) (a) repurchases of Equity Interests deemed to occur upon the exercise of stock options or warrants if the Equity Interests represent all or a portion of the exercise price thereof (or related withholding taxes) and (b) Restricted Payments by the Company to allow the payment of cash in lieu of the issuance of fractional shares upon the exercise of options or warrants or upon the conversion or exchange of Equity Interests of the Company in an aggregate amount under this clause (b) not to exceed \$1,000,000;

(10) payment of dividends or distributions on Disqualified Equity Interests of the Company or any Guarantor and payment of any redemption price or liquidation value of any Disqualified Equity Interest when due in accordance with its terms, in each case, to the extent that such Disqualified Equity Interest was permitted to be Incurred in accordance with the provisions of this Indenture; *provided* that, no Restricted Payment may be made pursuant to this clause (10) in connection with, or pursuant to the terms of, the Existing Preferred Stock;

For purposes of determining compliance with this Section 4.08, (A) a Lien securing an item of Debt need not be permitted solely by reference to one category of permitted Liens described in the definition of “Permitted Liens” but may be permitted in part under any combination thereof and (B) in the event that a Lien securing an item of Debt, Disqualified Stock or Preferred Stock (or any portion thereof) meets the criteria of one or more of the categories of permitted Liens described in the definition of “Permitted Liens”, the Company shall, in its sole discretion, divide, classify or reclassify, or later divide, classify or reclassify, such Lien securing such item of Debt (or any portion thereof) in any manner that complies with this Section 4.08 and will only be required to include the amount and type of such Lien or such item of Debt secured by such Lien in one of the clauses of the definition of “Permitted Liens” and such Lien securing such item of Debt will be treated as being Incurred or existing pursuant to only one of such clauses.

With respect to any Lien securing Debt that was permitted to secure such Debt at the time of the Incurrence of such Debt, such Lien shall also be permitted to secure any Increased Amount of such Debt provided that such Increased Amount is otherwise permitted to be Incurred. The “**Increased Amount**” of any Debt shall mean any increase in the amount of such Debt in connection with any

(2) create a Lien on such property or asset securing such Attributable Debt without equally and ratably securing the Notes pursuant to Section 4.08,

in which case, the corresponding Debt and Lien will be deemed Incurred pursuant to those provisions.

Section 4.10. *Limitation on Dividend and other Payment Restrictions Affecting Subsidiaries.* (a) Except as provided in paragraph (b), the Company will not, and, to the extent within the Company's control, will not permit any Subsidiary to, create or otherwise cause or permit to exist or become effective any encumbrance or restriction of any kind on the ability of any Subsidiary to:

(1) pay dividends or make any other distributions on any Equity Interests of the Subsidiary owned by the Company or any other Subsidiary;

(2) pay any Debt or other obligation owed to the Company or any other Subsidiary;

(3) make loans or advances to the Company or any other Subsidiary; or

(4) transfer any of its property or assets to the Company or any other Subsidiary.

(b) The provisions of paragraph (a) do not apply to any encumbrances or restrictions

(1) existing on the Issue Date, in this Indenture or in any other agreements in effect on the Issue Date, and any extensions, renewals, replacements or refinancings of any of the foregoing; *provided* the encumbrances and restrictions in the extension, renewal, replacement or refinancing are, taken as a whole, no less favorable in any material respect to the Noteholders than the encumbrances or restrictions being extended, renewed, replaced or refinanced;

(2) existing under or by reason of applicable law, rule regulation or order;

(3) existing with respect to any Person, or to the property or assets of any Person, at the time the Person is acquired by the Company or any Subsidiary, which encumbrances or restrictions (i) are not applicable to any other Person or the property or assets of any other Person (other than Subsidiaries of such Person) and (ii) do not materially adversely affect the Company's ability to make interest and principal payments on the Notes and any extensions, renewals, replacements, or refinancings of any of the foregoing, *provided* the encumbrances and restrictions in the extension, renewal, replacement or refinancing are, taken as a whole, no less favorable in any material respect to the Noteholders than the encumbrances or restrictions being extended, renewed, replaced or refinanced;

(4) of the type described in clause (a)(4) arising or agreed to in the ordinary course of business (i) that restrict in a customary manner the subletting, assignment or transfer of any property or asset that is subject to a lease or license or (ii) by virtue of any Lien on, or agreement to transfer, option or similar right (including any asset sale or stock sale agreement) with respect to any property or assets of, the Company or any Subsidiary;

(5) with respect to a Subsidiary and imposed pursuant to an agreement that has been entered into for the sale or disposition of all or substantially all of the Capital Stock of, or property and assets of, the Subsidiary that is not prohibited by Section 4.12;

(6) contained in the terms governing any Debt of any Subsidiary if the encumbrances or restrictions are ordinary and customary for a financing of that type or would not, taken as a whole, materially adversely affect the Company's ability to make interest and principal payments on the Notes;

(7) required pursuant to this Indenture;

(8) existing pursuant to customary provisions in partnership agreements, limited liability company organizational governance

documents, joint venture and other similar agreements entered into in the ordinary course of business that restrict the transfer of ownership interests in such partnership, limited liability company, joint venture or similar Person (including, for the avoidance of doubt and without limitation, the EXCO Joint Venture);

(9) consisting of restrictions on cash or other deposits or net worth imposed by customers, suppliers or landlords under contracts entered into in the ordinary course of business;

(10) existing pursuant to purchase money and capital lease obligations for property acquired in the ordinary course of business; and

(11) restrictions or conditions contained in any trading, netting, operating, construction, service, supply, purchase or other agreement to which the Company or any of its Subsidiaries is a party entered into in the ordinary course of business; *provided* that such agreement prohibits the encumbrance solely of the property or assets of the Company or such Subsidiary that are the subject of such agreement, the payment rights arising thereunder or the proceeds thereof and does not extend to any other asset or property of the Company or such Subsidiary or the assets or property of any other Subsidiary.

For purposes of determining compliance with this Section 4.10, (i) the priority of any Preferred Stock in receiving dividends or liquidating distributions prior to dividends or liquidating distributions being paid on common stock or other Preferred Stock shall not be deemed a restriction on the ability to make distributions on Equity Interests and (ii) the subordination of loans or advances made to the Company or any Subsidiary to other Debt Incurred by the Company or any such Subsidiary shall not be deemed a restriction on the ability to make loans or advances.

Section 4.11. *Repurchase of Notes Upon a Change of Control.* (a) If a Change of Control occurs, each Holder of Notes shall have the right to require the Company to repurchase all or any part (equal to \$2,000 or a higher multiple of \$1,000) of that Holder's Notes pursuant to an Offer to Purchase (the "**Change of Control Offer**"). In such Change of Control Offer, the Company will offer a payment (such payment, a "**Change of Control Payment**") in cash equal to 101% of the aggregate principal amount of Notes repurchased, plus accrued and unpaid interest thereon, if any, to the date of purchase.

(b) Within 30 days following any Change of Control, the Company will mail, or deliver electronically, a notice to each Holder describing the transaction or transactions that constitute the Change of Control and offering to repurchase Notes on the date specified in such notice (the "**Change of Control Payment Date**"), which date shall be no earlier than 30 days and no later than 60

days from the date such notice is mailed or delivered electronically, pursuant to the procedures required by Section 3.05 and described in such notice.

(c) On or before the Change of Control Payment Date, the Company will, to the extent lawful:

(1) accept for payment all Notes or portions thereof properly tendered pursuant to the Change of Control Offer;

(2) deposit with the Paying Agent an amount equal to the Change of Control Payment in respect of all Notes or portions thereof properly tendered; and

(3) deliver or cause to be delivered to the Trustee the Notes so accepted together with an Officer's Certificate stating the aggregate principal amount of Notes or portions thereof being purchased by the Company.

(d) The Paying Agent will promptly mail or wire transfer to each Holder of Notes properly tendered the Change of Control Payment for such Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book entry) to each Holder a new Note equal in principal amount to any unpurchased portion of the Notes surrendered, if any.

(e) This Section 4.11 shall be applicable regardless of whether any other Sections of this Indenture are applicable.

(f) The Company will not be required to make a Change of Control Offer upon a Change of Control if (1) a third party makes the Change of Control Offer in the manner, at the times and otherwise in compliance with the requirements set forth in this Indenture applicable to a Change of Control Offer made by the Company and purchases all Notes validly tendered and not withdrawn under such Change of Control Offer or (2) a notice of redemption has been given pursuant to this Indenture as described under Section 3.01, unless and until there is a default in payment of the applicable redemption price.

(g) If holders of not less than 90% in aggregate principal amount of the outstanding Notes validly tender and do not withdraw such notes in a Change of Control Offer and the Company, or any third party making a Change of Control Offer in lieu of the Company as described above, purchases all of the Notes validly tendered and not withdrawn by such holders, the Company or such third party will have the right, upon not less than 30 nor more than 60 days' prior notice, given not more than 30 days following such purchase pursuant to the Change of Control Offer described above, to redeem all Notes that remain outstanding following such purchase at a price in cash equal to 101% of the principal amount thereof plus accrued and unpaid interest to but excluding the date of redemption.

(h) A Change of Control Offer may be made in advance of a Change of Control, conditional upon such Change of Control or another event, if a definitive agreement is in place for the Change of Control at the time of making of the Change of Control Offer.

(i) The Company's obligations to make a Change of Control Offer may be waived or modified with the written consent of Holders of a majority in principal amount of outstanding Notes.

Section 4.12. *Limitation on Asset Sales.* Neither the Company nor any Guarantor will make any Asset Sale unless the following conditions are met:

(1) The Asset Sale is for fair market value, as determined in good faith by the Company's Board of Directors.

(2) At least 75% of the consideration consists of Cash Equivalents received at closing or Replacement Assets. For purposes of this clause (2):

(A) the assumption by the purchaser, or cancellation, of Debt or other obligations (other than Subordinated Debt) of the Company or a Guarantor pursuant to a customary novation agreement or acknowledgement of such cancellation; *provided* however, that such cancellation permanently retires such Debt (and in the case of a revolving credit facility, permanently reduces the commitment thereunder by such amount);

(B) instruments, securities, obligations or other assets received from the purchaser that are promptly, but in any event within 120 days of the closing, converted by the Company to Cash Equivalents, to the extent of the Cash Equivalents actually so received; and

(C) any Designated Non-cash Consideration received by the Company or any Guarantor in such Asset Sale having an aggregate fair market value, taken together with all other Designated Non-cash Consideration received pursuant to this clause (C) that is at that time outstanding, not to exceed \$25,000,000 at the time of the receipt of such Designated Non-cash Consideration (with the fair market value of each item of Designated Non-cash Consideration being measured at the time received and without giving effect to subsequent changes in value)

shall be considered Cash Equivalents received at closing.

(3) Within 450 days after the receipt of any Net Cash Proceeds from an Asset Sale, the Net Cash Proceeds may be used to

(A) acquire all or substantially all of the assets of an operating business, a majority of the Voting Stock of another Person that thereupon becomes a Subsidiary engaged in an operating business or to make other Investments in Persons other than Permitted Holders in the ordinary course of business (collectively, “**Replacement Assets**”),

(B) make a capital contribution to a Subsidiary, the proceeds of which are used by such Subsidiary to purchase an operating business, to make capital expenditures or otherwise acquire long-term assets that are to be used in an operating business or to make other Investments in Persons other than Permitted Holders in the ordinary course of business;

(C) repay, repurchase or retire secured Debt of the Company or any Guarantor and, if applicable, to correspondingly reduce commitments with respect thereto and in the case of a revolving credit, permanently reduce the commitment thereunder by such amount; and/or

(D) repay, repurchase or retire the Notes or *pari passu* Debt and, if applicable, to correspondingly reduce commitments with respect thereto and in the case of a revolving credit facility, permanently reduce the commitment thereunder by such amount; provided that if the Company shall so reduce such *pari passu* Debt, it will, on a ratable basis, make an Offer to Purchase in accordance with the procedures set forth below to all holders of Notes to purchase at a purchase price equal to 100% of the principal amount thereof, plus accrued and unpaid interest, if any, the pro rata principal amount of Notes;

*provided* that, in the case of clauses (A) and (B) above, a binding commitment shall be treated as a permitted application of the Net Cash Proceeds from the date of such commitment so long as such commitment is entered into with the good faith expectation that such Net Cash Proceeds will be applied to satisfy such commitment within 180 days of such commitment (an “**Acceptable Commitment**”) and, in the event any Acceptable Commitment is later cancelled or terminated for any reason before the Net Cash Proceeds are applied in connection therewith, another Acceptable Commitment (a “**Second Commitment**”) is entered into within 180 days of such cancellation or termination (or, if later, within 450 days after the receipt of such Net Cash Proceeds);

*provided further* that if any Second Commitment is later cancelled or terminated for any reason before such Net Cash Proceeds are applied, then such Net Cash Proceeds shall constitute Excess Proceeds.

Following the entering into of a binding commitment with respect to an Asset Sale and prior to the consummation thereof, Cash Equivalents (whether or not actual Net Cash Proceeds of such Asset Sale) used for the purposes described in this clause (3) that are designated as uses in accordance with this clause (3), and not previously or subsequently so designated in respect of any other Asset Sale, shall be deemed to be Net Cash Proceeds applied in accordance with this clause (3).

(4) The Net Cash Proceeds of an Asset Sale not applied within the time periods set forth in and pursuant to clause (3) shall constitute “**Excess Proceeds**”. Excess Proceeds of less than \$35,000,000 will be carried forward and accumulated; *provided that* until the aggregate amount of Excess Proceeds equals or exceeds \$35,000,000, all or any portion of such Excess Proceeds may be used or invested in the manner described in clause (3) above and such invested amount shall no longer be considered Excess Proceeds. When accumulated Excess Proceeds equals or exceeds such amount, the Company must, within 30 days, make an Offer to Purchase Notes having a principal amount equal to

(A) accumulated Excess Proceeds, multiplied by

(B) a fraction (x) the numerator of which is equal to the outstanding principal amount of the Notes and (y) the denominator of which is equal to the outstanding principal amount of the Notes and all *pari passu* Debt owed to anyone other than the Company, a Subsidiary of the Company or any Permitted Holder similarly required to be repaid, redeemed or tendered for in connection with the Asset Sale,

rounded down to the nearest \$1,000. If the Offer to Purchase is for less than all of the outstanding Notes and Notes in an aggregate principal amount in excess of the purchase amount are tendered and not withdrawn pursuant to the offer, the Company will purchase Notes having an aggregate principal amount equal to the purchase amount on a pro rata basis, by lot or any other method that the Trustee in its sole discretion deems fair and appropriate with adjustments so that only Notes in multiples of \$1,000 principal amount will be purchased. The purchase price for the Notes will be 100% of the principal amount plus accrued interest to the date of purchase. Upon completion of the Offer to Purchase, Excess Proceeds will be reset at zero, and any Excess Proceeds

remaining after consummation of the Offer to Purchase may be used for any purpose not otherwise prohibited by this Indenture.

(5) The Company shall comply with the requirements of Rule 14e-1 under the Exchange Act and any other securities laws and regulations thereunder to the extent such laws and regulations are applicable in connection with the repurchase of the Notes pursuant to this Section. To the extent that the provisions of any securities laws or regulations conflict with the provisions of this Section, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under this Section by virtue of such compliance.

Section 4.13. *Limitation on Transactions with Affiliates.* (a) The Company will not, and, to the extent within the Company's control, will not permit any Subsidiary of the Company to, directly or indirectly, enter into, renew or extend any transaction or arrangement (including, without limitation, the purchase, sale, lease or exchange of property or assets, or the rendering of any service) with any Affiliate of the Company (a "**Related Party Transaction**"), involving payments or consideration in excess of \$5,000,000 except upon fair and reasonable terms that taken as a whole are no less favorable to the Company or the Subsidiary than could be obtained in a comparable arm's-length transaction with a Person that is not an Affiliate of the Company.

(b) Any Related Party Transaction or series of Related Party Transactions with an aggregate value in excess of \$15,000,000 must first be approved by a majority of the relevant Board of Directors who are disinterested in the subject matter of the transaction pursuant to a resolution of such Board of Directors. Prior to entering into any Related Party Transaction or series of Related Party Transactions with an aggregate value in excess of \$25,000,000, the Company must in addition obtain a favorable written opinion from a nationally recognized investment banking, appraisal or accounting firm as to the fairness of the transaction to the Company and its Subsidiaries from a financial point of view.

(6) the entering into of a customary agreement providing registration rights, and the performance of such agreements;

(2) all current reports that would be required to be filed with the Commission on Form 8-K if the Company were required to file such reports.

In addition, whether or not required by the Commission, the Company will, if the Commission will accept the filing, file a copy of all of the information and reports referred to in clauses (1) and (2) with the Commission for public availability within the time periods specified in the Commission’s rules and regulations. In addition, the Company will make the information and reports available to securities analysts and prospective investors upon request.

(b) For so long as any of the Notes remain outstanding and constitute “restricted securities” under Rule 144, the Company will furnish to the Holders of the Notes and prospective investors, upon their request, the information required to be delivered pursuant to Rule 144A(d)(4) under the Securities Act.

(d) All obligors on the Notes will comply with Section 314(a) of the Trust Indenture Act.

(e) Delivery of these reports and information to the Trustee is for informational purposes only and the Trustee's receipt of them will not constitute constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on Officer's Certificates).

(f) Any subsequent restatement of financial statements shall have no retroactive effect for purposes of calculations previously made pursuant to the covenants contained in this Indenture.

Section 4.15. *Reports to Trustee.* (a) The Company will deliver to the Trustee within 120 days after the end of each fiscal year, commencing with the fiscal year ending September 30, 2014, a certificate from the principal executive, financial, operating or accounting officer of the Company stating that the officer has conducted or supervised a review of the activities of the Company and its Subsidiaries and their performance under this Indenture and that, based upon such review, the Company has fulfilled its obligations hereunder or, if there has been a Default, specifying the Default and its nature and status.

If and for so long as any Subsidiary, directly or indirectly, Guarantees any Debt of the Company (other than the Notes), such Subsidiary shall provide a Note Guaranty. A Subsidiary required to provide a Note Guaranty shall execute a supplemental indenture substantially in the form of Exhibit B, and deliver an Opinion of Counsel to the Trustee to the effect that the supplemental indenture has been duly authorized, executed and delivered by the Subsidiary and constitutes a valid and binding obligation of the Subsidiary, enforceable against the Subsidiary in accordance with its terms (subject to customary exceptions).

Section 4.20. *Suspension of Certain Covenants*. (a) If at any time after the Issue Date that (i) the Notes have Investment Grade Ratings by each of S&P and Moody's (or, if either (or both) of S&P and Moody's have been substituted in accordance with the definition of "Rating Agencies", by each of the then applicable Rating Agencies) and (ii) no Default has occurred and is continuing hereunder, the Company and the Guarantors will not be subject to the covenants in Sections 4.06, 4.07, 4.10, 4.12, 4.13, 4.17 and 5.01(a)(iii)(3) (the "**Suspended Covenants**").

(b) In the event that the Company and the Guarantors are not subject to the Suspended Covenants for any period of time as a result of Section 4.20(a), and on any subsequent date (the "**Reversion Date**") the condition set forth in clause (i) of Section 4.20(a) is no longer satisfied, then the Company and the Guarantors will thereafter again be subject to the Suspended Covenant with respect to future events.

(c) On each Reversion Date, all Debt Incurred during such time as the above referenced covenants are suspended (a "**Suspension Period**") prior to such Reversion Date will be deemed to be Debt Incurred pursuant to Section 4.06(b)(8). For purposes of calculating the amount available to be made as Restricted Payments under Section 4.07(a)(3), calculations under such covenant shall be made as though such covenant had been in effect during the Suspension Period. Restricted Payments made during the Suspension Period not otherwise permitted under Section 4.07(b), or permitted under clauses (1), (10) and (13) of Section 4.07(b), will reduce the amount available to be made as Restricted Payments under Section 4.07(a)(3). For purposes of Section 4.12, on the Reversion Date, the amount of Excess Proceeds will be reset to the amount of Excess Proceeds in effect as of the first day of the Suspension Period ending on such Reversion Date. Notwithstanding that the Suspended Covenants may be reinstated, no Default or Event of Default shall be deemed to have occurred as a result of a failure to comply with the Suspended Covenants during a Suspension

ARTICLE 5  
CONSOLIDATION, MERGER OR SALE OF ASSETS

Section 5.01. *Consolidation, Merger or Sale of Assets by the Company; No Lease of All or Substantially All Assets.* (a) The Company will not

(i) consolidate with or merge with or into any Person,

(ii) sell, convey, transfer or otherwise dispose of all or substantially all of its assets as an entirety or substantially an entirety, in one transaction or a series of related transactions, to any Person, or

(iii) permit any Person to merge with or into the Company

unless:

(1) either (x) the Company is the continuing Person or (y) the resulting, surviving or transferee Person is a corporation organized and validly existing under the laws of the United States of America or any jurisdiction thereof and expressly assumes by supplemental indenture all of the obligations of the Company under this Indenture and the Notes and the Registration Rights Agreement;

(2) immediately after giving effect to the transaction, no Default has occurred and is continuing;

(3) immediately after giving effect to the transaction on a pro forma basis, (x) the Company or the resulting, surviving or transferee Person would be in compliance with the covenants under Section 4.17 and (y) the Company could Incur at least \$1.00 of Debt under paragraph (b)(3) of Section 4.06; and

(4) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, each stating that the consolidation, merger or transfer and the supplemental indenture (if any) comply with this Indenture;

*provided* that clauses (2) and (3) do not apply (i) to the consolidation or merger of the Company with or into a Wholly Owned Subsidiary or the consolidation or merger of a Wholly Owned Subsidiary with or into the Company or (ii) if, in the good faith determination of the Board of Directors of the Company, whose

determination is evidenced by a Board Resolution, the sole purpose of the transaction is to change the jurisdiction of incorporation of the Company.

(b) The Company shall not lease all or substantially all of its assets, whether in one transaction or a series of transactions, to one or more other Persons.

(c) The foregoing clauses (a) and (b) above shall not apply to (i) any transfer of assets by the Company to any Guarantor, (ii) any transfer of assets among Guarantors or (iii) any transfer of assets by a Subsidiary of the Company that is not a Guarantor to (x) another Subsidiary of the Company that is not a Guarantor or (y) the Company or any Guarantor.

(d) Upon the consummation of any transaction effected in accordance with these provisions, if the Company is not the continuing Person, the resulting, surviving or transferee Person will succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture and the Notes with the same effect as if such successor Person had been named as the Company in this Indenture. Upon such substitution, except in the case of a sale, conveyance, transfer or disposition of less than all its assets, the Company will be released from its obligations under this Indenture and the Notes.

Section 5.02. *Consolidation, Merger or Sale of Assets by a Guarantor.* (a) No Guarantor may

(i) consolidate with or merge with or into any Person;

(ii) sell, convey, transfer or dispose of, all or substantially all its assets as an entirety or substantially as an entirety, in one transaction or a series of related transactions, to any Person; or

(iii) permit any Person to merge with or into the Guarantor

unless:

(A) the other Person is the Company or any Subsidiary of the Company that is a Guarantor or becomes a Guarantor concurrently with the transaction; or

(B) (1) either (x) the Guarantor is the continuing Person or (y) the resulting, surviving or transferee Person expressly assumes by supplemental indenture all of the obligations of the Guarantor under its Note Guaranty; and

(2) immediately after giving effect to the transaction, no Default has occurred and is continuing; or

(C) the transaction constitutes a sale or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Subsidiary of the Company) otherwise permitted by this Indenture.

ARTICLE 6  
DEFAULT AND REMEDIES

Section 6.01. *Events of Default*. An “**Event of Default**” occurs if

- (1) the Company defaults in the payment of the principal of any Note when the same becomes due and payable at maturity, upon acceleration or redemption, or otherwise (other than pursuant to an Offer to Purchase);
- (2) the Company defaults in the payment of interest (including any Additional Interest) on any Note when the same becomes due and payable, and the default continues for a period of 30 days;
- (3) the Company fails to make an Offer to Purchase or thereafter accept and pay for Notes tendered when and as required pursuant to Section 4.11 or Section 4.12, or the Company or any Guarantor fails to comply with Article 5;
- (4) the Company defaults in the performance of or breaches the covenant under Section 4.17 and such default or breach is not cured within 15 days after the date of such default under Section 4.17 (it being understood that the date of default in the case of the covenant tested at the end of a fiscal period is the last day of such fiscal period);
- (5) the Company defaults in the performance of or breaches any other covenant or agreement of the Company in this Indenture or under the Notes and the default or breach continues for a period of 60 consecutive days after written notice to the Company by the Trustee or to the Company and the Trustee by the Holders of 25% or more in aggregate principal amount of the Notes;
- (6) the failure by the Company or any Significant Subsidiary to pay any Debt (other than intercompany Debt) within any applicable grace period after final maturity or the acceleration of any such Debt by the holders thereof because of a default, in each case, if the total amount of such Debt unpaid or accelerated exceeds \$50,000,000;
- (7) one or more final judgments or orders for the payment of money in the aggregate for all such Persons are rendered against the Company or any of its Significant Subsidiaries and are not paid or discharged, and there is a period of 60

consecutive days following entry of the final judgment or order that causes the aggregate amount for all such final judgments or orders outstanding and not paid or discharged against all such Persons to exceed \$50,000,000 (in excess of amounts which the Company's insurance carriers have agreed to pay under applicable policies) during which a stay of enforcement, by reason of a pending appeal or otherwise, is not in effect;

(8) an involuntary case or other proceeding is commenced against the Company or any Significant Subsidiary with respect to it or its debts under any bankruptcy, insolvency or other similar law now or hereafter in effect seeking the appointment of a trustee, receiver, liquidator, custodian or other similar official of it or any substantial part of its property, and such involuntary case or other proceeding remains undismissed and unstayed for a period of 60 days; or an order for relief is entered against the Company or any Significant Subsidiary under the federal bankruptcy laws as now or hereafter in effect;

(9) the Company or any of its Significant Subsidiaries (i) commences a voluntary case under any applicable bankruptcy, insolvency or other similar law now or hereafter in effect, or consents to the entry of an order for relief in an involuntary case under any such law, (ii) consents to the appointment of or taking possession by a receiver, liquidator, assignee, custodian, trustee, sequestrator or similar official of the Company or any of its Significant Subsidiaries or for all or substantially all of the property and assets of the Company or any of its Significant Subsidiaries or (iii) effects any general assignment for the benefit of creditors (an event of default specified in clause (7) or (8) a "**bankruptcy default**"); or

(10) any Note Guaranty of a Significant Subsidiary ceases to be in full force and effect, other than in accordance the terms of this Indenture, or a Guarantor that is a Significant Subsidiary denies or disaffirms its obligations under its Note Guaranty.

Section 6.02. *Acceleration.* (a) If an Event of Default, other than a bankruptcy default with respect to the Company, occurs and is continuing under this Indenture, the Trustee or the Holders of at least 25% in aggregate principal amount of the Notes then outstanding, by written notice to the Company (and to the Trustee if the notice is given by the Holders), may, and the Trustee at the written request of such Holders shall, declare the principal of and accrued interest (including Additional Interest, if any) on the Notes to be immediately due and payable. Upon a declaration of acceleration, such principal and interest will become immediately due and payable. If a bankruptcy default occurs with respect to the Company, the principal of and accrued interest on the Notes then outstanding will become immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

(b) The Holders of a majority in principal amount of the outstanding Notes by written notice to the Company and to the Trustee may waive all past defaults and rescind and annul a declaration of acceleration and its consequences if

(1) all existing Events of Default, other than the nonpayment of the principal of, premium, if any, and interest on the Notes that have become due solely by the declaration of acceleration, have been cured or waived, and

(2) the rescission would not conflict with any judgment or decree of a court of competent jurisdiction.

Section 6.03. *Other Remedies.* If an Event of Default occurs and is continuing, the Trustee may pursue, in its own name or as trustee of an express trust, any available remedy by proceeding at law or in equity to collect the payment of principal of and interest on the Notes or to enforce the performance of any provision of the Notes or this Indenture. The Trustee may maintain a proceeding even if it does not possess any of the Notes or does not produce any of them in the proceeding.

Section 6.04. *Waiver of Past Defaults.* Except as otherwise provided in Sections 6.02, 6.07 and 9.02, the Holders of a majority in principal amount of the outstanding Notes may, by notice to the Trustee, waive an existing Default and its consequences. Upon such waiver, the Default will cease to exist, and any Event of Default arising therefrom will be deemed to have been cured, but no such waiver will extend to any subsequent or other Default or impair any right consequent thereon.

In the event of a declaration of acceleration of the Notes because an Event of Default described in Section 6.01(6) has occurred and is continuing, the declaration of acceleration of the Notes shall be automatically annulled if the event of default or payment default triggering such Event of Default pursuant to Section 6.01(6) shall be remedied or cured, or waived by the holders of the Debt, or the Debt that gave rise to such Event of Default shall have been discharged in full, within 30 days after the declaration of acceleration with respect thereto and if (1) the annulment of the acceleration of the Notes would not conflict with any judgment or decree of a court of competent jurisdiction and (2) all existing Events of Default, except nonpayment of principal, premium or interest on the Notes that became due solely because of the acceleration of the Notes, have been cured or waived.

Section 6.05. *Control by Majority.* The Holders of a majority in aggregate principal amount of the outstanding Notes may direct the time, method and place of conducting any proceeding for any remedy available to the Trustee or exercising any trust or power conferred on the Trustee. However, the Trustee

may refuse to follow any direction that conflicts with law or this Indenture, that may involve the Trustee in personal liability, or that the Trustee determines in good faith may be unduly prejudicial to the rights of Holders of Notes not joining in the giving of such direction, and may take any other action it deems proper that is not inconsistent with any such direction received from Holders of Notes.

Section 6.06. *Limitation on Suits.* A Holder may not institute any proceeding, judicial or otherwise, with respect to this Indenture or the Notes, or for the appointment of a receiver or trustee, or for any other remedy under this Indenture or the Notes, unless:

- (1) the Holder has previously given to the Trustee written notice of a continuing Event of Default;
- (2) Holders of at least 25% in aggregate principal amount of outstanding Notes have made written request to the Trustee to institute proceedings in respect of the Event of Default in its own name as Trustee under this Indenture;
- (3) Holders have offered to the Trustee indemnity reasonably satisfactory to the Trustee against any costs, liabilities or expenses to be incurred in compliance with such request;
- (4) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (5) during such 60-day period, the Holders of a majority in aggregate principal amount of the outstanding Notes have not given the Trustee a direction that is inconsistent with such written request.

Section 6.07. *Rights of Holders to Receive Payment.* Notwithstanding anything to the contrary, the right of a Holder of a Note to receive payment of principal of or interest on its Note on or after the Stated Maturities thereof, or to bring suit for the enforcement of any such payment on or after such respective dates, may not be impaired or affected without the consent of that Holder.

Section 6.08. *Collection Suit by Trustee.* If an Event of Default in payment of principal or interest specified in clause (1) or (2) of Section 6.01 occurs and is continuing, the Trustee may recover judgment in its own name and as trustee of an express trust for the whole amount of principal and accrued interest remaining unpaid, together with interest on overdue principal and, to the extent lawful, overdue installments of interest, in each case at the rate specified in the Notes, and such further amount as is sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements

and advances of the Trustee, its agents and counsel and any other amounts due the Trustee hereunder.

Section 6.09. *Trustee May File Proofs of Claim.* The Trustee may file proofs of claim and other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee hereunder) and the Holders allowed in any judicial proceedings relating to the Company or any Guarantor or their respective creditors or property, and is entitled and empowered to collect, receive and distribute any money, securities or other property payable or deliverable upon conversion or exchange of the Notes or upon any such claims. Any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, if the Trustee consents to the making of such payments directly to the Holders, to pay to the Trustee any amount due to it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agent and counsel, and any other amounts due the Trustee hereunder. Nothing in this Indenture will be deemed to empower the Trustee to authorize or consent to, or accept or adopt on behalf of any Holder, any plan of reorganization, arrangement, adjustment or composition affecting the Notes or the rights of any Holder thereof, or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

Section 6.10. *Priorities.* If the Trustee collects any money pursuant to this Article, it shall pay out the money in the following order:

First: to the Trustee for all amounts due to it hereunder;

Second: to Holders for amounts then due and unpaid for principal of and interest on the Notes, ratably, without preference or priority of any kind, according to the amounts due and payable on the Notes for principal and interest; and

Third: to the Company or as a court of competent jurisdiction may direct.

The Trustee, upon written notice to the Company, may fix a record date and payment date for any payment to Holders pursuant to this Section.

Section 6.11. *Restoration of Rights and Remedies.* If the Trustee or any Holder has instituted a proceeding to enforce any right or remedy under this Indenture and the proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to the Holder, then, subject to any determination in the proceeding, the Company, any Guarantors, the Trustee and the Holders will be restored severally and respectively to their former

positions hereunder and thereafter all rights and remedies of the Company, any Guarantors, the Trustee and the Holders will continue as though no such proceeding had been instituted.

Section 6.12. *Undertaking for Costs.* In any suit for the enforcement of any right or remedy under this Indenture or in any suit against the Trustee for any action taken or omitted by it as Trustee, a court may require any party litigant in such suit (other than the Trustee) to file an undertaking to pay the costs of the suit, and the court may assess reasonable costs, including reasonable attorneys fees and expenses, against any party litigant (other than the Trustee) in the suit having due regard to the merits and good faith of the claims or defenses made by the party litigant. This Section does not apply to a suit by the Trustee or a Holder to enforce payment of principal of or interest on any Note on the respective due dates, or a suit by Holders of more than 10% in principal amount of the outstanding Notes.

Section 6.13. *Rights and Remedies Cumulative.* No right or remedy conferred or reserved to the Trustee or to the Holders under this Indenture is intended to be exclusive of any other right or remedy, and all such rights and remedies are, to the extent permitted by law, cumulative and in addition to every other right and remedy hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or exercise of any right or remedy hereunder, or otherwise, will not prevent the concurrent assertion or exercise of any other right or remedy.

Section 6.14. *Delay or Omission Not Waiver.* No delay or omission of the Trustee or of any Holder to exercise any right or remedy accruing upon any Event of Default will impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

Section 6.15. *Waiver of Stay, Extension or Usury Laws.* The Company and each Guarantor covenants, to the extent that it may lawfully do so, that it will not at any time insist upon, or plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay or extension law or any usury law or other law that would prohibit or forgive the Company or the Guarantor from paying all or any portion of the principal of, or interest on the Notes as contemplated herein, wherever enacted, now or at any time hereafter in force, or that may affect the covenants or the performance of this Indenture. The Company and each Guarantor hereby expressly waives, to the extent that it may lawfully do so, all benefit or advantage of any such law and covenants that it will not hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law had been enacted.

ARTICLE 7  
THE TRUSTEE

Section 7.01. *General.* (a) The duties and responsibilities of the Trustee are as provided by the Trust Indenture Act and as set forth herein. Whether or not expressly so provided, every provision of this Indenture relating to the conduct or affecting the liability of or affording protection to the Trustee is subject to this Article.

(b) Except during the continuance of an Event of Default, the Trustee need perform only those duties that are specifically set forth in this Indenture and no others, and no implied covenants or obligations will be read into this Indenture against the Trustee. In case an Event of Default has occurred and is continuing, the Trustee shall exercise those rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.

(c) No provision of this Indenture shall be construed to relieve the Trustee from liability for its own negligent action, its own negligent failure to act or its own willful misconduct.

Section 7.02. *Certain Rights of Trustee.* Subject to Trust Indenture Act Sections 315(a) through (d):

(1) In the absence of bad faith on its part, the Trustee may conclusively rely, and will be protected in acting or refraining from acting, upon any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document believed by it to be genuine and to have been signed or presented by the proper Person. The Trustee need not investigate any fact or matter stated in the document, but, in the case of any document which is specifically required to be furnished to the Trustee pursuant to any provision hereof, the Trustee shall examine the document to determine whether it conforms to the requirements of this Indenture (but need not confirm or investigate the accuracy of mathematical calculations or other facts stated therein). The Trustee, in its discretion, may make further inquiry or investigation into such facts or matters as it sees fit.

(2) Before the Trustee acts or refrains from acting, it may require an Officer's Certificate or an Opinion of Counsel conforming to Section 12.05 and the Trustee will not be liable for any action it takes or omits to take in good faith in conclusive reliance on the certificate or opinion.

(3) The Trustee may act through its attorneys and agents and will not be responsible for the misconduct or negligence of any agent (other than an agent who is an employee of the Trustee) appointed with due care.

(4) The Trustee will be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders, unless such Holders have offered to the Trustee reasonable security or indemnity against the costs, expenses and liabilities that might be incurred by it in compliance with such request or direction.

(5) The Trustee will not be liable for any action it takes or omits to take in good faith that it believes to be authorized or within its rights or powers or for any action it takes or omits to take in accordance with the direction of the Holders in accordance with Section 6.05 relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(6) The Trustee may consult with counsel of its selection, and the advice of such counsel or any Opinion of Counsel will be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in conclusive reliance thereon.

(7) No provision of this Indenture will require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties hereunder, or in the exercise of its rights or powers, unless it receives indemnity satisfactory to it against any loss, liability or expense.

(8) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Notes and this Indenture.

(9) In no event shall the Trustee be responsible or liable for special, indirect, punitive or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

(10) The Trustee may request that the Company deliver a certificate setting forth the names of individuals and/or titles of officers authorized at such time to take specified actions pursuant to this Indenture.

Section 7.03. *Individual Rights of Trustee.* The Trustee, in its individual or any other capacity, may become the owner or pledgee of Notes and may otherwise deal with the Company or its Affiliates with the same rights it would have if it were not the Trustee. Any Agent may do the same with like rights. However, the Trustee is subject to Trust Indenture Act Sections 310(b) and 311. For purposes of Trust Indenture Act Section 311(b)(4) and (6):

(a) “**cash transaction**” means any transaction in which full payment for goods or securities sold is made within seven days after delivery of the goods or securities in currency or in checks or other orders drawn upon banks or bankers and payable upon demand; and

(b) “**self-liquidating paper**” means any draft, bill of exchange, acceptance or obligation which is made, drawn, negotiated or incurred for the purpose of financing the purchase, processing, manufacturing, shipment, storage or sale of goods, wares or merchandise and which is secured by documents evidencing title to, possession of, or a lien upon, the goods, wares or merchandise or the receivables or proceeds arising from the sale of the goods, wares or merchandise previously constituting the security, *provided* the security is received by the Trustee simultaneously with the creation of the creditor relationship arising from the making, drawing, negotiating or incurring of the draft, bill of exchange, acceptance or obligation.

Section 7.04. *Trustee’s Disclaimer.* The Trustee (i) makes no representation as to the validity or adequacy of this Indenture or the Notes, (ii) is not accountable for the Company’s use or application of the proceeds from the Notes and (iii) is not responsible for any statement in the Notes other than its certificate of authentication.

Section 7.05. *Notice of Default.* If any Default occurs and is continuing and is actually known to the Trustee, the Trustee will send notice of the Default to each Holder within 90 days after it occurs, unless the Default has been cured; *provided* that, except in the case of a default in the payment of the principal of or interest on any Note, the Trustee may withhold the notice if and so long as the Trustee in good faith determines that withholding the notice is in the interest of the Holders. Notice to Holders under this Section will be given in the manner and to the extent provided in Trust Indenture Act Section 313(c).

Section 7.06. *Reports by Trustee to Holders.* Within 60 days after each May 15, beginning with May 15, 2014, the Trustee will mail to each Holder, as provided in Trust Indenture Act Section 313(c), a brief report dated as of such

May 15, if required by Trust Indenture Act Section 313(a), and file such reports with each stock exchange upon which its Notes are listed and with the Commission as required by Trust Indenture Act Section 313(d).

Section 7.07. *Compensation And Indemnity.* (a) The Company will pay the Trustee compensation as agreed upon in writing for its services. The compensation of the Trustee is not limited by any law on compensation of a Trustee of an express trust. The Company will reimburse the Trustee upon request for all reasonable out-of-pocket expenses, disbursements and advances incurred or made by the Trustee, including the reasonable compensation and expenses of the Trustee's agents and counsel.

(b) The Company will indemnify the Trustee for, and hold it harmless against, any loss or liability or expense incurred by it without negligence, bad faith or willful misconduct on its part arising out of or in connection with the acceptance or administration of this Indenture and its duties under this Indenture and the Notes, including the reasonable costs and expenses of defending itself against any claim (whether asserted by the Company, a Holder, or any other Person) or liability and of complying with any process served upon it or any of its officers in connection with the exercise or performance of any of its powers or duties under this Indenture and the Notes. The Trustee shall promptly notify the Company of any claim asserted against the Trustee or any of its agents for which it may seek indemnity. The Company shall defend the claim and the Trustee shall cooperate in the defense. The Trustee and its agents subject to the claim may have separate counsel, and the Company shall pay the reasonable fees and expenses of such counsel if the Trustee concludes, upon advice of counsel, that there exists a conflict of interest between the Company and the Trustee and its agents subject to the claim in connection with such defense. The Company need not pay for any settlement made without its written consent, which consent shall not be unreasonably withheld. The Company need not reimburse any expense or indemnify against any loss or liability to the extent incurred by the Trustee through the Trustee's negligence, bad faith or willful misconduct.

(c) To secure the Company's payment obligations in this Section, the Trustee will have a lien prior to the Notes on all money or property held or collected by the Trustee, in its capacity as Trustee, except money or property held in trust to pay principal of, and interest on particular Notes.

Section 7.08. *Replacement of Trustee.* (a) (1) The Trustee may resign at any time by providing 30 days prior written notice to the Company.

(2) The Holders of a majority in principal amount of the outstanding Notes may remove the Trustee by written notice to the Trustee.

(3) If the Trustee is no longer eligible under Section 7.10 or in the circumstances described in Trust Indenture Act Section 310(b), any Holder that satisfies the requirements of Trust Indenture Act Section 310(b) may petition any court of competent jurisdiction for the removal of the Trustee and the appointment of a successor Trustee.

(4) The Company may remove the Trustee if: (i) the Trustee is no longer eligible under Section 7.10; (ii) the Trustee is adjudged a bankrupt or an insolvent; (iii) a receiver or other public officer takes charge of the Trustee or its property; or (iv) the Trustee becomes incapable of acting.

A resignation or removal of the Trustee and appointment of a successor Trustee will become effective only upon the successor Trustee's acceptance of appointment as provided in this Section.

(b) If the Trustee has been removed by the Holders, Holders of a majority in principal amount of the Notes may appoint a successor Trustee with the consent of the Company. Otherwise, if the Trustee resigns or is removed, or if a vacancy exists in the office of Trustee for any reason, the Company will promptly appoint a successor Trustee. If the successor Trustee does not deliver its written acceptance within 30 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of a majority in principal amount of the outstanding Notes may petition any court of competent jurisdiction at the expense of the Company for the appointment of a successor Trustee.

(c) Upon delivery by the successor Trustee of a written acceptance of its appointment to the retiring Trustee and to the Company, (i) the retiring Trustee will transfer all property held by it as Trustee to the successor Trustee, subject to the lien provided for in Section 7.07, (ii) the resignation or removal of the retiring Trustee will become effective, and (iii) the successor Trustee will have all the rights, powers and duties of the Trustee under this Indenture. Upon request of any successor Trustee, the Company will execute any and all instruments for fully and vesting in and confirming to the successor Trustee all such rights, powers and trusts. The Company will give notice of any resignation and any removal of the Trustee and each appointment of a successor Trustee to all Holders, and include in the notice the name of the successor Trustee and the address of its Corporate Trust Office.

(d) Notwithstanding replacement of the Trustee pursuant to this Section, the Company's obligations under Section 7.07 will continue for the benefit of the retiring Trustee.

(e) The Trustee agrees to give the notices provided for in, and otherwise comply with, Trust Indenture Act Section 310(b).

Section 7.09. *Successor Trustee by Merger.* If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation or national banking association, the resulting, surviving or transferee corporation or national banking association without any further act will be the successor Trustee with the same effect as if the successor Trustee had been named as the Trustee in this Indenture.

Section 7.10. *Eligibility.* This Indenture must always have a Trustee that satisfies the requirements of Trust Indenture Act Section 310(a) and has a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition.

Section 7.11. *Money Held in Trust.* The Trustee will not be liable for interest on any money received by it except as it may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law and except for money held in trust under Article 8.

## ARTICLE 8 DEFEASANCE AND DISCHARGE

Section 8.01. *Discharge of Company's Obligations.* (a) Subject to paragraph (b), the Company's obligations under the Notes and this Indenture, and each Guarantor's obligations under its Note Guaranty, will terminate if:

(1) all Notes previously authenticated and delivered (other than (i) destroyed, lost or stolen Notes that have been replaced or (ii) Notes that are paid pursuant to Section 4.01 or (iii) Notes for whose payment money or U.S. Government Obligations have been held in trust and then repaid to the Company pursuant to Section 8.05) have been delivered to the Trustee for cancellation and the Company has paid all sums payable by it hereunder; or

(2) (A) the Notes mature within one year, or all of them are to be called for redemption within one year under arrangements satisfactory to the Trustee for giving the notice of redemption,

(B) the Company irrevocably deposits in trust with the Trustee, as trust funds solely for the benefit of the Holders, money or U.S. Government Obligations or a combination thereof sufficient, without consideration of any reinvestment, to pay principal of and interest on the Notes to maturity or redemption, as the case may be, and to pay all other sums payable by it hereunder,

(C) no Default has occurred and is continuing on the date of the deposit,

(D) the deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound, and

(E) the Company delivers to the Trustee an Officer's Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the satisfaction and discharge of this Indenture have been complied with.

(b) After satisfying the conditions in clause (1), only the Company's obligations under Section 7.07 will survive. After satisfying the conditions in clause (2), only the Company's obligations in Article 2 and Sections 4.01, 4.02, 7.07, 7.08, 8.05, 8.06 and 8.07 will survive. In either case, the Trustee upon request will acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture other than the surviving obligations.

Section 8.02. *Legal Defeasance.* Following the deposit referred to in clause (1), the Company will be deemed to have paid and will be discharged from its obligations in respect of the Notes and this Indenture, other than its obligations in Article 2 and Sections 4.01, 4.02, 7.07, 7.08, 8.05 and 8.06, and each Guarantor's obligations under its Note Guaranty will terminate, *provided* the following conditions have been satisfied:

(1) The Company has irrevocably deposited in trust with the Trustee, as trust funds solely for the benefit of the Holders, money or U.S. Government Obligations or a combination thereof sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certificate thereof delivered to the Trustee, without consideration of any reinvestment, to pay principal of and interest on the Notes to maturity or redemption, as the case may be, provided that any redemption before maturity has been irrevocably *provided* for under arrangements satisfactory to the Trustee.

(2) No Default has occurred and is continuing on the date of the deposit.

(3) The deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound.

(4) The Company has delivered to the Trustee either (x) a ruling received from the Internal Revenue Service to the effect that the Holders

will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would otherwise have been the case or (y) an Opinion of Counsel, based on a change in law after the date of this Indenture, to the same effect as the ruling described in clause (x).

(5) If the Notes are listed on a national securities exchange, the Company has delivered to the Trustee an Opinion of Counsel to the effect that the deposit and defeasance will not cause the Notes to be delisted.

(6) The Company has delivered to the Trustee an Officer's Certificate and an Opinion of Counsel, in each case stating that all conditions precedent provided for herein relating to the defeasance have been complied with.

Prior to the deposit referred to in clause (1), none of the Company's obligations under this Indenture will be discharged. Thereafter, the Trustee upon request will acknowledge in writing the discharge of the Company's obligations under the Notes and this Indenture except for the surviving obligations specified above.

Section 8.03. *Covenant Defeasance*. Following the deposit referred to in clause (1), the Company's obligations set forth in Sections 4.04 through 4.19, and clause (3) of Section 5.01(a), and each Guarantor's obligations under its Note Guaranty, will terminate, the Company and the Guarantors will be released from their obligations under clauses (3), (4), (5), (6), (7), (8) (with respect to Significant Subsidiaries only) and (9) of Section 6.01 will no longer constitute Events of Default, *provided* the following conditions have been satisfied:

(1) The Company has complied with clauses (1), (2), (3), (5) and (6) of Section 8.02; and

(2) the Company has delivered to the Trustee an Opinion of Counsel to the effect that the Holders will not recognize income, gain or loss for federal income tax purposes as a result of the defeasance and will be subject to federal income tax on the same amount and in the same manner and at the same times as would otherwise have been the case.

Except as specifically stated above, none of the Company's obligations under this Indenture will be discharged.

Section 8.04. *Application of Trust Money*. Subject to Section 8.05, the Trustee will hold in trust the money or U.S. Government Obligations deposited with it pursuant to Section 8.01, 8.02 or 8.03, and apply the deposited money and the proceeds from deposited U.S. Government Obligations to the payment of

principal of and interest on the Notes in accordance with the Notes and the Indenture. Such money and U.S. Government Obligations need not be segregated from other funds except to the extent required by law.

Section 8.05. *Repayment to Company.* Subject to Sections 7.07, 8.01, 8.02 and 8.03, the Trustee will promptly pay to the Company upon written request any excess money held by the Trustee at any time and thereupon be relieved from all liability with respect to such money. The Trustee will pay to the Company upon written request any money held for payment with respect to the Notes that remains unclaimed for two years, *provided* that before making such payment the Trustee shall at the expense of the Company publish once in a newspaper of general circulation in New York City, or send to each Holder entitled to such money, notice that the money remains unclaimed and that after a date specified in the notice (at least 30 days after the date of the publication or notice) any remaining unclaimed balance of money will be repaid to the Company. After payment to the Company, Holders entitled to such money must look solely to the Company for payment as unsecured creditors, unless applicable law designates another Person, and all liability of the Trustee with respect to such money will cease.

Section 8.06. *Reinstatement.* If and for so long as the Trustee is unable to apply any money or U.S. Government Obligations held in trust pursuant to Section 8.01, 8.02 or 8.03 by reason of any legal proceeding or by reason of any order or judgment of any court or governmental authority enjoining, restraining or otherwise prohibiting such application, the Company's obligations under this Indenture and the Notes will be reinstated as though no such deposit in trust had been made. If the Company makes any payment of principal of or interest on any Notes because of the reinstatement of its obligations, it will be subrogated to the rights of the Holders of such Notes to receive such payment from the money or U.S. Government Obligations held in trust.

Section 8.07. *Applicable Premium.* In the case of either discharge or defeasance pursuant to this Article 8, upon any redemption that requires the payment of the Applicable Premium, the amount deposited with the Trustee shall be sufficient for purposes of this Indenture to the extent that an amount is deposited with the Trustee equal to the Applicable Premium calculated as of the date of the notice of redemption, with any deficit as of the date of redemption (any such amount, the "**Applicable Premium Deficit**") only required to be deposited with the trustee on or prior to the date of redemption. Any Applicable Premium Deficit shall be set forth in an Officer's Certificate delivered to the trustee simultaneously with the deposit of such Applicable Premium Deficit that confirms that such Applicable Premium Deficit shall be applied toward such redemption.

ARTICLE 9  
AMENDMENTS, SUPPLEMENTS AND WAIVERS

Section 9.01. *Amendments Without Consent of Holders.* The Company and the Trustee may amend or supplement this Indenture or the Notes without notice to or the consent of any Noteholder

- (1) to cure any ambiguity, defect or inconsistency in this Indenture or the Notes;
- (2) to comply with Article 5;
- (3) to comply with any requirements of the Commission in connection with the qualification of this Indenture under the Trust Indenture Act;
- (4) to evidence and provide for the acceptance of an appointment hereunder by a successor Trustee;
- (5) to provide for uncertificated Notes in addition to or in place of certificated Notes, *provided* that the uncertificated Notes are issued in registered form for purposes of Section 163(f) of the Code or any successor provision;
- (6) to provide for any Guarantee of the Notes, to secure the Notes or to confirm and evidence the release, termination or discharge of any Guarantee of or Lien securing the Notes when such release, termination or discharge is permitted by this Indenture;
- (7) to provide for or confirm the issuance of Additional Notes;
- (8) to make any other change that does not materially and adversely affect the rights of any Holder; or
- (9) to conform the text of this Indenture or the Notes to any provision of the “Description of Notes” section of the Offering Circular, as certified by an Officer’s Certificate.

Section 9.02. *Amendments With Consent of Holders.* (a) Except as otherwise provided in Sections 6.02, 6.04 and 6.07 or paragraph (b), the Company and the Trustee may amend this Indenture and the Notes with the written consent of the Holders of a majority in principal amount of the outstanding Notes, and the Holders of a majority in principal amount of the outstanding Notes by written notice to the Trustee may waive future compliance by the Company with any provision of this Indenture or the Notes.

(b) Notwithstanding the provisions of paragraph (a), without the consent of each Holder affected, an amendment or waiver may not

- (1) reduce the principal amount of or change the Stated Maturity of any installment of principal of any Note,
- (2) reduce the rate of or change the Stated Maturity of any interest payment on any Note,
- (3) reduce the amount payable upon the redemption of any Note or change the time of any mandatory redemption or, in respect of an optional redemption, the times at which any Note may be redeemed,
- (4) after the time an Offer to Purchase is required to have been made, reduce the purchase amount or purchase price, or extend the latest expiration date or purchase date thereunder,
- (5) make any Note payable in money other than that stated in the Note,
- (6) impair the right of any Holder of Notes to receive any principal payment or interest payment on such Holder's Notes, on or after the Stated Maturity thereof, or to institute suit for the enforcement of any such payment,
- (7) make any change in the percentage of the principal amount of the Notes required for amendments or waivers,
- (8) modify or change any provision of this Indenture affecting the ranking (as to contractual right of payment) of the Notes or any Note Guaranty in a manner adverse to the Holders of the Notes, or
- (9) release any Note Guaranty other than as permitted by this Indenture.

(c) It is not necessary for Noteholders to approve the particular form of any proposed amendment, supplement or waiver, but is sufficient if their consent approves the substance thereof.

(d) An amendment, supplement or waiver under this Section will become effective on receipt by the Trustee of written consents from the Holders of the requisite percentage in principal amount of the outstanding Notes. After an amendment, supplement or waiver under this Section becomes effective, the Company will send to the Holders affected thereby a notice briefly describing the amendment, supplement or waiver. The Company will send supplemental indentures to Holders upon request. Any failure of the Company to send such

notice, or any defect therein, will not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

Section 9.03. *Effect of Consent.* (a) After an amendment, supplement or waiver becomes effective, it will bind every Holder unless it is of the type requiring the consent of each Holder affected. If the amendment, supplement or waiver is of the type requiring the consent of each Holder affected, the amendment, supplement or waiver will bind each Holder that has consented to it and every subsequent Holder of a Note that evidences the same debt as the Note of the consenting Holder.

(b) If an amendment, supplement or waiver changes the terms of a Note, the Trustee may require the Holder to deliver it to the Trustee so that the Trustee may place an appropriate notation of the changed terms on the Note and return it to the Holder, or exchange it for a new Note that reflects the changed terms. The Trustee may also place an appropriate notation on any Note thereafter authenticated. However, the effectiveness of the amendment, supplement or waiver is not affected by any failure to annotate or exchange Notes in this fashion. The Company in exchange for all Notes may issue and the Trustee shall, upon receipt of a certificate of authentication, authenticate new Notes that reflect the amendment, supplement or waiver.

Section 9.04. *Trustee's Rights and Obligations.* The Trustee shall receive, and will be fully protected in conclusively relying upon, an Opinion of Counsel stating that the execution of any amendment, supplement or waiver authorized pursuant to this Article is authorized or permitted by this Indenture and is a legal, valid, and binding obligation enforceable against the Company in accordance with its own terms. If the Trustee has received such an Opinion of Counsel, it shall sign the amendment, supplement or waiver so long as the same does not adversely affect the rights of the Trustee. The Trustee may, but is not obligated to, execute any amendment, supplement or waiver that affects the Trustee's own rights, duties or immunities under this Indenture. The Trustee shall sign any amended or supplemental indenture or Note authorized pursuant to this Article 9 if the amendment or supplement does not adversely affect the rights, duties, liabilities or immunities of the Trustee. In signing any amendment, supplement or waiver or issuing any of the instructions described in the immediately preceding sentence, the Trustee shall be entitled to receive an indemnity reasonably satisfactory to it.

Section 9.05. *Conformity With Trust Indenture Act.* Every supplemental indenture executed pursuant to this Article shall conform to the requirements of the Trust Indenture Act.

ARTICLE 10  
GUARANTIES

Section 10.01. *The Guaranties.* Subject to the provisions of this Article, to the fullest extent permitted by applicable law, each Guarantor hereby irrevocably and unconditionally guarantees, jointly and severally, on an unsecured basis, the full and punctual payment (whether at Stated Maturity, upon redemption, purchase pursuant to an Offer to Purchase or acceleration, or otherwise) of the principal of, premium, if any, and interest on, and all other amounts payable under, each Note, and the full and punctual payment of all other amounts payable by the Company under this Indenture. Upon failure by the Company to pay punctually any such amount, each Guarantor shall forthwith on demand pay the amount not so paid at the place and in the manner specified in this Indenture.

Section 10.02. *Guaranty Unconditional.* The obligations of each Guarantor hereunder are unconditional and absolute and, without limiting the generality of the foregoing, to the fullest extent permitted by applicable law, will not be released, discharged or otherwise affected by

(1) any extension, renewal, settlement, compromise, waiver or release in respect of any obligation of the Company under this Indenture or any Note, by operation of law or otherwise;

(2) any modification or amendment of or supplement to this Indenture or any Note;

(3) any change in the corporate existence, structure or ownership of the Company, or any insolvency, bankruptcy, reorganization or other similar proceeding affecting the Company or its assets or any resulting release or discharge of any obligation of the Company contained in this Indenture or any Note;

(4) the existence of any claim, set-off or other rights which the Guarantor may have at any time against the Company, the Trustee or any other Person, whether in connection with this Indenture or any unrelated transactions, *provided* that nothing herein prevents the assertion of any such claim by separate suit or compulsory counterclaim;

(5) any invalidity or unenforceability relating to or against the Company for any reason of this Indenture or any Note, or any provision of applicable law or regulation purporting to prohibit the payment by the Company of the principal of or interest on any Note or any other amount payable by the Company under this Indenture; or

(6) any other act or omission to act or delay of any kind by the Company, the Trustee or any other Person or any other circumstance

whatsoever which might, but for the provisions of this paragraph, constitute a legal or equitable discharge of or defense to such Guarantor's obligations hereunder.

Section 10.03. *Discharge; Reinstatement.* Each Guarantor's obligations hereunder will remain in full force and effect until the principal of, premium, if any, and interest on the Notes and all other amounts payable by the Company under this Indenture have been paid in full. If at any time any payment of the principal of, premium, if any, or interest on any Note or any other amount payable by the Company under this Indenture is rescinded or must be otherwise restored or returned upon the insolvency, bankruptcy or reorganization of the Company or otherwise, each Guarantor's obligations hereunder with respect to such payment will be reinstated as though such payment had been due but not made at such time.

Section 10.04. *Waiver by the Guarantors.* To the fullest extent permitted by applicable law, each Guarantor irrevocably waives acceptance hereof, presentment, demand, protest and any notice not provided for herein, as well as any requirement that at any time any action be taken by any Person against the Company or any other Person.

Section 10.05. *Subrogation and Contribution.* Upon making any payment with respect to any obligation of the Company under this Article, the Guarantor making such payment will be subrogated to the rights of the payee against the Company with respect to such obligation, *provided* that the Guarantor may not enforce either any right of subrogation, or any right to receive payment in the nature of contribution, or otherwise, from any other Guarantor, with respect to such payment so long as any amount payable by the Company hereunder or under the Notes remains unpaid.

Section 10.06. *Stay of Acceleration.* If acceleration of the time for payment of any amount payable by the Company under this Indenture or the Notes is stayed upon the insolvency, bankruptcy or reorganization of the Company, all such amounts otherwise subject to acceleration under the terms of this Indenture are nonetheless payable by the Guarantors hereunder forthwith on demand by the Trustee or the Holders.

Section 10.07. *Limitation on Amount of Guaranty.* Notwithstanding anything to the contrary in this Article, each Guarantor, and by its acceptance of Notes, each Holder, hereby confirms that it is the intention of all such parties that the Note Guaranty of such Guarantor not constitute a fraudulent conveyance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of state law. To effectuate that intention, the Trustee, the Holders and the Guarantors hereby irrevocably agree that the obligations of each Guarantor under its Note Guaranty are limited to the maximum amount that would not render the Guarantor's obligations subject to

avoidance under applicable fraudulent conveyance provisions of the United States Bankruptcy Code or any comparable provision of state law.

Section 10.08. *Execution and Delivery of Guaranty.* The execution by each Guarantor of a supplemental indenture (substantially in the form of Exhibit B) will evidence the Note Guaranty of such Guarantor, whether or not the person signing as an officer of the Guarantor still holds that office at the time of authentication of any Note. The delivery of any Note by the Trustee after authentication constitutes due delivery of the Note Guaranty set forth in this Indenture on behalf of each Guarantor.

Section 10.09. *Release of Guaranty.* The Note Guaranty of a Guarantor will terminate automatically upon

- (1) a sale, transfer or other disposition (including by way of consolidation or merger) of the Guarantor or the sale or disposition of all or substantially all the assets of the Guarantor (in each case other than to the Company or a Subsidiary) not prohibited by this Indenture;
- (2) a Guarantor ceases to guarantee any Debt of the Company (other than the Notes); or
- (3) defeasance or discharge of the Notes, as provided in Article 8.

Upon delivery by the Company to the Trustee of an Officer's Certificate and an Opinion of Counsel to the foregoing effect, the Trustee will execute any documents reasonably required in order to evidence the release of the Guarantor from its obligations under its Note Guaranty.

#### ARTICLE 11 MISCELLANEOUS

Section 11.01. *Trust Indenture Act of 1939.* This Indenture shall incorporate and be governed by the provisions of the Trust Indenture Act that are required to be part of and to govern indentures qualified under the Trust Indenture Act.

Section 11.02. *Noteholder Communications; Noteholder Actions.* (a) The rights of Holders to communicate with other Holders with respect to this Indenture or the Notes are as provided by the Trust Indenture Act, and the Company and the Trustee shall comply with the requirements of Trust Indenture Act Sections 312(a) and 312(b). Neither the Company nor the Trustee will be held accountable by reason of any disclosure of information as to names and addresses of Holders made pursuant to the Trust Indenture Act.

(b) (1) Any request, demand, authorization, direction, notice, consent to amendment, supplement or waiver or other action provided by this Indenture to be given or taken by a Holder (an “act”) may be evidenced by an instrument signed by the Holder delivered to the Trustee. The fact and date of the execution of the instrument, or the authority of the person executing it, may be proved in any manner that the Trustee deems sufficient.

(2) The Trustee may make reasonable rules for action by or at a meeting of Holders, which will be binding on all the Holders.

(c) Any act by the Holder of any Note binds that Holder and every subsequent Holder of a Note that evidences the same debt as the Note of the acting Holder, even if no notation thereof appears on the Note. Subject to paragraph (d), a Holder may revoke an act as to its Notes, but only if the Trustee receives the notice of revocation before the date the amendment or waiver or other consequence of the act becomes effective.

(d) The Company may, but is not obligated to, fix a record date (which need not be within the time limits otherwise prescribed by Trust Indenture Act Section 316(c)) for the purpose of determining the Holders entitled to act with respect to any amendment or waiver or in any other regard, except that during the continuance of an Event of Default, only the Trustee may set a record date as to notices of default, any declaration or acceleration or any other remedies or other consequences of the Event of Default. If a record date is fixed, those Persons that were Holders at such record date and only those Persons will be entitled to act, or to revoke any previous act, whether or not those Persons continue to be Holders after the record date. No act will be valid or effective for more than 90 days after the record date.

Section 11.03. *Notices.* (a) Any notice or communication to the Company will be deemed given if in writing (i) when delivered in person or (ii) five days after mailing when mailed by first class mail, or (iii) when sent by facsimile or other electronic transmission, with transmission confirmed. Notices or communications to a Guarantor will be deemed given if given to the Company. Any notice to the Trustee will be effective only upon receipt. In each case the notice or communication should be addressed as follows:

The Company or the Trustee by notice to the other may designate additional or different addresses for subsequent notices or communications.

(b) Except as otherwise expressly provided with respect to published notices, any notice or communication to a Holder will be deemed given when mailed to the Holder at its address as it appears on the Register by first class mail or delivered electronically or, as to any Global Note registered in the name of DTC or its nominee, as agreed by the Company, the Trustee and DTC. Copies of any notice or communication to a Holder, if given by the Company, will be mailed to the Trustee at the same time. Defect in mailing a notice or communication to any particular Holder will not affect its sufficiency with respect to other Holders.

(c) Where this Indenture provides for notice, the notice may be waived in writing by the Person entitled to receive such notice, either before or after the event, and the waiver will be the equivalent of the notice. Waivers of notice by Holders must be filed with the Trustee, but such filing is not a condition precedent to the validity of any action taken in reliance upon such waivers.

Section 11.04. *Certificate and Opinion as to Conditions Precedent.* Upon any request or application by the Company to the Trustee to take any action under this Indenture, the Company will furnish to the Trustee:

- (1) an Officer's Certificate stating that, in the opinion of the signers, all conditions precedent, if any, provided for in this Indenture relating to the proposed action have been complied with; and
- (2) an Opinion of Counsel stating that all such conditions precedent have been complied with.

Section 11.05. *Statements Required in Certificate or Opinion.* Each certificate or opinion with respect to compliance with a condition or covenant provided for in this Indenture must include:

- (1) a statement that each person signing the certificate or opinion has read the covenant or condition and the related definitions;

(2) a brief statement as to the nature and scope of the examination or investigation upon which the statement or opinion contained in the certificate or opinion is based;

(3) a statement that, in the opinion of each such person, that person has made such examination or investigation as is necessary to enable the person to express an informed opinion as to whether or not such covenant or condition has been complied with; and

(4) a statement as to whether or not, in the opinion of each such person, such condition or covenant has been complied with, *provided* that an Opinion of Counsel may rely on an Officer's Certificate or certificates of public officials with respect to matters of fact.

Section 11.06. *Payment Date Other Than a Business Day.* If any payment with respect to a payment of any principal of, premium, if any, or interest on any Note (including any payment to be made on any date fixed for redemption or purchase of any Note) is due on a day which is not a Business Day, then the payment need not be made on such date, but may be made on the next Business Day with the same force and effect as if made on such date, and no interest will accrue for the intervening period.

Section 11.07. *Governing Law; Submission to Jurisdiction; Waiver of Jury Trial.* This Indenture, including any Note Guaranties, and the Notes shall be governed by, and construed in accordance with, the laws of the State of New York, without regard to conflicts of laws, principles thereof. Each of the Company and any Guarantor irrevocably (i) agrees that any legal suit, action or proceeding against the Company or any Guarantor brought by any Holder arising out of or based upon this Indenture may be instituted in any United States federal court or New York State court located in the Borough of Manhattan in The City of New York (a "**New York Court**"), (ii) waives, to the fullest extent it may effectively do so, any objection which it may now or hereafter have to the laying of venue of any such proceeding and (iii) submits to the non-exclusive jurisdiction of a New York Court in any such suit, action or proceeding. EACH OF THE COMPANY AND THE TRUSTEE HEREBY IRREVOCABLY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY AND ALL RIGHT TO TRIAL BY JURY IN ANY LEGAL PROCEEDING ARISING OUT OF OR RELATING TO THIS INDENTURE, THE NOTES OR THE TRANSACTION CONTEMPLATED HEREBY.

Section 11.08. *No Adverse Interpretation of Other Agreements.* This Indenture may not be used to interpret another indenture or loan or debt agreement of the Company or any Subsidiary of the Company, and no such indenture or loan or debt agreement may be used to interpret this Indenture.

Section 11.09. *Successors*. All agreements of the Company or any Guarantor in this Indenture and the Notes will bind its successors. All agreements of the Trustee in this Indenture will bind its successor.

Section 11.10. *Duplicate Originals*. The parties may sign any number of copies of this Indenture or any supplemental indenture. Each signed copy shall be an original, but all of them together represent the same agreement. The exchange of copies of this Indenture or any supplemental indenture and of signature pages by facsimile or PDF transmission shall constitute effective execution and delivery of this Indenture or any supplemental indenture as to the parties hereto and may be used in lieu of the original Indenture or any supplemental indenture for all purposes. Signatures of the parties hereto transmitted by facsimile or PDF shall be deemed to be their original signatures for all purposes.

Section 11.11. *Separability*. In case any provision in this Indenture or in the Notes is invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions will not in any way be affected or impaired thereby.

Section 11.12. *Table of Contents and Headings*. The Table of Contents, Cross-Reference Table and headings of the Articles and Sections of this Indenture have been inserted for convenience of reference only, are not to be considered a part of this Indenture and in no way modify or restrict any of the terms and provisions of this Indenture.

Section 11.13. *No Liability of Directors, Officers, Employees, Incorporators, Members and Stockholders*. No director, officer, employee, incorporator, member, stockholder or controlling person of the Company or any Guarantor, as such, will have any liability for any obligations of the Company or such Guarantor under the Notes, any Note Guaranty or this Indenture or for any claim based on, in respect of, or by reason of, such obligations or their creation. Each Holder of Notes by accepting a Note waives and releases all such liability. The waiver and release are part of the consideration for issuance of the Notes.

Section 11.14. *U.S.A. Patriot Act*. The parties hereto acknowledge that in accordance with Section 326 of the U.S.A. Patriot Act, the Trustee, like all financial institutions and in order to help fight the funding of terrorism and money laundering, is required to obtain, verify, and record information that identifies each person or legal entity that establishes a relationship or opens an account with the Trustee. The parties to this Indenture agree that they will provide the Trustee with such information as it may request in order for the Trustee to satisfy the requirements of the U.S.A. Patriot Act.

Section 11.15. *Force Majeure*. In no event shall the Trustee be responsible or liable for any failure or delay in the performance of its obligations hereunder arising out of or caused by, directly or indirectly, forces beyond its control, including, without limitation, strikes, work stoppages, accidents, acts of

war or terrorism, civil or military disturbances, nuclear or natural catastrophes or acts of God, and interruptions, loss or malfunctions of utilities, communications or computer (software and hardware) services; it being understood that the Trustee shall use reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as practicable under the circumstances.

Section 11.16. *Benefits of Indenture.* Nothing in this Indenture, express or implied, shall give to any Person, other than the parties hereto and their successors thereunder, any Paying Agent and the Holders, any benefit or any legal or equitable right, remedy or claim under this Indenture.

Section 11.17. *Rules by Trustee and Agents.* The Trustee may make reasonable rules for action by or at a meeting of Holders. The Registrar or Paying Agent may make reasonable rules and set reasonable requirements for its function.

## 2. *Indentures*

This is one of the Notes issued under an Indenture dated as of January 21, 2014 (as amended from time to time, the “**Indenture**”), between the Company and Wells Fargo Bank, National Association, as Trustee. Capitalized terms used herein are used as defined in the Indenture unless otherwise indicated. The terms of the Notes include those stated in the Indenture and those made part of the Indenture by reference to the Trust Indenture Act. The Notes are subject to all such terms, and Holders are referred to the Indenture and the Trust Indenture Act for a statement of all such terms. To the extent permitted by applicable law, in the event of any inconsistency between the terms of this Note and the terms of the Indenture, the terms of the Indenture will control.

The Notes are unsecured unsubordinated obligations of the Company, ranking equally in right of payment with all existing and future unsubordinated Debt of the Company. The Indenture limits the original aggregate principal amount of the Notes to \$200,000,000, but Additional Notes may be issued pursuant to the Indenture, and the originally issued Notes and all such Additional Notes vote together for all purposes as a single class.

## 3. *Redemption and Repurchase; Discharge Prior to Redemption or Maturity.*

This Note is subject to optional redemption, and may be the subject of an Offer to Purchase, as further described in the Indenture. There is no sinking fund or mandatory redemption applicable to this Note.

If the Company deposits with the Trustee money or U.S. Government Obligations sufficient to pay the then outstanding principal of, premium, if any, and accrued interest on the Notes to redemption or maturity, the Company may in certain circumstances be discharged from the Indenture and the Notes or may be discharged from certain of its obligations under certain provisions of the Indenture.

## 4. *Registered Form; Denominations; Transfer; Exchange.*

The Notes are in registered form without coupons in denominations of \$2,000 principal amount and any multiple of \$1,000 in excess thereof; *provided* that Notes may be issued in denominations of less than \$2,000 solely to accommodate book-entry positions that have been created by a DTC participant in denominations of less than \$2,000. A Holder may register the transfer or

exchange of Notes in accordance with the Indenture. The Trustee may require a Holder to furnish appropriate endorsements and transfer documents and to pay any taxes and fees required by law or permitted by the Indenture. Pursuant to the Indenture, there are certain periods during which the Trustee will not be required to issue, register the transfer of or exchange any Note or certain portions of a Note.

5. *Defaults and Remedies.*

If an Event of Default, as defined in the Indenture, occurs and is continuing, the Trustee or the Holders of at least 25% in principal amount of the Notes may declare all the Notes to be due and payable. If a bankruptcy or insolvency default with respect to the Company occurs and is continuing, the Notes automatically become due and payable. Holders may not enforce the Indenture or the Notes except as provided in the Indenture. The Trustee may require indemnity satisfactory to it before it enforces the Indenture or the Notes. Subject to certain limitations, Holders of a majority in principal amount of the Notes then outstanding may direct the Trustee in its exercise of remedies.

6. *Amendment and Waiver.*

Subject to certain exceptions, the Indenture and the Notes may be amended, or default may be waived, with the consent of the Holders of a majority in principal amount of the outstanding Notes. Without notice to or the consent of any Holder, the Company and the Trustee may amend or supplement the Indenture or the Notes to, among other things, cure any ambiguity, defect or inconsistency if such amendment or supplement does not adversely affect the interests of the Holders in any material respect.

Dear Sirs:

Harbinger Group Inc., a Delaware corporation (the “**Company**”), proposes to issue and sell to Credit Suisse Securities (USA) LLC, Deutsche Bank Securities Inc. and Jefferies LLC (collectively, the “**Purchasers**”), upon the terms set forth in the purchase agreement dated as of January 15, 2013 (the “**Purchase Agreement**”), U.S. \$200,000,000 aggregate principal amount of its 7.750% Senior Notes due 2022 (the “**Offered Securities**”). The Offered Securities will be issued pursuant to an Indenture, dated as of January 21, 2014 (the “**Indenture**”), between the Company and Wells Fargo Bank, National Association (the “**Trustee**”). As an inducement to the Purchasers, the Company agrees with the Purchasers, for the benefit of the holders of the Offered Securities (including, without limitation, the Purchasers), the Exchange Securities (as defined below) and the Private Exchange Securities (as defined below) (collectively the “**Holder**s”), as follows:

1. *Registered Exchange Offer.* Unless not permitted by applicable law, the Company shall, at its own cost, prepare and, not later than 350 days (or if the 350<sup>th</sup> day is not a business day, the first business day thereafter) after the date of delivery of the Offered Securities (the “**Delivery Date**”), file with the Securities and Exchange Commission (the “**Commission**”) a registration statement (the “**Exchange Offer Registration Statement**”) on an appropriate form under the Securities Act of 1933, as amended (the “**Securities Act**”), with respect to a proposed offer (the “**Registered Exchange Offer**”) to the Holders of Transfer Restricted Securities (as defined in Section 6(d) hereof), who are not prohibited by any law or

policy of the Commission from participating in the Registered Exchange Offer, to issue and deliver to such Holders, in exchange for the Offered Securities, a like aggregate principal amount of debt securities of the Company issued under the Indenture and identical in all material respects to the Offered Securities (except for the removal of transfer restrictions relating to the Offered Securities and the provisions relating to the matters described in Section 6 hereof) (the “**Exchange Securities**”). The Company shall use its commercially reasonable efforts to cause such Exchange Offer Registration Statement to become effective under the Securities Act within 410 days (or if the 410th day is not a business day, the first business day thereafter) after the Delivery Date (an “effectiveness deadline”) of the Offered Securities and shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement effective for not less than 20 business days (or longer, if required by applicable law) after the date notice of the Registered Exchange Offer is mailed to the Holders (such period being called the “**Exchange Offer Registration Period**”).

If the Company commences the Registered Exchange Offer, the Company (i) will be entitled to close the Registered Exchange Offer 20 business days after such commencement provided that the Company has accepted all the Offered Securities theretofore validly tendered in accordance with the terms of the Registered Exchange Offer and (ii) shall use commercially reasonable efforts to consummate the Registered Exchange Offer no later than 40 days (or longer if required by applicable law) after the date on which the Exchange Offer Registration Statement is declared effective (or if the 40th day is not a business day, the first business day thereafter) (such 40th day (or first business day thereafter) being the “**Consummation Deadline**”).

Following the declaration of the effectiveness of the Exchange Offer Registration Statement, the Company shall promptly commence the Registered Exchange Offer, it being the objective of such Registered Exchange Offer to enable each Holder of Transfer Restricted Securities electing to exchange the Offered Securities for Exchange Securities (assuming that such Holder is not an affiliate of the Company within the meaning of the Securities Act (or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable), acquires the Exchange Securities in the ordinary course of such Holder’s business, is not a broker-dealer tendering Offered Securities acquired directly from the Company for its own account and is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in the distribution of the Exchange Securities and is not prohibited by any law or policy of the Commission from participating in the Registered Exchange Offer) to trade such Exchange Securities from and after their receipt without any limitations or restrictions under the Securities Act and without material restrictions under the securities laws of the several states of the United States.

The Company acknowledges that, pursuant to current interpretations by the Commission’s staff of Section 5 of the Securities Act, in the absence of an applicable exemption therefrom, (i) each Holder which is a broker-dealer electing to exchange Offered Securities, acquired for its own account as a result of market making activities or other trading activities, for Exchange Securities (an “**Exchanging Dealer**”), is required to deliver a prospectus containing the information set forth in (a) Annex A hereto on the cover, (b) Annex B hereto in the “Exchange Offer Procedures” section and the “Purpose of the Exchange Offer” section, and (c) Annex C hereto in the “Plan of Distribution” section of such prospectus in connection with a sale of any such Exchange Securities received by such Exchanging Dealer pursuant to the Registered Exchange Offer and (ii) if a Purchaser elects to sell Exchange Securities acquired in exchange for Offered Securities constituting any portion of an unsold allotment, it is required to deliver a prospectus containing the information required by Items 507 or 508 of Regulation S-K under the Securities Act, as applicable, in connection with such sale.

The Company shall use its commercially reasonable efforts to keep the Exchange Offer Registration Statement effective and to amend and supplement the prospectus contained therein, in order to permit such prospectus to be lawfully delivered by all persons subject to the prospectus delivery

requirements of the Securities Act for such period of time as such persons must comply with such requirements in order to resell the Exchange Securities; provided, however, that (i) in the case where such prospectus and any amendment or supplement thereto must be delivered by an Exchanging Dealer or a Purchaser, such period shall be the lesser of 180 days and the date on which all Exchanging Dealers and the Purchasers have sold all Exchange Securities held by them (unless such period is extended pursuant to Section 3(j) below) and (ii) the Company shall make such prospectus and any amendment or supplement thereto, available to any broker-dealer for use in connection with any resale of any Exchange Securities for a period of not less than 90 days after the consummation of the Registered Exchange Offer.

If, upon consummation of the Registered Exchange Offer, any Purchaser holds Offered Securities acquired by it as part of its initial distribution, the Company, simultaneously with the delivery of the Exchange Securities pursuant to the Registered Exchange Offer, shall issue and deliver to such Purchaser upon the written request of such Purchaser, in exchange (the “**Private Exchange**”) for the Offered Securities held by such Purchaser, a like principal amount of debt securities of the Company issued under the Indenture and identical in all material respects (including the existence of restrictions on transfer under the Securities Act and the securities laws of the several states of the United States, but excluding provisions relating to the matters described in Section 6 hereof) to the Offered Securities (the “**Private Exchange Securities**”). The Offered Securities, the Exchange Securities and the Private Exchange Securities are herein collectively called the “**Securities**.”

In connection with the Registered Exchange Offer, the Company shall:

(a) mail or otherwise furnish to each Holder a copy of the prospectus forming part of the Exchange Offer Registration Statement, together with an appropriate letter of transmittal and related documents;

(b) keep the Registered Exchange Offer open for not less than 20 business days (or longer, if required by applicable law) after the date notice thereof is mailed to the Holders;

(c) utilize the services of a depository for the Registered Exchange Offer with an address in the Borough of Manhattan, The City of New York, which may be the Trustee or an affiliate of the Trustee;

(d) permit Holders to withdraw tendered Securities at any time prior to the close of business, New York time, on the last business day on which the Registered Exchange Offer shall remain open; and

(e) otherwise comply with all applicable laws in all material respects.

As soon as practicable after the close of the Registered Exchange Offer or the Private Exchange, as the case may be, the Company shall:

(x) accept for exchange all the Securities validly tendered and not withdrawn pursuant to the Registered Exchange Offer and the Private Exchange;

(y) deliver to the Trustee for cancellation all the Offered Securities so accepted for exchange; and

(z) cause the Trustee to authenticate and deliver promptly to each Holder of the Offered Securities, Exchange Securities or Private Exchange Securities, as the case may be, equal in principal amount to the Offered Securities of such Holder so accepted for exchange.

The Indenture provides that the Exchange Securities will not be subject to the transfer restrictions set forth in the Indenture and that all the Securities will vote and consent together on all matters as one class and that none of the Securities will have the right to vote or consent as a class separate from one another on any matter.

Interest on each Exchange Security and Private Exchange Security issued pursuant to the Registered Exchange Offer and in the Private Exchange will accrue from the last interest payment date on which interest was paid on the Offered Securities surrendered in exchange therefor or, if no interest has been paid on the Offered Securities, from the Delivery Date.

Each Holder participating in the Registered Exchange Offer shall be required to represent to the Company that at the time of the consummation of the Registered Exchange Offer (i) any Exchange Securities received by such Holder will be acquired in the ordinary course of business, (ii) such Holder is not engaged in, and does not intend to engage in, and has no arrangement or understanding with any person to participate in the distribution of the Offered Securities or the Exchange Securities within the meaning of the Securities Act, (iii) such Holder is not an “affiliate,” as defined in Rule 405 of the Securities Act, of the Company (or if it is an affiliate, it will comply with the registration and prospectus delivery requirements of the Securities Act to the extent applicable) or a broker-dealer tendering Offered Securities acquired directly from the Company for its own account and (iv) if such Holder is a broker-dealer, that it will receive Exchange Securities for its own account in exchange for Offered Securities that were acquired as a result of market-making activities or other trading activities and that it acknowledges its obligations to deliver a prospectus in connection with any resale of such Exchange Securities.

Notwithstanding any other provisions hereof, the Company will ensure that (i) any Exchange Offer Registration Statement and any amendment thereto and any prospectus forming part thereof and any supplement thereto complies in all material respects with the Securities Act and the rules and regulations thereunder, (ii) any Exchange Offer Registration Statement and any amendment thereto does not, when it becomes effective, contain an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary to make the statements therein not misleading and (iii) any prospectus forming part of any Exchange Offer Registration Statement, and any supplement to such prospectus, does not include an untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading.

2. *Shelf Registration.* If, (i) because of any change in law or in applicable interpretations thereof by the staff of the Commission, the Company is not permitted to effect a Registered Exchange Offer, as contemplated by Section 1 hereof, (ii) the Registered Exchange Offer is not consummated within 450 days after the Delivery Date (or if the 450th day is not a business day, the first business day thereafter), (iii) any Purchaser so requests with respect to the Offered Securities (or the Private Exchange Securities) held by it that are not eligible to be exchanged for Exchange Securities in the Registered Exchange Offer and held by it following consummation of the Registered Exchange Offer or (iv) any Holder (other than an Exchanging Dealer) is prohibited by law or Commission policy from participating in the Registered Exchange Offer or any Holder (other than an Exchanging Dealer) that participates in the Registered Exchange Offer does not receive freely tradeable Exchange Securities on the date of the exchange and, in each case, such Holder so requests, the Company shall take the following actions:

(a) The Company shall, at its cost, within 60 days after so required or requested pursuant to this Section 2 file with the Commission and thereafter shall use its commercially reasonable efforts to cause to be declared effective (unless it becomes effective automatically upon filing) no later than 150 days after such requirement or request pursuant to this Section 2 (such 150th day (or first business day thereafter), an “effectiveness deadline”) a registration statement (the “**Shelf Registration Statement**” and, together with the Exchange Offer Registration Statement, a

“**Registration Statement**”) on an appropriate form under the Securities Act relating to the offer and sale of the Transfer Restricted Securities (as defined in Section 6(d) hereof) by the Holders thereof from time to time in accordance with the methods of distribution set forth in the Shelf Registration Statement and Rule 415 under the Securities Act (hereinafter, the “**Shelf Registration**”); provided, however, that no Holder (other than a Purchaser) shall be entitled to have the Securities held by it covered by such Shelf Registration Statement unless such Holder agrees in writing to be bound by all the provisions of this Registration Rights Agreement (the “**Agreement**”) applicable to such Holder; provided, further, that in no event shall the Company be required to file the Shelf Registration Statement or have such Shelf Registration Statement declared effective prior to the applicable deadlines for the Exchange Offer Registration Statement.

(b) The Company shall use its commercially reasonable efforts to keep the Shelf Registration Statement continuously effective until the earlier of (i) the date on which all Offered Securities registered thereunder are disposed of in accordance therewith and (ii) the time when the Offered Securities covered by the Shelf Registration Statement are no longer restricted securities (as defined in Rule 144 under the Securities Act, or any successor rule thereof (“**Rule 144**”)) or may be sold by a holder who is not an affiliate of the Company pursuant to Rule 144 without limitation (the “**Shelf Registration Period**”). The Company shall be deemed not to have used its commercially reasonable efforts to keep the Shelf Registration Statement effective during the requisite period if it voluntarily takes any action that would result in Holders of Securities covered thereby not being able to offer and sell such Securities during that period, unless such action is required by applicable law.

(c) Notwithstanding any other provisions of this Agreement to the contrary, the Company shall cause the Shelf Registration Statement and the related prospectus and any amendment or supplement thereto, as of its respective effective date, (i) to comply in all material respects with the applicable requirements of the Securities Act and the rules and regulations of the Commission and (ii) not to contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in light of the circumstances under which they were made, not misleading.

3. *Registration Procedures.* In connection with any Shelf Registration contemplated by Section 2 hereof and, to the extent applicable, any Registered Exchange Offer contemplated by Section 1 hereof, the following provisions shall apply:

(a) The Company shall (i) furnish to each Purchaser, prior to the filing thereof with the Commission, a copy of the Registration Statement and each amendment thereof and each supplement, if any, to the prospectus included therein and, in the event that a Purchaser (with respect to any portion of an unsold allotment from the original offering) is participating in the Registered Exchange Offer or the Shelf Registration Statement, the Company shall use its commercially reasonable efforts to reflect in each such document, when so filed with the Commission, such comments as such Purchaser reasonably may propose in a timely manner; (ii) include the information set forth in Annex A hereto on the cover, in Annex B hereto in the “Exchange Offer Procedures” section and the “Purpose of the Exchange Offer” section and in Annex C hereto in the “Plan of Distribution” section of the prospectus forming a part of the Exchange Offer Registration Statement and include the information set forth in Annex D hereto in the Letter of Transmittal delivered pursuant to the Registered Exchange Offer; (iii) if requested by a Purchaser, include the information required by Items 507 or 508 of Regulation S-K under the Securities Act, as applicable, in the prospectus forming a part of the Exchange Offer Registration Statement; (iv) include within the prospectus contained in the Exchange Offer Registration Statement a section entitled “Plan of Distribution,” reasonably acceptable to the Purchasers, which shall contain a summary statement of the positions taken or policies made by the staff of the

Commission with respect to the potential “underwriter” status of any broker-dealer that is the beneficial owner (as defined in Rule 13d-3 under the Securities Exchange Act of 1934, as amended (the “**Exchange Act**”)) of Exchange Securities received by such broker-dealer in the Registered Exchange Offer (a “**Participating Broker-Dealer**”), whether such positions or policies have been publicly disseminated by the staff of the Commission or such positions or policies, in the reasonable judgment of the Purchasers, based upon advice of counsel (which may be in-house counsel), represent the prevailing views of the staff of the Commission; and (v) in the case of a Shelf Registration Statement, include in the prospectus included in the Shelf Registration Statement (or, if permitted by Rule 430B(b) of the Securities Act, in a prospectus supplement that becomes a part thereof pursuant to Rule 430B(f) of the Securities Act) that is delivered to any Holder pursuant to Section 3(d) and (f), the names of the Holders, who propose to sell Securities pursuant to the Shelf Registration Statement, as selling security holders; provided that such Holders have provided the Company with such information in a timely manner prior to the filing of the Shelf Registration Statement or the prospectus supplement, as applicable.

(b) The Company shall give written notice to the Purchasers, the Holders of the Securities and any Participating Broker-Dealer from whom the Company has received prior written notice that it will be a Participating Broker-Dealer in the Registered Exchange Offer (which notice pursuant to clauses (ii)-(v) hereof shall be accompanied by an instruction to suspend the use of the prospectus until the requisite changes have been made):

(i) when the Registration Statement or any amendment thereto has been filed with the Commission and when the Registration Statement or any post-effective amendment thereto has become effective;

(ii) of any request by the Commission for amendments or supplements to the Registration Statement or the prospectus included therein or for additional information;

(iii) of the issuance by the Commission of any stop order suspending the effectiveness of the Registration Statement or the initiation of any proceedings for that purpose, of the issuance by the Commission of a notification of objection to the use of the form on which the Registration Statement has been filed, and of the happening of any event that causes the Company to become an “ineligible issuer,” as defined in Rule 405 of the Securities Act;

(iv) of the receipt by the Company or its legal counsel of any notification with respect to the suspension of the qualification of the Securities for sale in any jurisdiction or the initiation or threatening of any proceeding for such purpose; and

(v) of the happening of any event that requires the Company to make changes in the Registration Statement or the prospectus in order that the Registration Statement or the prospectus do not contain an untrue statement of a material fact nor omit to state a material fact required to be stated therein or necessary to make the statements therein (in the case of the prospectus, in light of the circumstances under which they were made) not misleading.

(c) The Company shall use its commercially reasonable efforts to obtain the withdrawal at the earliest possible time, of any order suspending the effectiveness of the Registration Statement.

(d) If not otherwise available on the Commission’s Electronic Data Gathering, Analysis and Retrieval system (“**EDGAR**”), upon the written request of a Holder of Securities included

within the coverage of the Shelf Registration, the Company shall furnish, without charge, at least one copy of the Shelf Registration Statement and any post-effective amendment or supplement thereto, including financial statements and schedules, and, if such Holder so requests in writing, all exhibits thereto (including those, if any, incorporated by reference). The Company shall not, without the prior consent of the Purchasers, make any offer relating to the Securities that would constitute a “free writing prospectus,” as defined in Rule 405 of the Securities Act. Each Purchaser, each Holder of Securities and each Participating Broker Dealer shall not take any action that would result in the Company being required to file with the Commission a free writing prospectus prepared by or on behalf of such Purchaser, such Holder of Securities or such Participating Broker Dealer that otherwise would not be required to be filed by the Company thereunder, but for the action of such Purchaser, such Holder of Securities or such Participating Broker Dealer.

(e) If not otherwise available on EDGAR, upon the written request of any Holder of Securities, any Purchaser or any Exchanging Dealer, the Company shall deliver to each Exchanging Dealer and/or such Purchaser, and to any other Holder who so requests, without charge, at least one copy of the Exchange Offer Registration Statement and any post-effective amendment thereto, including financial statements and schedules, and, if any Purchaser or any such Holder requests, all exhibits thereto (including those incorporated by reference).

(f) The Company shall, during the Shelf Registration Period, deliver to each Holder of Securities included within the coverage of the Shelf Registration, without charge, as many copies of the prospectus (including each preliminary prospectus) included in the Shelf Registration Statement and any amendment or supplement thereto as such person may reasonably request. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by each of the selling Holders of the Securities in connection with the offering and sale of the Securities covered by the prospectus, or any amendment or supplement thereto, included in the Shelf Registration Statement.

(g) The Company shall deliver to each Purchaser, any Exchanging Dealer, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer, without charge, as many copies of the final prospectus included in the Exchange Offer Registration Statement and any amendment or supplement thereto as such persons may reasonably request. The Company consents, subject to the provisions of this Agreement, to the use of the prospectus or any amendment or supplement thereto by any Purchaser, if necessary, any Participating Broker-Dealer and such other persons required to deliver a prospectus following the Registered Exchange Offer in connection with the offering and sale of the Exchange Securities covered by the prospectus, or any amendment or supplement thereto, included in such Exchange Offer Registration Statement.

(h) Prior to any public offering of the Securities, pursuant to any Registration Statement, the Company shall use its commercially reasonable efforts to register or qualify or cooperate with the Holders of the Securities included therein and their respective counsel in connection with the registration or qualification of the Securities for offer and sale under the securities or “blue sky” laws of such states of the United States as any Holder of the Securities reasonably requests in writing and do any and all other acts or things necessary or advisable to enable the offer and sale in such jurisdictions of the Securities covered by such Registration Statement; provided, however, that the Company shall not be required to (i) qualify generally to do business in any jurisdiction where it is not then so qualified or (ii) take any action which would subject it to general service of process or to taxation in any jurisdiction where it is not then so subject.

(i) The Company shall cooperate with the Holders of the Securities to facilitate the timely preparation and delivery of certificates representing the Securities to be sold pursuant to any Registration Statement free of any restrictive legends and in such denominations and registered in such names as the Holders may request a reasonable period of time prior to sales of the Securities pursuant to such Registration Statement.

(j) Upon the occurrence of any event contemplated by paragraphs (ii) through (v) of Section 3(b) above during the period for which the Company is required to maintain an effective Registration Statement, the Company shall promptly prepare and file a post-effective amendment to the Registration Statement or a supplement to the related prospectus and any other required document so that, as thereafter delivered to Holders of the Securities or purchasers of Securities, the prospectus will not contain an untrue statement of a material fact or omit to state any material fact required to be stated therein or necessary to make the statements therein, in light of the circumstances under which they were made, not misleading. If the Company notifies the Purchasers, the Holders of the Securities and any known Participating Broker-Dealer in accordance with paragraphs (ii) through (v) of Section 3(b) above to suspend the use of the prospectus until the requisite changes to the prospectus have been made, then the Purchasers, the Holders of the Securities and any such Participating Broker-Dealers shall suspend use of such prospectus (and shall keep confidential the cause of such notice for so long as the cause is not otherwise publicly known), and the period of effectiveness of the Shelf Registration Statement provided for in Section 2(b) above and the Exchange Offer Registration Statement provided for in Section 1 above shall be extended by the number of days from and including the date of the giving of such notice to and including the date when the Purchasers, the Holders of the Securities and any known Participating Broker-Dealer shall have received such amended or supplemented prospectus pursuant to this Section 3(j). Each Holder receiving a notice pursuant to clauses (ii) through (v) of Section 3(b) hereby agrees that (unless prohibited by applicable law or applicable document retention policy) it will either (i) destroy all prospectuses, other than permanent file copies, then in such Holder's possession which have been replaced by the Company with more recently dated prospectuses or (ii) deliver to the Company all copies, other than permanent file copies, then in such Holder's possession of the prospectus covering such Securities that was current at the time of receipt of such notice.

(k) Not later than the effective date of the applicable Registration Statement, the Company will provide a CUSIP number for the Offered Securities, the Exchange Securities or the Private Exchange Securities, as the case may be, and provide the applicable trustee with printed certificates for the Offered Securities, the Exchange Securities or the Private Exchange Securities, as the case may be, in a form eligible for deposit with The Depository Trust Company.

(l) The Company will comply in all material respects with all rules and regulations of the Commission to the extent and so long as they are applicable to the Registered Exchange Offer or the Shelf Registration and will make generally available to its security holders (or otherwise provide in accordance with Section 11(a) of the Securities Act) an earnings statement satisfying the provisions of Section 11(a) of the Securities Act, no later than 45 days after the end of a 12-month period (or 90 days, if such period is a fiscal year) beginning with the first month of the Company's first fiscal quarter commencing after the effective date of the Registration Statement, which statement shall cover such 12-month period.

(m) The Company shall use its commercially reasonable efforts to cause the Indenture to be qualified under the Trust Indenture Act of 1939, as amended, in a timely manner and containing such changes, if any, as shall be necessary for such qualification. In the event that such qualification would require the appointment of a new trustee under the Indenture, the

Company shall appoint a new trustee thereunder pursuant to the applicable provisions of the Indenture.

(n) The Company may require each Holder of Securities to be sold pursuant to the Shelf Registration Statement to furnish to the Company such information regarding the Holder and the distribution of the Securities as the Company may from time to time reasonably require for inclusion in the Shelf Registration Statement, and the Company may exclude from such registration the Securities of any Holder that unreasonably fails to furnish such information within a reasonable time after receiving such request.

(o) The Company shall enter into such customary agreements (including, if requested, an underwriting agreement in customary form) and take all such other action, if any, as any Holder of the Securities shall reasonably request in order to facilitate the disposition of the Securities pursuant to any Shelf Registration.

(p) In the case of any Shelf Registration, the Company shall (i) make reasonably available for inspection by the Holders of the Securities, any underwriter participating in any disposition pursuant to the Shelf Registration Statement and any attorney, accountant or other agent retained by the Holders of the Securities or any such underwriter all relevant financial and other records, pertinent corporate documents and properties of the Company and (ii) cause the Company's officers, directors, employees, accountants and auditors to supply all relevant information reasonably requested by the Holders of the Securities or any such underwriter, attorney, accountant or agent in connection with the Shelf Registration Statement, in each case, as shall be reasonably necessary to enable such persons, to conduct a reasonable investigation within the meaning of Section 11 of the Securities Act; provided, however, that the foregoing inspection and information gathering shall be coordinated on behalf of the Purchasers by you and on behalf of the other parties, by one counsel designated by and on behalf of such other parties as described in Section 4 hereof; provided, further, that the conduct of the foregoing inspection and information gathering shall be subject to the execution by all persons party to such inspection and information gathering of a reasonable confidentiality undertaking in customary form with respect to confidential and proprietary information of the Company.

(q) In the case of any Shelf Registration, the Company, if requested by any Holder of Securities covered thereby, shall cause (i) its counsel to deliver an opinion and updates thereof relating to the Securities in customary form addressed to such Holders and the managing underwriters, if any, thereof and dated, in the case of the initial opinion, the effective date of such Shelf Registration Statement (it being agreed that the matters to be covered by such opinion shall include, without limitation, the due incorporation and good standing of the Company and its subsidiaries; the qualification of the Company and its subsidiaries to transact business as foreign corporations; the due authorization, execution and delivery of the relevant agreement of the type referred to in Section 3(o) hereof; the due authorization, execution, issuance and sale, and the validity and enforceability, of the applicable Securities; the absence of governmental approvals required to be obtained in connection with the Shelf Registration Statement, the offering and sale of the applicable Securities, or any agreement of the type referred to in Section 3(o) hereof; the compliance in all material respects as to form of such Shelf Registration Statement and any documents incorporated by reference therein and of the Indenture with the requirements of the Securities Act and the Trust Indenture Act, respectively; as of the date of the opinion and as of the effective date of the Shelf Registration Statement or most recent post-effective amendment thereto or most recent prospectus supplement thereto that is deemed to establish a new effective date, as the case may be, the absence from such Shelf Registration Statement and the prospectus and any prospectus supplement included therein, as then amended or supplemented and including any documents incorporated by reference therein, of an untrue statement of a material fact or the

omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; and as of an applicable time identified by such Holders or managing underwriters, the absence from the prospectus included in the Registration Statement, as amended or supplemented at such applicable time and including any documents incorporated by reference therein, taken together with any other documents identified by such Holders or managing underwriters, of an untrue statement of a material fact or the omission to state therein a material fact required to be stated therein or necessary to make the statements therein, in the light of the circumstances under which they were made, not misleading; (ii) its officers to execute and deliver all customary documents and certificates and updates thereof requested by any underwriters of the applicable Securities and (iii) its independent public accountants and the independent public accountants with respect to any other entity for which financial information is provided in the Shelf Registration Statement to provide to the selling Holders of the applicable Securities and any underwriter therefor a comfort letter in customary form and covering matters of the type customarily covered in comfort letters in connection with primary underwritten offerings, subject to receipt of appropriate documentation as contemplated, and only if permitted, by Statement of Auditing Standards No. 72.

(r) If a Registered Exchange Offer or a Private Exchange is to be consummated, upon delivery of the Offered Securities by Holders to the Company (or to such other Person as directed by the Company) in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be, the Company shall mark, or cause to be marked, on the Offered Securities so exchanged that such Offered Securities are being canceled in exchange for the Exchange Securities or the Private Exchange Securities, as the case may be; in no event shall the Offered Securities be marked as paid or otherwise satisfied.

(s) The Company will use its commercially reasonable efforts to (a) if the Offered Securities have been rated prior to the initial sale of such Offered Securities, confirm such ratings will apply to the Securities covered by a Registration Statement, or (b) if the Offered Securities were not previously rated, cause the Securities covered by a Registration Statement to be rated with the appropriate rating agencies, in each case, if so requested by Holders of a majority in aggregate principal amount of Securities covered by such Registration Statement, or by the managing underwriters, if any.

(t) In the event that any broker-dealer registered under the Exchange Act shall underwrite any Securities or participate as a member of an underwriting syndicate or selling group or “assist in the distribution” (within the meaning of the Conduct Rules (the “**Rules**”) of the Financial Industry Regulatory Authority, Inc. (“**FINRA**”)) thereof, whether as a Holder of such Securities or as an underwriter, a placement or sales agent or a broker or dealer in respect thereof, or otherwise, the Company will assist such broker-dealer in complying with the requirements of such Rules, including, without limitation, by (i) if such Rules, including Rule 2720, shall so require, engaging a “qualified independent underwriter” (as defined in Rule 2720) to participate in the preparation of the Registration Statement relating to such Securities, to exercise usual standards of due diligence in respect thereto and, if any portion of the offering contemplated by such Registration Statement is an underwritten offering or is made through a placement or sales agent, to recommend the yield of such Securities, (ii) indemnifying any such qualified independent underwriter to the extent of the indemnification of underwriters provided in Section 5 hereof and (iii) providing such information to such broker-dealer as may be required in order for such broker-dealer to comply with the requirements of the Rules.

(u) The Company shall use its commercially reasonable efforts to take all other steps necessary to effect the registration of the Securities covered by a Registration Statement contemplated hereby.

(v) Each Holder and each Participating Broker-Dealer agrees by acquisition of Offered Securities or Exchange Securities that, upon the Company providing notice to such Holder or Participating Broker-Dealer, as the case may be, (x) of the happening of any event of the kind described in paragraphs (ii) through (v) of Section 3(b) hereof, or (y) that the Board of Directors of the Company has resolved that the Company has a bona fide business purpose for doing so, then, upon providing such notice (which shall refer to this Section 3(w)), the Company may delay the filing or the effectiveness of the Shelf Registration Statement (if not then filed or effective, as applicable) and shall not be required to maintain the effectiveness thereof or amend or supplement the Shelf Registration Statement, in all cases, for a period (a “**Delay Period**”) expiring upon the earlier to occur of (i) in the case of the immediately preceding clause (x), such Holder’s or Participating Broker-Dealer’s receipt of the copies of the supplemented or amended prospectus contemplated by Section 3(g) hereof or until it is advised in writing by the Company that the use of the applicable prospectus may be resumed, and has received copies of any amendments or supplements thereto or (ii) in the case of the immediately preceding clause (y), the date which is the earlier of (A) the date on which such business purpose ceases to interfere with the Company’s obligations to file or maintain the effectiveness of any such Registration Statement pursuant to this Agreement or (B) 60 days after the Company notifies the Holders of such good faith determination. There shall not be more than 60 days of Delay Periods during any 12-month period. The Shelf Registration Period provided for in Section 2(b) above shall each be extended by a number of days equal to the number of days during any Delay Period. Any Delay Period will not alter the obligations of the Company to pay Additional Interest under the circumstances set forth in Section 6 hereof.

4. *Registration Expenses.* The Company shall bear all fees and expenses incurred in connection with the performance of its obligations under Sections 1 through 3 hereof (including the reasonable fees and expenses, if any, of Davis Polk & Wardwell LLP, counsel for the Purchasers, incurred in connection with the Registered Exchange Offer), whether or not the Registered Exchange Offer or a Shelf Registration is filed or becomes effective, and, in the event of a Shelf Registration, shall bear or reimburse the Holders of the Securities covered thereby for the reasonable fees and disbursements of one firm of counsel designated by the Holders of a majority in principal amount of the Offered Securities covered thereby to act as counsel for the Holders of the Offered Securities in connection therewith.

5. *Indemnification.* (a) The Company agrees to indemnify and hold harmless each Holder of the Securities, any Participating Broker-Dealer and each person, if any, who controls such Holder or such Participating Broker-Dealer within the meaning of the Securities Act or the Exchange Act (each Holder, any Participating Broker-Dealer and such controlling persons are referred to collectively as the “**Indemnified Parties**”) from and against any losses, claims, damages or liabilities, joint or several, or any actions in respect thereof (including, but not limited to, any losses, claims, damages, liabilities or actions relating to purchases and sales of the Securities) to which each Indemnified Party may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or “issuer free writing prospectus,” as defined in Rule 433 of the Securities Act (“**Issuer FWP**”), relating to a Shelf Registration, or arise out of, or are based upon, the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, and shall reimburse, as incurred, the Indemnified Parties for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such loss, claim, damage, liability or action in respect thereof; provided, however, that the Company shall not be liable in any such case to the extent that such loss, claim, damage or liability arises out of or is based upon any untrue statement or alleged untrue statement or omission or alleged omission made in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or

Issuer FWP relating to a Shelf Registration in reliance upon and in conformity with written information pertaining to such Holder and furnished to the Company by or on behalf of such Holder specifically for inclusion therein; provided further, however, that this indemnity agreement will be in addition to any liability which the Company may otherwise have to such Indemnified Party. The Company shall also indemnify underwriters, their officers and directors and each person who controls such underwriters within the meaning of the Securities Act or the Exchange Act to the same extent as provided above with respect to the indemnification of the Holders of the Securities if requested by such Holders.

(b) Each Holder of the Securities and each Participating Broker Dealer, severally and not jointly, will indemnify and hold harmless the Company and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act from and against any losses, claims, damages or liabilities or any actions in respect thereof, to which the Company or any such controlling person may become subject under the Securities Act, the Exchange Act or otherwise, insofar as such losses, claims, damages, liabilities or actions arise out of or are based upon any untrue statement or alleged untrue statement of a material fact contained in a Registration Statement or prospectus or in any amendment or supplement thereto or in any preliminary prospectus or Issuer FWP relating to a Shelf Registration, or arise out of or are based upon the omission or alleged omission to state therein a material fact necessary to make the statements therein not misleading, but in each case only to the extent that the untrue statement or omission or alleged untrue statement or omission was made in reliance upon and in conformity with written information pertaining to such Holder or Participating Broker Dealer and furnished to the Company by or on behalf of such Holder or Participating Broker Dealer specifically for inclusion therein; and, subject to the limitation set forth immediately preceding this clause, shall reimburse, as incurred, the Company for any legal or other expenses reasonably incurred by the Company or any such controlling person in connection with investigating or defending any loss, claim, damage, liability or action in respect thereof. This indemnity agreement will be in addition to any liability which such Holder or Participating Broker Dealer may otherwise have to the Company or any of its controlling persons.

(c) Promptly after receipt by an indemnified party under this Section 5 of notice of the commencement of any action or proceeding (including a governmental investigation), such indemnified party will, if a claim in respect thereof is to be made against the indemnifying party under this Section 5, notify the indemnifying party of the commencement thereof; but the failure to notify the indemnifying party shall not relieve the indemnifying party from any liability that it may have under subsection (a) or (b) above except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the indemnifying party shall not relieve it from any liability that it may have to an indemnified party otherwise than under subsection (a) or (b) above. In case any such action is brought against any indemnified party, and it notifies the indemnifying party of the commencement thereof, the indemnifying party will be entitled to participate therein and, to the extent that it may wish, jointly with any other indemnifying party similarly notified, to assume the defense thereof, with counsel reasonably satisfactory to such indemnified party, and after notice from the indemnifying party to such indemnified party of its election so to assume the defense thereof the indemnifying party will not be liable to such indemnified party under this Section 5 for any legal or other expenses, other than reasonable and documented costs of investigation, subsequently incurred by such indemnified party in connection with the defense thereof. In the event, however, such indemnified party reasonably determines in its judgment based on the advice of counsel that having common counsel would present such counsel with a conflict of interest or if the defendants in or targets of any such action or proceeding include both an indemnified party and the indemnifying party and such indemnified party reasonably concludes that there may be legal defenses available to it or other indemnified parties that are different from or in addition to those available to the indemnifying party, or if the indemnifying party fails to assume the defense of the action or proceeding or to employ counsel reasonably satisfactory to such indemnified party in a timely manner, then such indemnified party may employ separate counsel to represent or defend it in any such action or proceeding and the indemnifying party will pay the reasonable and customary fees and disbursements of such counsel. In no event shall the indemnifying parties be liable

for the reasonable fees and expenses of more than one counsel (together with appropriate local counsel) at any time for all indemnified parties in connection with any one action or separate but substantially similar or related actions arising in the same jurisdiction out of the same general allegations or circumstances. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened action in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party unless such settlement (i) includes an unconditional release of such indemnified party from all liability on any claims that are the subject matter of such action, and (ii) does not include a statement as to or an admission of fault, culpability or a failure to act by or on behalf of any indemnified party. No indemnifying party shall be liable for any settlement or compromise of, or consent to the party of judgment with respect to, any such action or claim effected without its consent (which consent shall not be unreasonably withheld).

(d) If the indemnification provided for in this Section 5 is unavailable or insufficient to hold harmless an indemnified party under subsections (a) or (b) above, then each indemnifying party shall contribute to the amount paid or payable by such indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in subsection (a) or (b) above (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party on the other from the exchange of the Securities, pursuant to the Registered Exchange Offer, or (ii) if the allocation provided by the foregoing clause (i) is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause (i) above but also the relative fault of the indemnifying party or parties on the one hand and the indemnified party on the other in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof) as well as any other relevant equitable considerations. The relative fault of the parties shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company on the one hand or such Holder or such other indemnified party, as the case may be, on the other, and the parties' relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The amount paid by an indemnified party as a result of the losses, claims, damages or liabilities referred to in the first sentence of this subsection (d) shall be deemed to include any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any action or claim which is the subject of this subsection (d). Notwithstanding any other provision of this Section 5(d), the Holders of the Securities shall not be required to contribute any amount in excess of the amount by which the net proceeds received by such Holders from the sale of the Securities pursuant to a Registration Statement exceeds the amount of damages which such Holders have otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. For purposes of this paragraph (d), each person, if any, who controls such indemnified party within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as such indemnified party and each person, if any, who controls the Company within the meaning of the Securities Act or the Exchange Act shall have the same rights to contribution as the Company.

(e) The agreements contained in this Section 5 shall survive the sale of the Securities pursuant to a Registration Statement and shall remain in full force and effect, regardless of any termination or cancellation of this Agreement or any investigation made by or on behalf of any indemnified party.

6. *Additional Interest Under Certain Circumstances.* (a) Additional interest (the "**Additional Interest**") with respect to the Offered Securities that are Transfer Restricted Securities shall be assessed as follows if any of the following events occur (each such event in clauses (i) through (iv) below a "**Registration Default**"):

(i) the Company fails to file any Registration Statement required by this Agreement on or prior to the applicable deadline;

(ii) any Registration Statement is not declared effective on or prior to the applicable effectiveness deadline;

(iii) the Registered Exchange Offer is not consummated on or prior to the Consummation Deadline; or

(iv) If after either the Exchange Offer Registration Statement or the Shelf Registration Statement required by this Agreement has been declared effective by the Commission but (A) such Registration Statement thereafter ceases to be effective; or (B) such Registration Statement or the related prospectus ceases to be usable (except as permitted in paragraph (b)) in connection with resales of Transfer Restricted Securities during the Exchange Offer Registration Period or the Shelf Registration Period, as applicable, except, in the case of the Exchange Offer Registration Statement, following the consummation of the Registered Exchange Offer with respect to all Securities tendered in connection therewith, because either (1) any event occurs as a result of which the related prospectus forming part of such Registration Statement would include any untrue statement of a material fact or omit to state any material fact necessary to make the statements therein in the light of the circumstances under which they were made not misleading, (2) it shall be necessary to amend such Registration Statement or supplement the related prospectus, to comply with the Securities Act or the Exchange Act or the respective rules thereunder, or (3) such Registration Statement is a Shelf Registration Statement that has expired before a replacement Shelf Registration Statement has become effective.

Additional Interest shall accrue on the Transfer Restricted Securities affected by a Registration Default over and above the interest otherwise payable on the Transfer Restricted Securities from and including the date on which any such Registration Default shall occur to but excluding the date on which all such Registration Defaults have been cured, at a rate of 0.25% per annum for the first 90-day period immediately following the occurrence of a Registration Default, to be increased by an additional 0.25% per annum with respect to each subsequent 90-day period until all Registration Defaults have been cured, up to a maximum additional interest rate of 0.50% per annum. In no event shall the Company be obligated to pay Additional Interest for more than one Registration Default with respect to any Transfer Restricted Securities under this Section 6(a) at any given time.

(b) A Registration Default referred to in Section 6(a)(iv)(B) hereof shall be deemed not to have occurred and be continuing in relation to a Shelf Registration Statement or the related prospectus if (i) such Registration Default has occurred solely as a result of (x) the filing of a post-effective amendment to such Shelf Registration Statement to incorporate annual audited financial information with respect to the Company where such post-effective amendment is not yet effective and needs to be declared effective to permit Holders to use the related prospectus or (y) other material events, with respect to the Company that would need to be described in such Shelf Registration Statement or the related prospectus and (ii) in the case of clause (y), the Company is proceeding promptly and in good faith to amend or supplement such Shelf Registration Statement and related prospectus to describe such events; provided, however, that in any case if such Registration Default occurs for a continuous period in excess of 60 days, Additional Interest shall be payable in accordance with the above paragraph from and after the 60th day after such Registration Default occurs until such Registration Default is cured.

(c) Any amounts of Additional Interest due pursuant to Section 6(a) above will be payable in cash on the regular interest payment dates with respect to the Transfer Restricted Securities. The amount of Additional Interest will be determined by multiplying the applicable Additional Interest rate by the principal amount of the Transfer Restricted Securities, multiplied by a fraction, the numerator of which is

the number of days such Additional Interest rate was applicable during such period (determined on the basis of a 360-day year comprised of twelve 30-day months), and the denominator of which is 360.

(d) “**Transfer Restricted Securities**” means each Security until (i) the date on which such Transfer Restricted Security has been exchanged by a person other than a broker-dealer for a freely transferable Exchange Security, (ii) following the exchange by a broker-dealer of a Offered Security for an Exchange Security, the date on which such Exchange Security is sold to a purchaser who receives from such broker-dealer on or prior to the date of such sale a copy of the prospectus contained in the Exchange Offer Registration Statement or (iii) the date on which such Offered Security has been effectively registered under the Securities Act and disposed of in accordance with the Shelf Registration Statement.

7. *Rules 144 and 144A.* The Company shall use its commercially reasonable efforts to file the reports required to be filed by it under the Securities Act and the Exchange Act in a timely manner and, if at any time the Company is not required to file such reports, it will, upon the request of any Holder of Offered Securities, make publicly available other information so long as necessary to permit sales of their securities pursuant to Rules 144 and 144A. The Company covenants that it will take such further action as any Holder of Offered Securities may reasonably request, all to the extent required from time to time to enable such Holder to sell Offered Securities without registration under the Securities Act within the limitation of the exemptions provided by Rules 144 and 144A (including the requirements of Rule 144A(d)(4)). The Company will provide a copy of this Agreement to prospective purchasers of Offered Securities identified to the Company by the Purchasers upon request. Upon the request of any Holder of Offered Securities, the Company shall deliver to such Holder a written statement as to whether it has complied with such requirements. Notwithstanding the foregoing, nothing in this Section 7 shall be deemed to require the Company to register any of its securities pursuant to the Exchange Act.

8. *Underwritten Registrations.* If any of the Transfer Restricted Securities covered by any Shelf Registration are to be sold in an underwritten offering, the investment banker or investment bankers and manager or managers that will administer the offering (“**Managing Underwriters**”) will be selected by the Holders of a majority in aggregate principal amount of such Transfer Restricted Securities to be included in such offering, subject to the prior approval by the Company, which approval will not be unreasonably withheld or delayed.

No person may participate in any underwritten registration hereunder unless such person (i) agrees to sell such person’s Transfer Restricted Securities on the basis reasonably provided in any underwriting arrangements approved by the persons entitled hereunder to approve such arrangements and (ii) completes and executes all questionnaires, powers of attorney, indemnities, underwriting agreements and other documents reasonably required under the terms of such underwriting arrangements.

#### 9. *Miscellaneous.*

(a) *Amendments and Waivers.* The provisions of this Agreement may not be amended, modified or supplemented, and waivers or consents to departures from the provisions hereof may not be given, except by the Company and the written consent of the Holders of a majority in principal amount of the Securities affected by such amendment, modification, supplement, waiver or consents.

## PLAN OF DISTRIBUTION

Each broker-dealer that receives Exchange Securities for its own account pursuant to the Exchange Offer must acknowledge that it will deliver a prospectus in connection with any resale of such Exchange Securities. This Prospectus, as it may be amended or supplemented from time to time, may be used by a broker-dealer in connection with resales of Exchange Securities received in exchange for Offered Securities where such Offered Securities were acquired as a result of market-making activities or other trading activities. The Company has agreed that, for a period of 180 days after the Expiration Date, it will make this prospectus, as amended or supplemented, available to any broker-dealer for use in connection with any such resale. In addition, until 20 all dealers effecting transactions in the Exchange Securities may be required to deliver a prospectus.<sup>(1)</sup>

The Company will not receive any proceeds from any sale of Exchange Securities by broker-dealers. Exchange Securities received by broker-dealers for their own account pursuant to the Exchange Offer may be sold from time to time in one or more transactions in the over-the-counter market, in negotiated transactions, through the writing of options on the Exchange Securities or a combination of such methods of resale, at market prices prevailing at the time of resale, at prices related to such prevailing market prices or negotiated prices. Any such resale may be made directly to purchasers or to or through brokers or dealers who may receive compensation in the form of commissions or concessions from any such broker-dealer or the purchasers of any such Exchange Securities. Any broker-dealer that resells Exchange Securities that were received by it for its own account pursuant to the Exchange Offer and any broker or dealer that participates in a distribution of such Exchange Securities may be deemed to be an “underwriter” within the meaning of the Securities Act and any profit on any such resale of Exchange Securities and any commission or concessions received by any such persons may be deemed to be underwriting compensation under the Securities Act.
