PROXY STATEMENT

General

This Proxy Statement, the accompanying Notice of Annual Meeting of Stockholders and Proxy/ Voting Instructions Card (the “*Proxy Card*”) are being furnished to the stockholders of Zapata Corporation (“*Zapata*” or the “*Company*”) by the Board of Directors in connection with the solicitation of proxies for use at the Annual Meeting of Stockholders to be held on June 16, 2006, at 10:00 a.m., local time, at the Canandaigua Inn on the Lake, 770 South Main Street, Canandaigua, New York, 14424 and at any adjournments thereof (the “*Annual Meeting*”).

It is contemplated that this Proxy Statement and the accompanying form of Proxy Card will first be mailed to Zapata stockholders on or about April 28, 2006. The principal executive offices of the Company are located at 100 Meridian Centre, Suite 350, Rochester, New York 14618; telephone (585) 242-2000.

As an alternative to voting by proxy or in person, registered stockholders can simplify their voting and save the Company expense by calling 1-800-PROXIES (or 1-800-776-9437). Telephone voting information is provided on the Proxy Card. A Control Number, located above the stockholder’s name and address on the lower left of the Proxy Card, is designed to verify stockholders’ identity and allow them to vote their shares and confirm that their voting instructions have been properly recorded.

If your shares are held in the name of a bank or broker, follow the voting instructions on the form you receive. The availability of telephone voting will depend on the voting processes of the bank or broker that holds your shares.

If you do not choose to vote by telephone, you may still return your Proxy Card, properly signed, and the shares represented will be voted in accordance with your directions. You can specify your choices by marking the appropriate boxes on the Proxy Card. If your Proxy Card is signed and returned without specifying choices, the shares will be voted as recommended by the Board of Directors. If you do vote by telephone, it is not necessary to return your Proxy Card.

The Company effected an eight-for-one stock split of its outstanding shares of common stock, par value \$.01 per share (the “*Common Stock*”), effective at the close of business on April 6, 2005. Where a number of shares of Common Stock is listed in this Proxy Statement for a date or period prior to the effective date of the stock split, that number of shares of Common Stock has been proportionately adjusted as if the eight-for-one stock split had been in effect on that prior date or during that prior period.

Matters To Be Considered At The Annual Meeting

At the Annual Meeting, including any adjournment(s) thereof, the stockholders of Zapata will be asked to consider and vote upon the proposals to elect directors and to ratify the Company’s independent public accountants which are summarized in the attached Notice of Annual Meeting. The director nominees and each proposal are described in more detail in this Proxy Statement.

Record Date; Outstanding Shares; Quorum

The Board of Directors of the Company has fixed the close of business on April 18, 2006 (the “*Record Date*”) as the date for the determination of stockholders who are entitled to vote at the Annual Meeting and at any adjournment(s) or postponement(s) thereof. As of the Record Date, the Company’s outstanding capital stock consisted of 19,182,456 shares of Common Stock held by approximately 2,400 holders of record entitled to vote on the matters described herein. Each share of Common Stock is entitled to one vote in the election of directors and on each matter submitted for stockholder approval. The Common Stock is the Company’s only outstanding class of stock as of the date of this Proxy Statement.

Quorum; Abstentions and Non-Votes; Vote Required

The presence at the meeting, in person or by proxy, of the holders of a majority of the Company's outstanding shares of voting stock is necessary to constitute a quorum for the transaction of business at the Annual Meeting. Abstentions and broker non-votes (which occur if a broker or other nominee does not have discretionary authority and has not received voting instructions from the beneficial owner with respect to the particular item) are counted for purposes of determining the presence or absence of a quorum for the transaction of business. If there are not sufficient shares represented in person or by proxy at the meeting to constitute a quorum, the meeting may be adjourned or postponed in order to permit further solicitations of proxies by the Company.

With respect to the election of three Class II directors, the three nominees receiving the highest number of affirmative votes will be elected as Class II directors. The proposal to ratify the appointment of PricewaterhouseCoopers, LLP as the Company's independent public accountants will be approved if the number of votes cast in favor of the action exceeds the number of votes cast in opposition and a quorum is present. Abstentions and broker non-votes will have no effect on the outcome of the election of directors or the approval of the independent public accountants.

The Malcolm I. Glazer Family Limited Partnership, a Nevada limited partnership (the "*Glazer Partnership*"), which, as of the date of this Proxy Statement, held approximately 51% of the outstanding shares of Common Stock, has notified the Company that it intends to vote all of its shares at the Annual Meeting in favor of the election of nominees for director named herein and for the ratification of the appointment of PricewaterhouseCoopers LLP.

Voting Proxies

All shares which are entitled to vote and are represented at the Annual Meeting by properly executed proxies received prior to or at the meeting and not revoked, will be voted as specified in the proxy. If no instructions have been given in a proxy and authority to vote has not been withheld, the shares represented thereby will be voted: for the election of all nominees for director named herein; for the ratification of the appointment of PricewaterhouseCoopers, LLP as the Company's independent public accountants; and, in the discretion of the persons named in the proxy on any other business that may properly come before the Annual Meeting. Proxies may be revoked at any time prior to the exercise thereof by filing with the Corporate Secretary, at the Company's principal executive offices, a written revocation or a duly executed proxy bearing a later date or by appearing at the meeting and voting in person.

Stockholder List

For a period of at least ten (10) days prior to the Annual Meeting, a complete list of stockholders entitled to vote at the meeting will be available at the principal office of the Corporation so that stockholders of record may inspect the list only for proper purposes.

Expenses of Solicitation

The Company pays the cost of preparing, assembling and mailing this proxy-soliciting material, and all costs of solicitation, including certain expenses of brokers and nominees who mail proxy material to their customers or principals.

PROPOSAL 1

ELECTION OF DIRECTORS

Pursuant to the Company's Articles of Incorporation (the "Articles") and By-Laws, the Board of Directors has fixed the size of the Board at seven (7) directors. The Articles provide for division of the Board into three classes (Class I, Class II and Class III) of as nearly equal number of directors as possible. Thus, Class I and Class III are comprised of two directors each and Class II is comprised of three directors.

The term of each Class of directors is three years with the term for one Class expiring each year in rotation. As a result, each year, one Class of directors is elected. The term of the Class II directors expires at the Annual Meeting.

Proxies cannot be voted for a greater number of persons than the three nominees named. If any nominee becomes unavailable for any reason, shares represented by the proxies designated as such in the enclosed Proxy Card will be voted for such person or persons, if any, as may be designated by the Board of Directors. At present, it is not anticipated that any nominee will be unable to serve. Directors will be elected by a plurality of the votes cast for each director at the Annual Meeting.

Board of Directors — Committees and Meetings

The Board of Directors has as two standing committees, the Audit Committee and the Compensation Committee. The Board of Directors does not have a nominating committee or a committee performing the function of a nominating committee. The Board of Directors has determined that Zapata is a "controlled company" for the purposes of Section 303A of the New York Stock Exchange Listed Company Manual (the "NYSE Rules"), as the Malcolm I. Glazer Family Limited Partnership controls more than 50% of the Company's voting power. As a result, the Company is exempt from the provisions of Section 303A that require it, among other things, to have a board of directors comprised of a majority of independent directors, to have a compensation committee charter, and a nominating committee, and it is making use of these exemptions.

Audit Committee. The primary objective and role of the Audit Committee is to assist the Board in monitoring:

- the integrity of the accounting and financial reporting practices of the Company;
- the qualifications and independence of the public accounting firm engaged to prepare or issue an audit report on the financial statements of the Company;
- performance of the Company's internal audit function; and
- the compliance by the Company with legal and regulatory requirements.

In doing so, the Audit Committee:

- meets with the Company's independent auditors to review the Company's accounting policies, internal controls and other accounting and auditing matters;
- confirms and assures the outside auditor's independence; makes recommendations to the Board of Directors as to the engagement of independent auditors; and
- approves the fees and other compensation to be paid to the independent auditors.

The Board of Directors has adopted an amended and restated charter for the Audit Committee which governs its structure, membership and operation. The Committee also maintains procedures for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting

[Table of Contents](#)

controls or auditing matters, and the confidential, anonymous submission by employees of concerns regarding these matters.

The Audit Committee currently is composed of Mr. Warren Gfeller (Chairman), Mr. Robert V. Leffler, Jr. and Mr. John R. Halldow. The Board of Directors has determined that Mr. Warren Gfeller qualifies as an “audit committee financial expert,” as defined by Item 402(h)(2) of Regulation S-K promulgated the Securities and Exchange and Commission (the “*Commission*”) under the Securities Act of 1933, as amended (the “*Securities Act*”). The Board of Directors has also determined that each member is “independent,” as such term is defined by the current listing standards of the NYSE Rules governing audit committees.

Compensation Committee. The Compensation Committee has overall responsibility for:

- approving and evaluating officer compensation plans, policies and programs of the Company; and
- overseeing the production of an annual report on executive compensation for inclusion in the Company’s proxy statement.

The Compensation Committee currently is composed of Mr. Robert W. Leffler, Jr. (Chairman) and Mr. Warren H. Gfeller, and neither of them was an officer or employee of our Company or any of its subsidiaries during 2005. The Compensation Committee does not have a charter.

During 2005, the Board of Directors held 5 meetings and acted by unanimous written consent 5 times. In addition, the Audit Committee held 5 meetings and the Compensation Committee held one meeting and acted by unanimous written consent 2 times. During 2005, each director of the Company attended at least 75% of the aggregate number of meetings of the Board of Directors and committees on which each of them sit.

Corporate Governance

As a controlled company for the purposes of Section 303A of the NYSE Rules, the Company is exempt from the provisions that require it, among other things, to have a board of directors comprised of a majority of independent directors, to have a compensation committee charter, and a nominating committee, and it is making use of these exemptions. At such time when the Company ceases to be a controlled company, it will adhere to the applicable transition periods provided for by the NYSE Rules, in coming into full compliance with all of the requirements of Section 303A.

The Board of Directors has three members who have been determined by the Board of Directors to be independent under Section 303A.02 of the NYSE Rules. These directors are Messrs. Gfeller, Halldow and Leffler. The Board of Directors made this determination on the basis that none of these directors has any material relationship with the Company or any of its subsidiaries.

Under the NYSE Rules, no director qualifies as independent unless the Board of Directors affirmatively determines that the director has no material relationship with the Company. Based upon information requested from and provided by each director concerning their background, employment and affiliations, including commercial, industrial, banking, consulting, legal, accounting, charitable and familial relationships, the Board of Directors has determined that each of the independent directors named above has no material relationship with the Company, either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company, and is therefore independent under the NYSE Rules.

As provided for under the NYSE Rules, the Board of Directors has adopted categorical standards or guidelines to assist the Board in making its independence determinations with respect to each director. Under the NYSE Rules, immaterial relationships that fall within the guidelines are not required to be disclosed in this proxy statement.

The non-management directors will meet at least four times a year without management present. The Board has designated Mr. Warren Gfeller to lead such sessions. The non-management directors can set their own agenda, maintain minutes and report back to the Board as a whole. Non-management directors who do not meet the independence requirements of the NYSE Rules and any other applicable laws, rules and regulations regarding independence may participate in these sessions, but those directors who do meet the referenced independence requirements must meet in separate executive session without the participation of other directors at least once a year.

As a “controlled company” for the purposes of Section 303A of the NYSE Rules, and because of the relatively small size of the Board of Directors, the Board of Directors has determined that it is appropriate not

Table of Contents

to have a nominating committee. The entire Board of Directors functions in the capacity of a nominating committee (which includes members that do not meet the NYSE definition of “independent director”).

Stockholders and members of the Company’s Board submit nominees for election to the Company’s Board of Directors to the entire Board for its consideration. Historically, the Company has not had a formal policy concerning stockholder recommendations to the Board of Directors. Except for the nominations made by The Malcolm I. Glazer Family Limited Partnership, the Company has not received any recommendations from stockholders requesting that the Board consider a candidate for inclusion among the slate of nominees in the Company’s Proxy Statement. The absence of such a policy does not mean, however, that a recommendation would not have been considered had one been received. The Board would consider any candidate proposed in good faith by a stockholder. To do so, a stockholder should send the candidate’s name, credentials, contact information, and his or her consent to be considered as a candidate to the Company’s Chief Executive Officer and Chairman of the Board Directors, Avram Glazer. The proposing stockholder should also include his or her contact information and a statement of his or her share ownership (how many shares owned and for how long).

In evaluating director nominees, the Board considers the appropriate skills and personal characteristics needed in light of the makeup of the current Board, including considerations of character, background and experience. Other than the foregoing, there are no stated minimum criteria for director nominees, although the Board of Directors may also consider such other factors as it may deem are in the best interests of the Company and its stockholders. The Board does, however, believe it appropriate for at least one, and preferably several, members of the Board to meet the criteria for an “audit committee financial expert” as defined by Commission rules and for a “financially sophisticated” audit committee member as defined by NYSE Rules. The Company also believes it appropriate for certain key members of the Company’s management to participate as members of the Board.

The Board of Directors identifies nominees by first evaluating the current members of the Board willing to continue in service. Current members of the Board with skills and experience that are relevant to the Company’s business and who are willing to continue in service are considered for re-nomination. If any member of the Board does not wish to continue in service or if the Board decides not to re-nominate a member for re-election, the Board then identifies the desired skills and experience of a new nominee in light of the criteria above. Current members of the Board of Directors are polled for suggestions as to individuals meeting the criteria described above. The Board may also engage in research to identify qualified individuals. To date, the Company has not engaged third parties to identify or evaluate or assist in identifying potential nominees, although the Company reserves the right in the future to retain a third party search firm, if necessary.

Director nominees A. Glazer., W. Gfeller, and J. Halldow, were nominated for election as directors by the Company’s Board of Directors.

The Company encourages all incumbent directors, as well as all nominees for election as director, to attend the Annual Meeting of Stockholders.

Stockholders who wish to communicate with the Board or any individual director, including a non-management director, can write to:

Zapata Corporation
Board Administration
100 Meridian Centre, Suite 350
Rochester, New York 14618

The letter should indicate that the sender is a stockholder. Depending on the subject matter, management will:

- forward the letter to the director or directors to whom it is addressed;
- attempt to handle the matter directly (as where information about the Company or its stock is requested); or
- not forward the letter if it is primarily commercial in nature or relates to an improper or irrelevant topic.

A summary of all relevant communications that are received after the last meeting and which are not forwarded will be presented at each Board meeting along with any specific communication requested by a director.

Certain Employee Benefits

Zapata's executive officers participate or have participated in certain stock option and incentive plans, retirement and profit sharing/401(k) plans sponsored by Zapata, some of which are intended to qualify for tax-favored treatment under the Internal Revenue Code, as amended (the "Code"). These plans include Zapata's Amended and Restated Special Incentive Plan (the "1987 Plan"), the 1996 Long-Term Incentive Plan (the "1996 Plan"), the Zapata Pension Plan ("Pension Plan"), the Zapata Supplemental Pension Benefit Plan and the Zapata Corporation 401(k) Plan.

The 1987 Plan provides for the granting of stock options and the awarding of restricted stock. Under the 1987 Plan, options may be granted at prices equivalent to the market value of the common stock at the date of grant. Options become exercisable on dates as determined by the Zapata Board of Director's Compensation Committee, provided that the earliest such date cannot occur before six months after the date of grant. Unexercised options will expire on varying dates, up to a maximum of ten years from the date of grant. All options granted vest ratably over three years beginning on the first anniversary of the date of grant and have an exercise price equal to the fair market value of the stock at grant date. The awards of restricted stock have a restriction period of not less than six months and not more than five years. The 1987 Plan provided for the issuance of up to 480,000 shares of the common stock. During 1992, the stockholders approved an amendment to the 1987 Plan that provided for the automatic grant of a nonqualified stock option to directors of Zapata who are not employees of Zapata or any subsidiary of Zapata. As of December 31, 2005, stock options covering a total of 32,000 shares had been exercised. No shares of common stock are available for future stock options or other awards under the Plan. As of December 31, 2005, there were options for the purchase of up to 48,000 shares outstanding under the 1987 plan.

The 1996 Plan provides for the granting of restricted stock, stock appreciation rights, stock options and other types of awards to key employees of the Company. Under the 1996 Plan, options may be granted by the Committee at prices equivalent to the market value of the common stock on the date of grant. Options become exercisable in one or more installments on such dates as the Committee may determine. Unexercised options will expire on varying dates up to a maximum of ten years from the date of grant. All options granted vest ratably over three years beginning on the first anniversary of the date of grant and have an exercise price equal to the fair market value of the stock at grant date. The 1996 Plan provides for the issuance of options to

purchase up to 4.0 million shares of common stock. During 1999, the stockholders approved an amendment to the 1996 Plan which increased the number of shares available for options granted under the plan to 8,000,000 shares. At December 31, 2005, stock options covering a total of 850,228 shares had been exercised and a total of 5,906,400 shares of common stock are available for future stock options or other awards under the Plan. As of December 31, 2005 there were options for the purchase of up to 1,243,372 shares outstanding under the 1996 plan.

Zapata maintains a pension plan that is a non-contributory qualified defined benefit pension plan and is intended to qualify under Internal Revenue Code §401(a). During 2005, Zapata Corporation's Board of Directors authorized a plan to freeze the Zapata pension plan in accordance with ERISA rules and regulations so that new employees, after January 15, 2006, will not be eligible to participate in the pension plan and further benefits will no longer accrue for existing participants. The freezing of the pension plan had the effect of vesting all existing participants in their pension benefits in the plan. Retirement benefits under the pension plan are based on an employee's length of employment, average monthly compensation and social security covered compensation. Compensation for this purpose includes salary and other compensation paid by Zapata and reportable on Form W-2, but excludes fringe benefits (cash and non-cash), including compensation related to stock option plans which is reported in the above Summary Compensation Table. The Code limits the amount of compensation that may be considered (\$210,000 for 2005) and the annual benefits which may be payable from the pension plan.

The following table shows the estimated annual benefit payable to employees on retirement under Zapata's pension plan to employees in the specified compensation and years of service classification. The retirement benefits shown are based upon an employee retiring at age 65 in 2005 who elect to receive benefits in the form of a single life annuity (although a participant can select other methods of calculating benefits). The amounts shown are based on current average social security wage base amounts and are not subject to any deduction for social security or other offset amounts.

(*) Internal Revenue Code limits covered compensation to \$210,000 for 2005.

The compensation covered by the pension plan includes the annual salaries and bonus of Messrs. Avram Glazer and Leonard DiSalvo, but no other amounts shown in the above Summary Compensation table. Estimated credited years of service for Mr. Glazer is 9 years, and for Mr. DiSalvo is 7 years. Amounts shown in the pension plan table are subject to deductions for social security.

The Zapata Supplemental Pension Plan was adopted effective April 1, 1992. This plan provides supplemental retirement payments to certain former senior executives of Zapata. The amounts of such payments equal the difference between the amounts received under the applicable pension plan and the amounts that would otherwise be received if pension plan payments were not reduced as the result of the limitations upon compensation and benefits imposed by federal law. Effective December 1994, the supplemental pension plan was frozen, except with respect to benefits already accrued.

The Zapata 401(k) Plan is qualified under Sections 401(a) and 401(k) of the Code. Under the Plan, 3 types of contributions are authorized: (1) employee pre-tax, salary reduction contributions ("*elective deferrals*"); (2) matching employer contributions for participants who make elective deferrals to the Plan ;

[Table of Contents](#)

and (3) discretionary employer contributions, based on cash flow, profitability and other financial circumstances as Zapata determines to be relevant. Participants may defer a fixed amount or a percentage of their eligible compensation, subject to limitations of the Zapata Plan. The Company makes a discretionary matching contribution of 100% of the employee's contribution up to 3% of eligible compensation and 50% of the employee's contribution between 3% and 5% of eligible compensation. All employees are eligible for participation in the elective deferral and matching contribution features of the plan upon attainment of age 21 or completion of 3 months of service, whichever is later. For the purposes of employer discretionary contributions, an employee enters the plan after completing 1 year of service or attaining age 21, whichever is later. Matching contributions are fully vested while discretionary employer contributions, if any, vest 20% for each year of vesting service.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 (the "*Exchange Act*") requires the Company's directors and executive officers, and persons who own more than 10% of a registered class of the Company's equity securities, to file with the Securities and Exchange Commission (the "*Commission*") and the NYSE initial reports of ownership and reports of changes in ownership of Common Stock and other equity securities of the Company. Directors, officers and greater than 10% stockholders are required by the Commission's regulations to furnish the Company with copies of all Section 16(a) forms they file. To our company's knowledge, based solely upon a review of the copies of such forms furnished to the Company and written representations that no other reports were required, the Company believes that during 2005, all such filings required to be made by such persons were timely made in accordance with the requirements of the Exchange Act.

REPORT OF THE COMPENSATION COMMITTEE

The Compensation Committee of the Board of Directors (the "*Committee*") is composed of two non-employee directors. The Committee is responsible for setting and administering the policies that govern executive salaries, bonuses, and other compensation including stock option grants.

The Committee endeavors to ensure that the compensation programs for the Company's executive officers are effective in attracting and retaining key executives responsible for the success of the Company and are administered in an appropriate fashion in the long-term best interests of the Company and its stockholders. The Committee seeks to align total compensation for the Company's executive officers with the performance of the Company in light of its corporate strategy and objectives, including the returns to stockholders, and the individual performance of each executive officer in assisting the Company in accomplishing its goals. The Company's compensation program consists of (1) an annual component, which includes base salary and an annual incentive bonus, and (2) a long-term component potentially consisting of stock options, stock appreciation rights, stock awards and cash awards. The Committee takes into consideration the recommendations of management in awarding compensation and setting compensation levels.

The Committee's policy with respect to 2005 base salaries and bonuses for executive officers was to keep such amounts competitive with other companies of comparable size and complexity. Compensation in any particular case may vary from the industry average on the basis of annual and long-term Company performance as well as individual performance. The Committee will exercise its discretion to set compensation where, in its judgment, external, internal or individual circumstances warrant it.

Base Salary

The determination of base salaries for executive officers during 2005 was based on the results of a compensation survey which was conducted during 2004, and the Committee's subjective evaluation of individual and Company performance. The 2004 compensation survey was conducted for purposes of determining general competitive compensation levels and did not involve application of objective measures of performance.

Annual Incentive Bonus

Bonuses were paid to executive officers for 2005 based on the subjective evaluation of individual and Company performance.

Stock Options

Stock options are designed to provide long-term incentives and rewards, tied to the price of the Company's Common Stock. The Committee believes that stock options, which provide value to the participants only when the Company's stockholders benefit from stock price appreciation, are an appropriate complement to the Company's overall compensation policies. All employees, including executive officers, may receive stock options from time to time under the Company's stock option plan. The Committee takes into consideration the recommendations of management in awarding stock option grants to non-executive employees and directors. The decision to award stock options to an executive is based upon such considerations as the executive's overall compensation package, job performance, future potential, awards made to executives at comparable companies and other factors.

Compensation of Chief Executive Officer

The compensation policies described above apply to the compensation of the President and Chief Executive Officer. The Committee is directly responsible for determining the salary level, annual bonuses and all awards and grants to the President and Chief Executive Officer. The Committee also gives consideration to its assessment of past performance and its expectations of future contributions. In the Committee's opinion, Mr. Avram Glazer's salary reflects his position, duties, responsibilities with, and contributions to the Company.

REPORT OF THE AUDIT COMMITTEE

The Company's management has the primary responsibility for the financial statements and the reporting process including the systems of internal controls. The primary purpose of the Audit Committee of the Company's Board of Directors is to assist the Board of Directors in monitoring:

- the integrity of the accounting and financial reporting practices of the Company,
- the qualifications and independence of the public accounting firm engaged to prepare or issue an audit report on the financial statements of the Company,
- performance of the Company's internal audit function, and
- the compliance by the Company with legal and regulatory requirements.

The Audit Committee met five times during 2005. Representatives from the Company's independent auditors, PricewaterhouseCoopers, LLC ("PwC") were present at each of the Committee's five meetings.

On February 3, 2006, the Audit Committee received from PwC the written disclosures and the letter regarding PwC's independence required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees. Additionally, the Audit Committee and PwC have also discussed PwC's independence relative to the Company.

The Audit Committee has discussed with PwC the Company's financial management and financial structure and the matters relating to the conduct of the audit required to be discussed by Statement on Auditing Standards 61. The Audit Committee has also reviewed and discussed with the Company's management the Company's audited consolidated financial statements relating to 2005.

Based upon the review and discussions described above, the Audit Committee recommended to the Company's Board of Directors that the Company's consolidated financial statements for 2005, audited by PwC, be included in the Company's 2005 Annual Report on Form 10-K filed with the Securities and Exchange Commission on April 5, 2006.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During 2002, the Company finalized the terms of a consulting agreement with its former Chairman of the Board of Directors, Malcolm Glazer. Subject to the terms of the agreement, the Company pays Malcolm Glazer \$122,500 per month until April 30, 2006. The agreement also provides for health and other medical benefits for Mr. Glazer and his wife. This agreement will terminate in the event of Mr. Glazer's death or permanent disability.

In February 2005, the Compensation Committee modified the terms of certain outstanding stock options held by directors Darcie Glazer and Edward Glazer, to extend the early termination of the exercise period following Darcie Glazer's termination of employment with the Company in 2001. Consistent with FASB Interpretation No. 44, "Accounting for Certain Transactions Involving Stock Compensation (an interpretation of APB Opinion No. 25)" the Company recorded a compensation charge of approximately \$353,000 in the first quarter of 2005 related to these modifications.

HOUSEHOLDING

The SEC allows the Company to deliver a single proxy statement and annual report to an address shared by two or more stockholders. This delivery method, referred to as "householding," can result in significant cost savings for the Company. In order to take advantage of this opportunity, Zapata and banks and brokerage firms that hold your shares have delivered only one proxy statement and annual report to multiple stockholders who share an address unless the Company has received contrary instructions from one or more of the stockholders. The Company will deliver promptly, upon written or oral request, a separate copy of the proxy statement and annual report to a stockholder at a shared address to which a single copy of the documents was delivered. A stockholder who wishes to receive a separate copy of the proxy statement and annual report, now or in the future, may obtain one, without charge, by addressing a request to the Vice-President Finance and Chief Financial Officer, Zapata Corporation, 100 Meridian Centre, Suite 350, Rochester, New York 14618, (585) 242-2000. Stockholders sharing an address who are receiving multiple copies of proxy materials and annual reports and wish to receive a single copy of such materials in the future should submit their request by contacting the Company in the same manner. If you are the beneficial owner, but not the record holder, of the Company's shares and wish to receive only one copy of the proxy statement and annual report in the future, you will need to contact your broker, bank or other nominee to request that only a single copy of each document be mailed to all stockholders at the shared address in the future.
