Item 1.01 Entry into a Material Definitive Agreement

On December 18, 2013 (the “Closing Date”), Spectrum Brands, Inc. (the “Company” or “Spectrum Brands”) entered into the First Amendment and Restatement Agreement (the “First Restatement Agreement”), pursuant to which Spectrum Brands amended and restated its Credit Agreement, dated as of December 17, 2012 (the “Original Term Loan Credit Agreement”), by and among Spectrum Brands, SB/RH Holdings, LLC (“Holdings”), Spectrum Brands Canada, Inc., as Canadian borrower, the Term Agent and the lenders party thereto from time to time (as amended by the Amendment No.1 to Credit Agreement dated August 13, 2013, the New Term Loan Commitment Agreement No.1 dated August 13, 2013 and the First Restatement Agreement, the “Restated Term Credit Agreement”).

Pursuant to the First Restatement Agreement and the Restated Term Credit Agreement, on December 18, 2013, Company closed on \$215 million of term loans (the “New U.S. Term Loan”) and its wholly-owned subsidiary, Spectrum Brands Europe GmbH (the “German Borrower”), closed on €225 million of term loans (the “Euro Term Loan” and, together with the New U.S. Term Loan, the “New Term Loans”). Company used the proceeds (i) to repay certain of its existing U.S. term loans under the Original Term Credit Agreement, (ii) to pay the fees and expenses incurred in connection with the First Restatement Agreement and the transactions contemplated therein and (iii) for general working capital and general corporate purposes.

Restated Term Credit Agreement

The Restated Term Credit Agreement, among other things, (i) permits the incurrence of the New U.S. Term Loan as incremental tranche C term loans, (ii) adds the German Borrower and permits the incurrence by it of the Euro Term Loan, (iii) permits U.K. subsidiaries of the Company in the future to be added as borrowers of additional term loans denominated in Euro, dollar or Sterling, (iv) permits security and guarantees by Spectrum Brands, Holdings and certain domestic subsidiaries of the Company in support of any obligations of the German Borrower and any U.K. borrower owing under the Restated Term Credit Agreement, (v) shortens the maturity date of the outstanding Canadian term loans from December 17, 2019 to September 4, 2019 and (vi) permits financial reporting, at the option of Spectrum Brands, to be at the level of Holdings or certain parent entities of Holdings (as opposed to the Spectrum Brands level).

Upon the incurrence of the New Term Loans and the repayment of existing term loans with the proceeds thereof, Spectrum Brands currently has Tranche A Term Loans, Tranche C Term Loans, Initial Canadian Term Loans and Initial Euro Term Loans as defined in, and under the Restated Term Credit Agreement. For information about such Tranche A Term Loans and Tranche C Term Loans, see Spectrum Brands Current Report on Form 8-K filed on September 4, 2013. For information about such Initial Canadian Term Loans, see Spectrum Brands Current Report on Form 8-K filed on December 21, 2012 and September 3, 2013.

New Term Loans

The New U.S. Term Loan has identical terms as, and is made fungible with, the existing Tranche C Term Loans. All outstanding amounts of the Euro Term Loans will bear interest at a rate per annum equal to the Euribor rate with a 0.75% per annum floor, plus a margin equal to 3.00% per annum. The issue price for the New Term Loans is 99.875% of the principal amount thereof, which original issue discount will be amortized over the life of the New Term Loans.

The New Term Loans will mature on September 4, 2019 and will amortize annually in an aggregate amount equal to 1.0% of the original principal amount thereof in four equal quarterly installments, with the remaining amount to be paid at maturity.

There is a prepayment fee equal to 1% of the principal amount of the New Term Loans optionally prepaid with the proceeds of lower cost debt financing (i) prior to March 4, 2014 in the case of the New U.S. Term Loans or (ii) within the first six months after the Closing Date in the case of the Euro Term Loans. Prepayments made after such periods will not be subject to premium or penalty, except Libor (or Euribor, as applicable) breakage costs, if applicable. Voluntary and mandatory prepayments of Term Loans will be applied to any class or classes of Term Loans at Spectrum Brands' election.

As of the Closing Date, the Euro Term Loan is (i) guaranteed by certain German subsidiaries of the German Borrower (together with the German Borrower, the "German Loan Parties") and (ii) secured by a first-priority share pledge granted by the German Borrower over its equity interest in Tetra Holding GmbH and Rayovac Europe GmbH. In the future, the Euro Term Loan may also be secured by additional collaterals, including (a) material inventory, equipment, receivables and bank accounts of the German Loan Parties in the event that no receivables are pledged to secure any German Loan Party's credit facilities in effect on the later of the Closing Date and the acquisition of a future German Loan Party (or any permitted refinancing, replacements or renewals thereof), (b) material intellectual properties owned by the German Loan Parties obtained after the Closing Date and (c) real property located in Germany and owned by the German Borrower or the German Subsidiary Guarantors for a period of 180 days or more.

Amendment to Spectrum Brands' Loan and Security Agreement

In connection with the First Restatement Agreement, the incurrence of the New Term Loans and the other transactions contemplated thereby, on December 18, 2013, Spectrum Brands entered into that certain Eighth Amendment (the "ABL Amendment") to its Loan and Security Agreement, dated as of June 16, 2010, with Holdings, Bank of America, N.A., as collateral agent and administrative agent, certain domestic subsidiaries of Spectrum Brands and lenders party thereto from time to time (as amended from time to time to the date hereof, the "ABL Loan Agreement") to, among other things, permit additional obligors to be obligors under the Restated Term Credit Agreement and the incurrence of the New Term Loans on their terms.

This summary does not purport to be complete and is qualified in its entirety by reference to the First Restatement Agreement, the Restated Term Credit Agreement (attached as an exhibit to the First Restatement Agreement) and the ABL Amendment, which are filed as exhibits 10.1 and 10.2, respectively, to this Current Report on Form 8-K.

SECTION 1. *Defined Terms; References.* Capitalized terms used herein and not otherwise defined herein have the meanings assigned to such terms in the Original Credit Agreement or the Restated Credit Agreement (as defined below), as the context may require. On

and after the First Restatement Effective Date, each reference to “hereof”, “hereunder”, “herein” and “hereby” and each other similar reference and each reference to “this Agreement” and each other similar reference contained in the Original Credit Agreement shall, after this Restatement Agreement becomes effective, be deemed a reference to the Restated Credit Agreement.

SECTION 2. Amendment and Restatement of the Original Credit Agreement. Effective as of the First Restatement Effective Date, the Original Credit Agreement, including all schedules and exhibits thereto, is hereby amended and restated, or deemed to be amended and restated, as the case may be, in its entirety in the form of the amended and restated Credit Agreement set forth as Exhibit A hereto (the Original Credit Agreement as so amended and restated is referred to herein as the “**Restated Credit Agreement**”).

SECTION 3. Refinancing of Initial U.S. Term Loans. Subject to and upon the terms and conditions set forth herein:

(a) the outstanding aggregate principal amount of all Initial U.S. Term Loans of each Lender which (i) is an existing Lender holding Initial U.S. Term Loans immediately prior to giving effect to this Restatement Agreement (each, an “**Existing Lender**”) and (ii) is not a Converting Lender (a Lender meeting the requirements of clauses (i) and (ii), each, a “**Non-Converting Lender**”) shall be repaid in full in cash with the proceeds of the Refinancing Loans (as set out in further detail in this Section 3 and Section 4 below), unless otherwise agreed by the Lead Borrower and the Administrative Agent;

(c) the outstanding principal amount of the Initial U.S. Term Loans of each Converting Lender shall automatically be converted into Converting Term Loans in a principal amount equal to such Converting Lender’s Incremental Tranche C Conversion Amount (each such conversion, a “**Loan Conversion**”). For purposes of this Restatement Agreement, a Converting Lender’s “**Incremental Tranche C Conversion Amount**” shall mean the amount determined by the Administrative Agent and the Lead Borrower as the final aggregate amount of such Converting Lender’s Loan Conversion on the First Restatement Effective Date and notified to each such Converting Lender by the Administrative Agent promptly after the First Restatement Effective Date. The Incremental Tranche C Conversion Amount of any Converting Lender shall not exceed (but may be less than) the principal amount of such Converting Lender’s Initial U.S. Term Loans immediately prior to the First Restatement Effective Date. Each resulting Borrowing of Converting Term Loans shall constitute a new "Borrowing" under the Restated Credit Agreement and be subject to the same Interest Period (and the same Adjusted LIBO Rate) applicable to the Borrowing of Tranche C Term Loans to which it relates, which Interest Period shall continue in effect until such Interest Period expires and a new Type of Borrowing is selected in accordance with the provisions of Section 2.03 of the Restated Credit Agreement;

(g) on the First Restatement Effective Date, the Lead Borrower shall pay in cash (i) all interest accrued but unpaid on the Initial U.S. Term Loans through the First Restatement Effective Date and (ii) to each Non-Converting Lender and each Converting Lender with a Non-Converting Portion any breakage loss or expenses due under Section 2.16 of the Credit Agreement. Notwithstanding anything to the contrary in this clause (g) or in Section 2.16 of the Original Credit Agreement, (x) each Converting Lender hereby irrevocably waives any entitlement to any breakage loss or expenses due under Section 2.16 of the Credit Agreement with respect to the repayment of any Initial U.S. Term Loans it held as a Lender which have been converted into Converting Term Loans on the First Restatement Effective Date and (y) each Lender that previously held Initial U.S. Term Loans that agrees to become a Lender with respect to New Incremental Tranche C Term Loans (by execution of an Assignment and Acceptance with respect to any New Incremental Tranche C Term Loans), hereby irrevocably waives any entitlement to any breakage loss or expenses due under Section 2.16 of the Credit Agreement with respect to Initial U.S. Term Loans it held as a Lender repaid by the New Incremental Tranche C Lender in an amount that is equal to the amount of New Incremental Tranche C Term Loans acquired by it;

(h) promptly following the First Restatement Effective Date, all Term Notes, if any, evidencing the Refinanced Term Loans shall be cancelled, and any Converting Lender or Lender that acquires New Incremental Tranche C Term Loans may request that such Term Loans be evidenced by a Term Note pursuant to Section 2.04(e) of the Credit Agreement; and

SECTION 4. Euro Term Loan Facility. Subject to and upon the terms and conditions set forth herein:

(a) the Euro Term Facility Lender agrees to make to the German Borrower Euro Term Loans in an aggregate principal amount equal to the commitment amount set forth opposite its name on Part B of Schedule 1 on the First Restatement Effective Date; and

(b) the Euro Term Loans will accrue interest at the applicable rate per annum and for the Interest Period selected in accordance with Section 2.06 of the Restated Credit Agreement.

“Section 16 Keepwell. The Lead Borrower hereby jointly and severally absolutely, unconditionally and irrevocably undertakes to provide such funds or other support as may be needed from time to time by each other Loan Party to honor all of its obligations under this Agreement in respect of Swap Obligations (provided, however, that the Lead Borrower shall only be liable under this Section 16 for the maximum amount of such liability that can be hereby incurred without rendering its obligations under this Section 16, or otherwise under this Guaranty, as it relates to such other Loan Party, voidable under applicable law relating to fraudulent conveyance or fraudulent transfer, and not for any greater amount). The obligations of the Lead Borrower under this Section 16 shall remain in full force and effect until the termination of this Agreement pursuant to Section 2(c). Each New Lender represents to the Agents and the Engagement Parties that it has, independently and without reliance upon any Agent, Engagement Party or any other Lender, and based on such documents and information as it has deemed appropriate, made its own appraisal of, and investigation into, the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and the German Loan Parties and their respective affiliates and made its own decision to provide Refinancing Term Loans hereunder and enter into this Restatement Agreement (or, as applicable, acquire New Incremental Tranche C Term Loans or Euro Term Loans pursuant to an Assignment and Acceptance) and, in each case, become a Lender under the Restated Credit Agreement. Each New Lender also represents that it will, independently and without reliance upon any Agent, Engagement Party or any other Lender, and based on such documents and information as it shall deem appropriate at the time, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under the Restated Credit Agreement and the other Loan Documents, and to make such investigation as it deems necessary to inform itself as to the business, operations, property, financial and other condition and creditworthiness of the Loan Parties and the German Loan Parties and their respective affiliates. Each New Lender hereby (a) confirms that it has received a copy of the Restated Credit Agreement and each other Loan Document and such other documents (including financial statements) and information as it deems appropriate to make its decision to enter into this Restatement Agreement (or, as applicable, acquire New Incremental Tranche C Term Loans or Euro Term Loans pursuant to an Assignment and Acceptance), (b) agrees that it shall be bound by the terms of the Restated Credit Agreement as a Lender thereunder and that it will perform in accordance with their terms all of the obligations which by the terms of the Loan Documents are required to be performed by it as a Lender, (c) irrevocably designates and appoints the Agents as the agents of such New Lender under the Restated Credit Agreement and the other Loan Documents, and each New Lender irrevocably authorizes each Agent, in such capacity, to take such action on its behalf

under the provisions of the Restated Credit Agreement and the other Loan Documents and to exercise such powers and perform such duties as are delegated to such Agent by the terms of the Restated Credit Agreement and the other Loan Documents, together with such other powers as are reasonably incidental thereto and (d) specifies as its lending office and address for notices the offices set forth on the Administrative Questionnaire provided by it to the Administrative Agent prior to the date hereof.

SECTION 16. *Governing Law.* This Restatement Agreement shall be governed by and construed and interpreted in accordance with the laws of the State of New York.

SECTION 17. *Confirmation of Guarantees and Security Interests.* By signing this Restatement Agreement, each U.S. Loan Party party hereto hereby confirms that (a) the obligations of the Lead Borrower, the Canadian Borrower and the German Borrower under the Original Credit Agreement and the other Loan Documents as amended, modified or supplemented by the terms of this Restatement Agreement (including with respect to the Refinancing Term Loans contemplated by this Restatement Agreement and the incurrence of the German Obligations by the German Borrower) (i) are entitled to the benefits of the guarantees and the security interests set forth or created in the Holdings/Lead Borrower Guaranty (as amended, modified or supplemented by the terms of this Restatement Agreement), the U.S. Subsidiary Guaranty (as amended, modified or supplemented by the terms of this Restatement Agreement), the Security Documents (including the U.S. Security Agreement (as amended, modified or supplemented by the terms of this Restatement Agreement)), and the other Loan Documents, (ii) constitute “Obligations”, “Secured Obligations” and “Guaranteed Obligations” or other similar term for purposes of the Original Credit Agreement, the Security Documents and each other Loan Document, in each case as amended, modified or supplemented by this Restatement Agreement and (iii) notwithstanding the effectiveness of the terms hereof, the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty, the Security Documents, and the other Loan Documents are, and shall continue to be, in full force and effect and are hereby ratified and confirmed in all respects and (b) each New Lender shall be a “Secured Party”, a “Secured Creditor” and a “Lender” (including without limitation for purposes of the definition of “Required Lenders” contained in Section 1.01 of the Restated Credit Agreement) for all purposes of the Restated Credit Agreement and the other Loan Documents. By signing this Restatement Agreement, each Loan Party party hereto ratifies and confirms that all Liens granted, conveyed, or assigned to any Agent by such Person pursuant to any Loan Document to which it is a party remain in full force and effect, are not released or reduced, and continue to secure full payment and performance of the Obligations (including the German Obligations) as amended, modified and/or increased hereby.

SECTION 18. *Credit Agreement Governs.* This Restatement Agreement shall not by implication or otherwise limit, impair, constitute a waiver of or otherwise affect the rights and remedies of any Lender or Agent under the Original Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Original Credit Agreement or any other provision of the Original Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. Nothing herein shall be deemed to entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Original Credit Agreement, the Restated Credit Agreement or any other Loan Document in similar or different circumstances.

SECTION 19. Counterparts. This Restatement Agreement may be signed in any number of counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument. Delivery of an executed counterpart of a signature page to this Restatement Agreement by facsimile or electronic (i.e., “pdf” or “tif”) transmission shall be effective as delivery of a manually executed counterpart of this Restatement Agreement.

SECTION 20. Miscellaneous. This Restatement Agreement shall constitute a “Refinancing Amendment”, an “Incremental Term Loan Assumption Agreement” and a “Loan Document” for all purposes of the Restated Credit Agreement and the other Loan Documents. The Lead Borrower shall pay all reasonable fees, costs and expenses of the Administrative Agent incurred in connection with the negotiation, preparation and execution of this Restatement Agreement and the transactions contemplated hereby. The provisions of this Restatement Agreement are deemed incorporated as of the First Restatement Effective Date into the Restated Credit Agreement as if fully set forth therein. To the extent required by the Restated Credit Agreement, each of the Lead Borrower and the Administrative Agent hereby consent to each New Lender that is not a Lender as of the date hereof becoming a Lender under the Restated Credit Agreement on the First Restatement Effective Date. In addition, the Lead Borrower hereby consents to the assignment by any New Lender of all or a portion of its Refinancing Term Loans to any bank, financial institution or other investor identified by any Engagement Party in writing to the Lead Borrower or the German Borrower, as appropriate, on or prior to the date hereof.

SECTION 21. Electronic Execution. The words “execution,” “signed,” “signature,” and words of like import in this Restatement Agreement or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 2.03 Borrowing Procedure. In order to request a Borrowing, the Lead Borrower shall notify the Administrative Agent of such request by telephone and (i) in the case of a Borrowing denominated in U.S. Dollars or Canadian Dollars (a) in the case of a Eurocurrency Borrowing, not later than 12:00 (noon) New York City time, three Business Days before a proposed Borrowing, and (b) in the case of an ABR Borrowing, not later than 12:00 noon New York City time, one Business Day before a proposed Borrowing and (ii) in the case of a Borrowing denominated in Euros or Sterling, in the case of a Eurocurrency Borrowing, not later than 11:00 a.m. London time, three Business Days before a proposed Borrowing. Each such telephonic Borrowing Request shall be irrevocable, and shall be confirmed promptly by hand delivery or fax to the Administrative Agent of a written Borrowing Request and shall specify the following information: (i) whether such Borrowing is to be a Eurocurrency Borrowing or an ABR Borrowing; provided that, with respect to any Borrowing on the Closing Date or the First Restatement Effective Date, the Lead Borrower shall not be permitted to request a Eurocurrency Borrowing with an Interest Period in excess of one month (unless otherwise agreed to by the Administrative Agent in its sole discretion); (ii) the date of such Borrowing (which shall be a Business Day); (iii) the number and location of the account to which funds are to be disbursed; (iv) the amount of such Borrowing; (v) the currency of such Borrowing and (vi) if such Borrowing is to be a Eurocurrency Borrowing, the Interest Period with respect thereto; provided, however, that, notwithstanding any contrary specification in any Borrowing Request, each requested Borrowing shall comply with the requirements set forth in Section 2.02. With respect to Term Loans denominated in Dollars, if no election as to the Type of Borrowing is specified in any such notice, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period with respect to any Eurocurrency Borrowing is specified in any such notice, then the Lead Borrower shall be deemed to have selected an Interest Period of one month's duration. The Administrative Agent shall promptly advise the applicable Lenders of any notice given pursuant to this Section 2.03 (and the contents thereof), and of each Lender's portion of the requested Borrowing.

Section 2.04 Evidence of Debt; Repayment of Loans. (a) Each Borrower hereby unconditionally promises to pay, on a several and not joint basis, to the Administrative Agent for the account of each Lender, the principal amount of each Term Loan of such Lender made available to such Borrower as provided in Section 2.11.

(b) Each Lender shall maintain in accordance with its usual practice an account or accounts evidencing the indebtedness of each Borrower, respectively to such Lender resulting from each Loan made by such Lender from time to time to such Borrower, including the amounts of principal and interest payable and paid to such Lender from time to time under this Agreement.

(c) The Administrative Agent shall maintain accounts in which it will record (i) the amount of each Loan made hereunder, the Class and Type thereof and, if applicable, the Interest Period applicable thereto, (ii) the amount of any principal or interest due and payable or to become due and payable from the applicable Borrower to each Lender hereunder and (iii) the amount of any sum received by the Administrative Agent hereunder from a Loan Party and each Lender's share thereof.

(d) The entries made in the accounts maintained pursuant to paragraphs (b) and (c) above shall be prima facie evidence of the existence and amounts of the obligations therein recorded; provided, however, that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligations of each Borrower to repay the Term Loans made available to such Borrower in accordance with their terms.

(e) Any Lender may request that Term Loans made by it hereunder be evidenced by a promissory note (each such note, a "Term Note"). In such event, the applicable Borrower shall execute and deliver to such Lender a promissory note payable to such Lender and its registered assigns and in a form and substance reasonably acceptable to the Administrative Agent and the Lead Borrower. Notwithstanding any other provision of this Agreement, in the event any Lender shall request and receive such a promissory note, the interests represented by such note shall at all times (including after any assignment of all or part of such interests pursuant to Section 9.04) be represented by one or more promissory notes payable to the payee named therein or its registered assigns.

Section 2.05 Fees. (a) The Lead Borrower shall pay, or shall cause the Canadian Borrower, to pay (i) to the Administrative Agent, for its own account, the administrative fees set forth in the Fee Letter at the times and in the amounts specified therein, (ii) to the Collateral Trustee, for its own account, such fees as have been separately agreed in writing in the amounts and at the times so specified and (iii) to the Administrative Agent for the account of the relevant Lenders such fees as shall have been separately agreed between the Borrowers and the Joint Lead Arrangers in respect of this Agreement in the amounts and at the times so agreed.

(b) In the event that the Tranche A Term Loans or the Tranche C Term Loans or the Initial Euro Term Loans are prepaid in whole or in part pursuant to Section 2.12(a) or Section 2.13(c), or in the event of an assignment of Term Loans pursuant to Section 2.21(a)(iv), in each case, in connection with, in the case of the Tranche A Term Loans or the Tranche C Term Loans, a Repricing Transaction on or prior to the date that is the six month anniversary of the New Term Loan Closing Date, and in the case of the Initial Euro Term Loans, a Repricing Transaction on or prior to the date that is the six month anniversary of the First Restatement Effective Date, the applicable Borrower shall pay to the relevant Lenders a prepayment fee (the "Prepayment Fee") equal to 1.00% of the principal amount so prepaid or assigned.

(c) All such Fees shall be paid on the dates due, in immediately available funds, to the Administrative Agent or the Collateral Trustee, as the case may be. Once paid, none of the Fees shall be refundable under any circumstances.

Section 2.06 Interest on Loans. (a) Subject to the provisions of Section 2.07, (I) the Tranche A Term Loans and the Tranche C Term Loans (and any other Term Loans denominated in Dollars) comprising any ABR Borrowing shall bear interest at a rate per annum equal to the Alternate Base Rate plus the Applicable Margin and (II) the Initial Canadian Term Loans and any other Canadian Term Loans denominated in Canadian Dollars comprising any ABR Borrowing shall bear interest at a rate per annum equal to the Canadian Prime Rate plus the Applicable Canadian Margin.

(b) Subject to the provisions of Section 2.07, (I) the Tranche A Term Loans and the Tranche C Term Loans (and any other Term Loans denominated in Dollars) comprising any Eurocurrency Borrowing shall bear interest at a rate per annum equal to the Adjusted LIBO Rate for the Interest Period in effect for such Borrowing plus the Applicable Margin, (II) the Initial Canadian Term Loans and any other Term Loans denominated in Canadian Dollars comprising any Eurocurrency Borrowing shall bear interest at a rate per annum equal to the CDOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Canadian Margin, (III) the Initial Euro Term Loans and any other Term Loans denominated in Euros comprising any Eurocurrency Borrowing shall bear interest at a rate per annum equal to the Adjusted EURIBOR Rate for the Interest Period in effect for such Borrowing plus the Applicable Euro Margin and (IV) any Sterling Term Loans shall bear interest at a rate per annum equal to the Adjusted Sterling Rate for the Interest Period in effect for such Borrowing plus the Applicable Sterling Margin.

(c) Interest on each Term Loan shall be payable on the Interest Payment Dates applicable to such Term Loan except as otherwise provided in this Agreement. The applicable Adjusted LIBO Rate, CDOR Rate, Adjusted EURIBOR Rate or Adjusted Sterling Rate for each Interest Period or day within an Interest Period, as the case may be, and the Alternate Base Rate and Canadian Prime Rate shall be determined by the Administrative Agent, and such determination shall be conclusive absent manifest error.

(d) For purposes of the *Interest Act* (Canada), (i) whenever any interest or fee under this Agreement or in any other Loan Document and payable by the Canadian Borrower is calculated using a rate based on a year of 360 days, 365 days or 366 days, as the case may be, the rate determined pursuant to such calculation, when expressed as an annual rate, is equivalent to (x) the applicable rate based on a year of 360 days, 365 days or 366 days, as the case may be, (y)

multiplied by the actual number of days in the calendar year in which the period for which such interest or fee is payable (or compounded) ends, and (z) divided by 360, 365 or 366, as the case may be, (ii) the principle of deemed reinvestment of interest does not apply to any interest calculation under this Agreement, and (iii) the rates of interest stipulated in this Agreement are intended to be nominal rates and not effective rates or yields.

Section 2.07 Default Interest. If any Borrower shall default in the payment of any principal of or interest on any Term Loan or any other amount due hereunder or under any other Loan Document, by acceleration or otherwise, then, until such defaulted amount shall have been paid in full, overdue principal and, to the extent permitted by law, overdue interest in respect of each Loan under this Agreement shall automatically (without the need of any vote by the Required Lenders) bear interest (after as well as before judgment) at a rate per annum equal to the rate otherwise applicable to such Loan pursuant to Section 2.06 plus 2.00% per annum and all other overdue amounts payable hereunder and under any other Loan Document shall bear interest at a rate per annum equal to the rate which is 2.00% in excess of the rate applicable to Loans that are maintained as ABR Loans (in respect of amounts owing in Dollars) or the Canadian Prime Rate (in respect of amounts owing in Canadian Dollars) or the rate otherwise applicable to Loans that are maintained as Eurocurrency Loans (in respect of amounts owing in Euros or Sterling) from time to time. All accrued and unpaid interest under this Section 2.07 shall be due and payable on demand of the Administrative Agent. Interest shall continue to accrue on the Obligations after the filing by or against any Borrower of any petition seeking any relief or remedy under any applicable Debtor Relief Laws.

Section 2.08 Alternate Rate of Interest. In the event, and on each occasion, that on the day two Business Days prior to the commencement of any Interest Period for a Eurocurrency Borrowing the Administrative Agent shall have determined that Dollar, Canadian Dollar, Euro or Sterling deposits, as applicable, in the principal amounts of the Loans comprising such Borrowing are not generally available in the London interbank market, the Canadian interbank market or the European interbank market respectively, or that the rates at which such Dollar, Canadian Dollar, Euro or Sterling deposits, as applicable, are being offered will not adequately and fairly reflect the cost to the majority of Lenders of making or maintaining the applicable Eurocurrency Loans during such Interest Period, or that reasonable means do not exist for ascertaining the Adjusted LIBO Rate, the CDOR Rate, the Adjusted EURIBOR Rate or the Adjusted Sterling Rate, the Administrative Agent shall, as soon as practicable thereafter, give written or fax notice of such determination to the Lead Borrower and the Lenders. In the event of any such determination, until the Administrative Agent shall have advised the Lead Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, any request by the Lead Borrower (on behalf of itself or the Canadian Borrower) for a Eurocurrency Borrowing pursuant to Section 2.03 or 2.10 shall be deemed to be a request for an ABR Borrowing and any obligation of the Lenders to make or maintain Eurocurrency Loans in Euros or Sterling, as applicable, shall be suspended and the Lead Borrower (on behalf of the German Borrower or any U.K. Borrower) and the Lenders shall establish a mutually acceptable alternative rate. Each determination by the Administrative Agent under this Section 2.08 shall be conclusive absent manifest error.

Section 2.09 Termination of Initial U.S. Term Loan Commitments, Canadian Term Loan Commitments, Tranche A Term Loan Commitments, Tranche C Term Loan Commitments, New Incremental Tranche C Term Loan Commitments and Euro Term Loan Commitments. The Initial U.S. Term Loan Commitments and the Canadian Term Loan Commitments in respect of the Initial Canadian Term Loans have automatically terminated upon the making of the Initial U.S. Term Loans and the Initial Canadian Term Loans on the Closing Date. The Tranche A Term Loan Commitments and the Tranche C Term Loan Commitments have automatically terminated upon the making of the Tranche A Term Loans and the Tranche C Term Loans on the New Term Loan Closing Date. The New Incremental Tranche C Term Loan Commitments shall automatically terminate upon the making of the New Incremental Tranche C Term Loans (as defined in the First Restatement Agreement) (and their conversion into Tranche C Term Loans) on the First Restatement Effective Date. The Initial Euro Term Loan Commitments shall automatically terminate upon the making of the Initial Euro Term Loans on the First Restatement Effective Date.

(i) each conversion or continuation shall be made pro rata among the applicable Lenders in accordance with the respective principal amounts of the Loans comprising the converted or continued Borrowing;

(ii) if less than all the outstanding principal amount of any Borrowing shall be converted or continued, then each resulting Borrowing shall satisfy the limitations specified in Sections 2.02(a) and 2.02(b) regarding the principal amount and maximum number of Borrowings of the relevant Type;

(iii) each conversion shall be effected by each Lender and the Administrative Agent by recording for the account of such Lender the new Term Loan of such Lender resulting from such conversion and reducing the Term Loan (or portion thereof) of such Lender being converted by an equivalent principal amount; accrued interest on any Eurocurrency Loan (or portion thereof) being converted shall be paid by the applicable Borrower at the time of conversion;

- (iv) the converted or continued Borrowing shall be made in the same currency as the Borrowing being converted or continued;

- (vii) any portion of a Eurocurrency Borrowing that cannot be converted into or continued as a Eurocurrency Borrowing by reason of the immediately preceding clause shall be automatically converted at the end of the Interest Period in effect for such Borrowing into an ABR Borrowing;

- (ix) upon notice to the Lead Borrower from the Administrative Agent given at the request of the Required Lenders, after the occurrence and during the continuance of a Default or Event of Default, no outstanding Term Loan may be converted into, or continued as, a Eurocurrency Loan.

The Administrative Agent shall advise the Lenders of any notice given pursuant to this Section 2.10 and of each Lender's portion of any converted or continued Borrowing. If the Borrower shall not have given notice in accordance with this Section 2.10 to continue any Borrowing into a subsequent Interest Period (and shall not otherwise have given notice in accordance with this Section 2.10 to convert such Borrowing), (a) any such Borrowing denominated in Dollars or Canadian Dollars, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), shall automatically be continued as an ABR Borrowing and (b) any such Borrowing denominated in Euros or Sterling, at the end of the Interest Period applicable thereto (unless repaid pursuant to the terms hereof), shall automatically be continued as a Eurocurrency Borrowing with an Interest Period of one month's duration.

All prepayments under this Section 2.12 shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

Section 2.13 Mandatory Prepayments. (a) Not later than the third Business Day following the receipt of Net Cash Proceeds by (w) any U.S. Loan Party in respect of (A) one or more Asset Sales in an aggregate amount in excess of \$2,000,000 (other than any Disposition of any property or assets permitted by Section 6.05 (except Section 6.05(b)(xiii) and (b)(xviii))) or (B) one or more Casualty Events in an aggregate amount in excess of \$2,000,000, the Lead Borrower shall apply the Net Cash Proceeds received with respect thereto to prepay outstanding Term Loans in accordance with Section 2.13(e), (x) the Canadian Borrower or any Canadian Subsidiary Guarantor in respect of (A) one or more Asset Sales in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency) (other than any Disposition of any property or assets permitted by Section 6.05 (except Section 6.05(b)(xiii) and (b)(xviii))) or (B) one or more Casualty Events in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency), the Canadian Borrower shall apply the Net Cash Proceeds received with respect thereto to prepay outstanding Canadian Term Loans in accordance with Section 2.13(e), (y) the German Borrower or any German Subsidiary Guarantor in respect of (A) one or more Asset Sales in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency) (other than any Disposition of any property or assets permitted by Section 6.05 (except Section 6.05(b)(xiii) and (b)(xviii))) or (B) one or more Casualty Events in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency), the German Borrower shall apply the Net Cash Proceeds received with respect thereto to prepay outstanding Euro Term Loans in accordance with Section 2.13(e) or (z) unless otherwise provided for in the applicable Borrower Joinder Agreement, any U.K. Borrower or any U.K. Subsidiary Guarantor in respect of (A) one or more Asset Sales in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency) (other than any Disposition of any property or assets permitted by Section 6.05 (except Section 6.05(b)(xiii) and (b)(xviii))) or (B) one or more Casualty Events in an aggregate amount in excess of \$2,000,000 (or the equivalent amount in any other currency), any U.K. Borrower shall apply the Net Cash Proceeds received with respect thereto to prepay outstanding Term Loan of such U.K. Borrower in accordance with Section 2.13(e); provided that if at the time that any such prepayment would be required with any Net Cash Proceeds referred to in clause (a)(x) above, the Lead Borrower is required to offer to repurchase Permitted First Priority Refinancing Debt or New Incremental Notes (or any Permitted Refinancing thereof that is secured on a *pari passu* basis with the Obligations (other than the Canadian Obligations, the German Obligations and any U.K. Obligations)) pursuant to the terms of the documentation governing such Indebtedness with such Net Cash Proceeds in respect of any such Asset Sale or any such Casualty Event (such Indebtedness (or Permitted Refinancing thereof) required to be offered to be so repurchased, "Other Applicable Indebtedness"), then the Lead Borrower may apply such Net Cash Proceeds on a pro rata basis (determined on the basis of the aggregate outstanding principal amount of the Term Loans and Other Applicable Indebtedness at such time); provided, further that the portion of such Net Cash Proceeds allocated to

the Other Applicable Indebtedness shall not exceed the amount of such Net Cash Proceeds required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof, and the remaining amount, if any, of such Net Cash Proceeds shall be allocated to the Term Loans in accordance with the terms hereof) to the prepayment of the Term Loans and to the repurchase or prepayment of Other Applicable Indebtedness, and the amount of prepayment of the Term Loans that would have otherwise been required pursuant to clause (a)(x) above shall be reduced accordingly; provided, further, that to the extent the holders of Other Applicable Indebtedness decline to have such indebtedness repurchased or prepaid, the declined amount shall promptly (and in any event within ten (10) Business Days after the date of such rejection) be applied to prepay the Term Loans in accordance with clause (a)(x) above. Notwithstanding the foregoing, the amount of Net Cash Proceeds from any Asset Sale or Casualty Event required to be (x) reinvested in assets (other than working capital assets) used or useful in the business of the Lead Borrower and its Restricted Subsidiaries or (y) applied to repay outstanding Loans, in each case as provided in this Section 2.13(a), shall be reduced on a dollar-for-dollar basis by the amount of any investment (not funded with Net Cash Proceeds from any other Asset Sale or Casualty Event that previously reduced a Loan Party's or its Restricted Subsidiary's obligation to repay Loans pursuant to this Section 2.13(a)) made by the Lead Borrower or any of its Restricted Subsidiaries in assets (other than working capital assets) used or useful in the business of the Lead Borrower and its Restricted Subsidiaries (including pursuant to a Permitted Acquisition (including a Permitted Acquisition of the equity interests in another Person)) within 90 days prior to the receipt of such Net Cash Proceeds.

(b) On each Excess Cash Flow Payment Date, the Lead Borrower shall make mandatory principal prepayments of the Loans in the manner set forth in clause (e) below in an amount equal to the remainder (if positive) of (A) the Applicable Excess Cash Flow Percentage of Excess Cash Flow, if any, for such Excess Cash Flow Payment Period minus (B) the aggregate amount of voluntary prepayments of any Term Loan during such Excess Cash Flow Payment Period, in each case, solely to the extent that such prepayments were made in accordance with Section 2.12 and were not funded with the incurrence of any Funded Debt (other than revolving Funded Debt).

(c) In the event that any Loan Party or any Restricted Subsidiary of a Loan Party shall receive Net Cash Proceeds from the issuance or incurrence of Indebtedness for money borrowed of any Loan Party or any Restricted Subsidiary of a Loan Party (other than any cash proceeds from the issuance of Indebtedness for money borrowed permitted pursuant to Section 6.01 (other than any Credit Agreement Refinancing Indebtedness)), the Lead Borrower shall, substantially simultaneously with (and in any event not later than the third Business Day next following) the receipt of such Net Cash Proceeds by such Loan Party or such subsidiary, apply an amount equal to 100% of such Net Cash Proceeds to prepay outstanding Loans in accordance with Section 2.13(e).

(d) In the event that Super Holdco or any U.S. Loan Party shall receive Net Cash Proceeds in excess of \$1,000,000 in respect of any purchase price adjustment relating to the Acquisition (a "Purchase Price Adjustment"), the Lead Borrower shall, substantially simultaneously with (and in any event not later than the third Business Day next following) the receipt of such Net Cash Proceeds by any such Person, cause an amount equal to 100% of such Net Cash Proceeds to be applied to prepay outstanding Loans in accordance with Section 2.13(e).

(e) Mandatory prepayments of outstanding Loans under this Agreement shall be allocated (w) with respect to Net Cash Proceeds received by the Lead Borrower or any U.S. Restricted Subsidiary (other than Net Cash Proceeds of any Credit Agreement Refinancing Indebtedness incurred pursuant to Section 2.26, which may, at the election of the Lead Borrower, be applied on a pro rata basis to each Class of outstanding U.S. Term Loans only, each Class of outstanding Canadian Term Loans only, each Class of outstanding Euro Term Loans only or each Class of outstanding Sterling Term Loans only), by the Lead Borrower among each Class of outstanding Term Loans on a pro rata basis, with each Class to be allocated its Term Loan Percentage of the amount of the respective repayment and applied pro rata against the remaining scheduled installments of principal due in respect of such Term Loans under Sections 2.11(a) (i), (ii), (iii), (iv), (v) and (vi), respectively, falling due in the next 24 months following the date of the applicable event giving rise to the prepayment obligation under this Section 2.13 in direct order of maturity (based upon the then remaining amount of such scheduled installments after giving effect to all prior reductions thereto) and thereafter shall be applied to reduce the then remaining scheduled installments of such Term Loans pro rata (based upon the then remaining amount of such scheduled installments after giving effect to all prior reductions thereto) except to the extent the terms of any Incremental Term Loans, Other Term Loans, New Term Loans or Extended Term Loans provide for a less favorable treatment of any Incremental Term Loans, Other Term Loans, New Term Loans or Extended Term Loans with respect to any such mandatory prepayments, (x) with respect to Net Cash Proceeds received by the Canadian Borrower or any Canadian Subsidiary, at the election of the Lead Borrower, by the Canadian Borrower to the Canadian Term Loans or by the Lead Borrower to the Term Loans in accordance with the preceding clause (w) above, (y) with respect to Net Cash Proceeds received by the German Borrower or any German Subsidiary, at the election of the Lead Borrower, by the German Borrower to the Euro Term Loans or by the Lead Borrower to the Term Loans in accordance with the preceding clause (w) above and (z) with respect to Net Cash Proceeds received by any U.K. Borrower or any U.K. Subsidiary (from and after the date on which any U.K. Borrower executes a Borrower Joinder Agreement), at the election of the Lead Borrower, by such U.K. Borrower to the Term Loans of such U.K. Borrower or by the Lead Borrower to the Term Loans in accordance with the preceding clause (w) above.

(f) Notwithstanding any other provisions of this Section 2.13, to the extent that any or all of the Net Cash Proceeds of any Disposition by a Foreign Subsidiary (other than (x) a Disposition by the Canadian Borrower or its Canadian Subsidiaries, (y) a Disposition by the German Borrower or its German Subsidiaries or (z) a Disposition by any U.K. Borrower or its U.K. Subsidiaries (from and after the date on which any U.K. Borrower executes a Borrower Joinder Agreement)) (a “Foreign Disposition”) or the Net Cash Proceeds of any Casualty Event from a Foreign Subsidiary (other than a Casualty Event of the Canadian Borrower or its Canadian Subsidiaries) (a “Foreign Casualty Event”), in each case giving rise to a prepayment event pursuant to Section 2.13(a), or Excess Cash Flow giving rise to a prepayment event pursuant to Section 2.13(b) are or is prohibited or delayed by applicable local law from being repatriated to the United States, Canada, Germany or the U.K. (from and after the date on which any U.K. Borrower executes a Borrower Joinder Agreement), the portion of such Net Cash Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in this Section 2.13 but may be retained by the applicable Foreign

Subsidiary so long, but only so long, as the applicable local law will not permit repatriation to the United States, Canada, Germany or the U.K. (from and after the date on which any U.K. Borrower executes a Borrower Joinder Agreement) (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable local law to permit such repatriation), and once such repatriation of any of such affected Net Cash Proceeds or Excess Cash Flow is permitted under the applicable local law, such repatriation will be immediately effected and such repatriated Net Cash Proceeds or Excess Cash Flow will be promptly (and in any event not later than two (2) Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof) to the repayment of the Loans pursuant to this Section 2.13 to the extent provided herein and (B) to the extent that the Lead Borrower has determined in good faith that repatriation of any of or all the Net Cash Proceeds of any Foreign Disposition, any Foreign Casualty Event or Excess Cash Flow would have a material adverse tax cost consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Cash Proceeds or Excess Cash Flow, the Net Cash Proceeds or Excess Cash Flow so affected may be retained by the applicable Foreign Subsidiary, provided that, in the case of this clause (B), on or before the date on which any Net Cash Proceeds so retained would otherwise have been required to be applied to reinvestments or prepayments pursuant to this Section 2.13 (or such Excess Cash Flow would have been so required if it were Net Cash Proceeds), (x) the applicable Borrower applies an amount equal to such Net Cash Proceeds or Excess Cash Flow to such reinvestments or prepayments as if such Net Cash Proceeds or Excess Cash Flow had been received by the applicable Borrower rather than such Foreign Subsidiary, less the amount of additional taxes that would have been payable or reserved against if such Net Cash Proceeds or Excess Cash Flow had been repatriated (or, if less, the Net Cash Proceeds or Excess Cash Flow that would be calculated if received by such Foreign Subsidiary) or (y) such Net Cash Proceeds or Excess Cash Flow are applied to the repayment of Indebtedness of a Foreign Subsidiary.

(g) The applicable Borrower shall deliver to the Administrative Agent, at the time of each prepayment required under this Section 2.13, (i) a certificate signed by a Financial Officer of the Lead Borrower setting forth in reasonable detail the calculation of the amount of such prepayment and (ii) at least three Business Days' prior written notice of such prepayment. Each notice of prepayment shall specify the prepayment date, the Type and Class of each Term Loan being prepaid and the principal amount of each Term Loan (or portion thereof) to be prepaid. All prepayments of Borrowings under this Section 2.13 shall be subject to Section 2.16 and Section 2.05(b), if applicable, but shall otherwise be without premium or penalty, and shall be accompanied by accrued and unpaid interest on the principal amount to be prepaid to but excluding the date of payment.

Section 2.14 Reserve Requirements; Change in Circumstances. (a) Notwithstanding any other provision of this Agreement, if any Change in Law shall impose, modify or deem applicable any reserve, special deposit or similar requirement against assets of, deposits with or for the account of or credit extended by any Lender (except any such reserve requirement which is reflected in the Adjusted LIBO Rate, CDOR Rate, Adjusted EURIBOR Rate or Adjusted Sterling Rate) or shall impose on such Lender or the London interbank market any other condition affecting this Agreement or Eurocurrency Loans made by such Lender, and the result of any of the foregoing shall be to increase the cost to such Lender of making or

maintaining any Eurocurrency Loan or increase the cost to any Lender or to reduce the amount of any sum received or receivable by such Lender hereunder (whether of principal, interest or otherwise) by an amount deemed by such Lender to be material, then the applicable Borrower will pay to such Lender upon demand such additional amount or amounts as will compensate such Lender for such additional costs incurred or reduction suffered.

(b) If any Lender shall have determined that any Change in Law regarding capital adequacy has or would have the effect of reducing the rate of return on such Lender's capital or on the capital of such Lender's holding company, if any, as a consequence of this Agreement or the Term Loans made pursuant hereto to a level below that which such Lender or such Lender's holding company could have achieved but for such Change in Law (taking into consideration such Lender's policies and the policies of such Lender's holding company with respect to capital adequacy) by an amount deemed by such Lender to be material, then from time to time the applicable Borrower shall pay to such Lender such additional amount or amounts as will compensate such Lender or such Lender's holding company for any such reduction suffered.

(c) A certificate of a Lender setting forth the amount or amounts necessary to compensate such Lender or its holding company, as applicable, as specified in paragraph (a) or (b) above shall be delivered to the Lead Borrower and shall be conclusive absent manifest error. The applicable Borrower shall pay such Lender the amount shown as due on any such certificate delivered by it within 10 days after its receipt of the same.

(d) Failure or delay on the part of any Lender to demand compensation for any increased costs or reduction in amounts received or receivable or reduction in return on capital shall not constitute a waiver of such Lender's right to demand such compensation; provided that the Borrowers shall not be under any obligation to compensate any Lender under paragraph (a) or (b) above with respect to increased costs or reductions with respect to any period prior to the date that is 120 days prior to such request if such Lender knew or could reasonably have been expected to know of the circumstances giving rise to such increased costs or reductions and of the fact that such circumstances would result in a claim for increased compensation by reason of such increased costs or reductions; provided, further, that the foregoing limitation shall not apply to any increased costs or reductions arising out of the retroactive application of any Change in Law within such 120-day period. The protection of this Section 2.14 shall be available to each Lender regardless of any possible contention of the invalidity or inapplicability of the Change in Law that shall have occurred or been imposed.

Section 2.15 Change in Legality. (a) Notwithstanding any other provision of this Agreement, if any Change in Law shall make it unlawful for any Lender to make or maintain any Type of Eurocurrency Loan or to give effect to its obligations as contemplated hereby with respect to any Type of Eurocurrency Loan, then, by written notice to the Lead Borrower and to the Administrative Agent:

(i) such Lender may declare that Eurocurrency Loans will not thereafter (for the duration of such unlawfulness) be made by such Lender hereunder (or be continued for additional Interest Periods) and ABR Loans will not thereafter (for such duration) be converted into such Type of Eurocurrency Loans, whereupon any request for such Type

of a Eurocurrency Borrowing (or to convert an ABR Borrowing to such Type of a Eurocurrency Borrowing or to continue such Type of a Eurocurrency Borrowing for an additional Interest Period) shall, as to such Lender only, be deemed a request for an ABR Loan (or a request to continue an ABR Loan as such for an additional Interest Period or to convert such Type of a Eurocurrency Loan into an ABR Loan, as the case may be) or, in the case of any Loan denominated in Euros or Sterling, shall, as to such Lender only, be deemed a request for a Eurocurrency Loan with an Interest Period of one month's duration and the Lead Borrower and the Administrative Agent shall establish a mutually acceptable alternative rate with respect thereto, unless such declaration shall be subsequently withdrawn; and

(ii) such Lender may require that all outstanding Eurocurrency Loans of such Type made by it be converted to ABR Loans (other than Loans denominated in Euros or Sterling), in which event all such Eurocurrency Loans shall be automatically converted to ABR Loans as of the effective date of such notice as provided in paragraph (b) below.

In the event any Lender shall exercise its rights under (i) or (ii) above, all payments and prepayments of principal that would otherwise have been applied to repay the Eurocurrency Loans of such Type that would have been made by such Lender or the converted Eurocurrency Loans of such Type of such Lender shall instead be applied to repay the ABR Loans or Loans subject to an alternative rate made by such Lender in lieu of, or resulting from the conversion of, such Eurocurrency Loans of such Type.

(b) For purposes of this Section 2.15, a notice to the Lead Borrower by any Lender shall be effective as to each Eurocurrency Loan of such Type made by such Lender, if lawful, on the last day of the Interest Period then applicable to such Eurocurrency Loan; in all other cases such notice shall be effective on the date of receipt by the applicable Borrower.

Section 2.16 Breakage. Each Borrower shall indemnify each Lender against any loss (other than any lost profit or margin) or expense that such Lender may sustain or incur as a consequence of (a) any event, other than a default by such Lender in the performance of its obligations hereunder, which results in (i) such Lender receiving or being deemed to receive any amount on account of the principal of any Eurocurrency Loan prior to the end of the Interest Period in effect therefor, (ii) the conversion of any Eurocurrency Loan to an ABR Loan, or the conversion of the Interest Period with respect to any Eurocurrency Loan, in each case other than on the last day of the Interest Period in effect therefor, or (iii) any Eurocurrency Loan to be made by such Lender (including any Eurocurrency Loan to be made pursuant to a conversion or continuation under Section 2.10) not being made after notice of a Borrowing Request to make such Term Loan or conversion notice to convert such Term Loan shall have been given by the Borrower hereunder (any of the events referred to in this clause (a) being called a "Breakage Event") or (b) any default in the making of any payment or prepayment required to be made hereunder. In the case of any Breakage Event, such loss shall include an amount equal to the excess, as reasonably determined by such Lender, of (i) its cost of obtaining funds for the Eurocurrency Loan that is the subject of such Breakage Event for the period from the date of such Breakage Event to the last day of the Interest Period in effect (or that would have been in effect) for such Term Loan over (ii) the amount of interest likely to be realized by such Lender in

redeploying the funds released or not utilized by reason of such Breakage Event for such period. A certificate of any Lender setting forth any amount or amounts which such Lender is entitled to receive pursuant to this Section 2.16 shall be delivered to the Lead Borrower and shall be conclusive absent manifest error.

Section 2.17 Pro Rata Treatment. Subject to Section 2.15, each Borrowing, each payment or prepayment of principal of any Borrowing made by or on behalf of a Borrower, each payment of interest on the Loans made by or on behalf of a Borrower, each reduction of the Commitments and each conversion of any Borrowing to or continuation of any Borrowing as a Borrowing of any Type shall be allocated pro rata among the applicable Lenders of such Class in accordance with their respective applicable Commitments (or, if such Commitments shall have expired or been terminated, in accordance with the respective principal amounts of their outstanding Loans). Each Lender agrees that in computing such Lender's portion of any Borrowing to be made hereunder, the Administrative Agent may, in its discretion, round each Lender's percentage of such Borrowing to the next higher or lower whole Dollar amount, Canadian Dollar amount, Euro amount or Sterling amount, as applicable.

Section 2.18 Sharing of Setoffs. Each Lender agrees that if it shall, through the exercise of a right of banker's lien, setoff or counterclaim against the Lead Borrower, the Canadian Borrower, the German Borrower, any U.K. Borrower, or any other Loan Party, or pursuant to a secured claim under Section 506 of Title 11 of the United States Code or other security or interest arising from, or in lieu of, such secured claim, received by such Lender under any applicable Debtor Relief Laws or otherwise, or by any other means, obtain payment (voluntary or involuntary) in respect of any Loans as a result of which the unpaid principal portion of its Loans of a Class to a Borrower shall be proportionately less than the unpaid principal portion of the Loans of that Class to such Borrower of any other Lender, it shall be deemed simultaneously to have purchased from such other Lender at face value, and shall promptly pay to such other Lender the purchase price for, a participation in such Loans of such other Lender, so that the aggregate unpaid principal amount of such Loans and participations in such Loans held by each applicable Lender shall be in the same proportion to the aggregate unpaid principal amount of all such Loans then outstanding as the principal amount of such Loans and participations in such Loans held by the Lender prior to such exercise of banker's lien, setoff or counterclaim or other event was to the principal amount of all such Loans outstanding prior to such exercise of banker's lien, setoff or counterclaim or other event; provided, however, that (i) if any such purchase or purchases or adjustments shall be made pursuant to this Section 2.18 and the payment giving rise thereto shall thereafter be recovered, such purchase or purchases or adjustments shall be rescinded to the extent of such recovery and the purchase price or prices or adjustment restored without interest, and (ii) the provisions of this Section 2.18 shall not be construed to apply to any payment made by a Borrower to a Lender in its capacity as such pursuant to and in accordance with the express terms of this Agreement or any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans to any assignee or participant. Each Borrower and Holdings expressly consents to the foregoing arrangements and agrees that any Lender holding a participation in a Loan deemed to have been so purchased may exercise any and all rights of banker's lien, setoff or counterclaim with respect to any and all moneys owing by any Borrower and Holdings to such Lender by reason thereof as fully as if such Lender had made a Loan directly to the applicable Borrower in the amount of such participation.

Section 2.19 Payments. (a) Each Borrower shall make each payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder and under any other Loan Document not later than 2:00 p.m., (New York City time), in the case of any Loan denominated in Dollars or Canadian Dollars, not later than 12:00 p.m. (London time) in the case of any Loan denominated in Euros, and not later than 12:00 p.m. (London time) in the case of any Loan denominated in Sterling, in each case, on the date when due in immediately available funds payable in Dollars, Canadian Dollars, Euros or Sterling, as applicable, in each case without setoff, defense or counterclaim. Each such payment in (x) Dollars shall be made to the Administrative Agent at the U.S. Payment Office, (y) Canadian Dollars shall be made to the Administrative Agent at the Canadian Payment Office and (z) Euros, Sterling or any other currency shall be made to the Administrative Agent at the Administrative Agent's Office. The Administrative Agent shall promptly distribute to each Lender any payments received by the Administrative Agent on behalf of such Lender.

(b) Except as otherwise expressly provided herein, whenever any payment (including principal of or interest on any Borrowing or any Fees or other amounts) hereunder or under any other Loan Document shall become due, or otherwise would occur, on a day that is not a Business Day, such payment may be made on the next succeeding Business Day, and such extension of time shall in such case be included in the computation of interest.

Section 2.20 Taxes. (a) Any and all payments by or on account of any obligation of each Borrower or any other Loan Party hereunder or under any other Loan Document shall be made free and clear of and without deduction for any Taxes unless required by applicable law; provided that, if a Borrower or any other Loan Party shall be required by applicable law to deduct any Taxes from such payments, then (i) if such Taxes are Indemnified Taxes or Other Taxes, the sum payable shall be increased as necessary so that after making all required deductions (including deductions applicable to additional sums payable under this Section 2.20) the Administrative Agent and each Lender (as the case may be) receives an amount equal to the sum it would have received had no such deductions been made, (ii) such Borrower or such Loan Party shall make such deductions and (iii) such Borrower or such Loan Party shall pay the full amount deducted to the relevant Governmental Authority in accordance with applicable law.

(b) In addition, each Borrower (as applicable) shall pay any Other Taxes to the relevant Governmental Authority in accordance with applicable law.

(c) Each Borrower shall indemnify the Administrative Agent and each Lender, within 10 days after written demand therefor, for the full amount of any Indemnified Taxes or Other Taxes paid by the Administrative Agent or such Lender, as the case may be, on or with respect to any payment by or on account of any obligation of such Borrower or (i) in the case of the Lead Borrower, any other U.S. Loan Party (ii) in the case of the Canadian Borrower, any other Canadian Loan Party (iii) in the case of the German Borrower, any other German Loan Party and (iv) in the case of the U.K. Borrower, any other U.K. Loan Party, hereunder or under

any other Loan Document (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.20) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate as to the amount of such payment or liability delivered to the Lead Borrower by a Lender, or by the Administrative Agent on behalf of itself or a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Indemnified Taxes or Other Taxes by any Borrower or any other Loan Party to a Governmental Authority, the Lead Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) (I) Except with respect to such documents set forth in Section 2.20(f) below, any Lender that is entitled to an exemption from or reduction of any withholding tax under the law of the jurisdiction in which any Borrower is located, or any treaty to which such jurisdiction is a party, with respect to payments under this Agreement shall deliver to the Lead Borrower and, if necessary, the IRS or other Governmental Authority (with a copy to the Administrative Agent), at the time or times prescribed by applicable law, such properly completed and executed documentation prescribed by applicable law or reasonably requested by the Lead Borrower as will permit such payments to be made without withholding or at a reduced rate. Such Lender shall promptly notify the Lead Borrower at any time it determines that it is no longer in a position to provide any previously delivered documentation to the Lead Borrower or, if applicable, the IRS or other Governmental Authority. Notwithstanding anything to the contrary in the preceding sentence, the completion, execution and submission of such documentation (other than such documentation set forth in Section 2.20(e)(II) and 2.20(f) below) shall not be required if in the Lender's reasonable judgment such completion, execution or submission would subject such Lender to any material unreimbursed cost or expense or would materially prejudice the legal or commercial position of such Lender.

(II) Without limiting the generality of the foregoing, any Foreign Lender shall deliver to the Lead Borrower, Administrative Agent and, if necessary, the IRS or other Governmental Authority (in such number of copies as shall be requested by the recipient) on or prior to the date on which such Foreign Lender becomes a Lender under this Agreement (and from time to time thereafter (i) if such Foreign Lender shall determine that any applicable form or certification has expired or will then expire or has or will then become obsolete or incorrect or that an event has occurred that requires or will then require a change in the most recent form or certification previously delivered by it to the Lead Borrower and the Administrative Agent and (ii) upon the request of the Lead Borrower or Administrative Agent, but only if such Foreign Lender is legally entitled to do so), whichever of the following is applicable:

(i) duly completed copies of IRS Form W-8BEN claiming eligibility for benefits of an income tax treaty to which the United States of America is a party;

(ii) duly completed copies of IRS Form W-8ECI;

(iii) in the case of a Foreign Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or 881(c) of the Code: (x) a certificate substantially in the form of Exhibit M (any such certificate, a “United States Tax Compliance Certificate”) to the effect that such Foreign Lender is not: (A) a “bank” within the meaning of Section 881(c)(3)(A) of the Code, (B) a “10 percent shareholder” of the Borrower within the meaning of Section 881(c)(3)(B) of the Code, or (C) a “controlled foreign corporation” described in Section 881(c)(3)(C) of the Code and (y) duly completed copies of IRS Form W-8BEN;

(iv) to the extent a Foreign Lender is not the beneficial owner (for example, where the Foreign Lender is a partnership or participating Lender granting a typical participation), duly completed copies of IRS Form W-8IMY, accompanied by duly completed IRS Form W-8ECI, IRS Form W-8BEN, a United States Tax Compliance Certificate, IRS Form W-9 or other required documentation from each beneficial owner, as applicable (together with, if applicable, duly completed copies of IRS Form W-8IMY of any upper-tier non-beneficial owner of such Foreign Lender); or

(v) any other form prescribed by applicable law as a basis for claiming exemption from or a reduction of United States federal withholding Tax duly completed together with such supplementary documentation as may be prescribed by applicable law to permit the Borrower to determine the withholding or deduction required to be made.

(f) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding Tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Lead Borrower and the Administrative Agent at the time or times prescribed by law and at such time or times reasonably requested by the Lead Borrower or the Administrative Agent such documentation prescribed by applicable law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Lead Borrower or the Administrative Agent as may be necessary for each Borrower and the Administrative Agent to comply with their obligations under FATCA and to determine that such Lender has complied with such Lender’s obligations under FATCA or to determine the amount to deduct and withhold from such payment. Solely for purposes of this clause (f), “FATCA” shall include any amendments made to FATCA after the date of this Agreement.

(g) If a Lender or the Administrative Agent determines, in its sole discretion, that it has received a refund in respect of any Indemnified Taxes or Other Taxes as to which it has been indemnified by any Borrower or with respect to which any Borrower or other Loan Party has paid additional amounts pursuant to this Section 2.20, it shall pay over the amount of such refund to such Borrower or other Loan Party, as applicable (but only to the extent of indemnity payments made under this Section 2.20 with respect to the Indemnified Taxes or Other Taxes, as the case may be, giving rise to such refund), net of all out-of-pocket expenses of such Lender or the Administrative Agent and without interest (other than interest paid by the relevant taxation authority with respect to such refund); provided that such Borrower or other Loan Party, upon the request of such Lender or the Administrative Agent, agrees to repay the

amount paid over to such Borrower or other Loan Party (plus penalties, interest or other charges) to such Lender or the Administrative Agent in the event such Lender or the Administrative Agent is required to repay such refund to such taxation authority; provided, further, that this subsection shall not be construed to require such Lender or the Administrative Agent to make available its tax returns (or any other information relating to its Taxes that it deems confidential) to the Borrowers or any other Person.

(h) VAT:

(i) All amounts expressed to be payable under any Loan Document by any Party to a Lender Party which (in whole or in part) constitute the consideration for any supply for VAT purposes are deemed to be exclusive of any VAT which is chargeable on that supply, and accordingly, subject to Section 2.20(h)(ii) below, if VAT is or becomes chargeable on any supply made by any Lender Party to any Party under any Loan Document and such Lender Party is required to account to the relevant tax authority for the VAT, that Party must pay to such Lender Party (in addition to and at the same time as paying any other consideration for such supply) an amount equal to the amount of the VAT (and such Lender Party must promptly provide an appropriate VAT invoice to that Party).

(ii) If VAT is or becomes chargeable on any supply made by any Lender Party (the "Supplier") to any other Lender Party (the "Recipient") under any Loan Document, and any Party other than the Recipient (the "Relevant Party") is required by the terms of any Loan Document to pay an amount equal to the consideration for that supply to the Supplier (rather than being required to reimburse or indemnify the Recipient in respect of that consideration):

(A) (where the Supplier is the person required to account to the relevant tax authority for the VAT) the Relevant Party must also pay to the Supplier (at the same time as paying that amount) an additional amount equal to the amount of the VAT. The Recipient must (where this paragraph (A) applies) promptly pay to the Relevant Party an amount equal to any credit or repayment the Recipient receives from the relevant tax authority which the Recipient reasonably determines relates to the VAT chargeable on that supply; and

(B) (where the Recipient is the person required to account to the relevant tax authority for the VAT) the Relevant Party must promptly, following demand from the Recipient, pay to the Recipient an amount equal to the VAT chargeable on that supply but only to the extent that the Recipient reasonably determines that it is not entitled to credit or repayment from the relevant tax authority in respect of that VAT.

(iii) Where a Loan Document requires any Party to reimburse or indemnify a Lender Party for any cost or expense, that Party shall reimburse or indemnify (as the case may be) such Lender Party for the full amount of such cost or expense, including such part thereof as represents VAT, save to the extent that such Lender Party reasonably determines that it is entitled to credit or repayment in respect of such VAT from the relevant tax authority.

(iv) Any reference in this Section 2.20(h) to any Party shall, at any time when such Party is treated as a member of a group (including but not limited to any fiscal unities) for VAT purposes, include (where appropriate and unless the context otherwise requires) a reference to the person who is treated as making the supply, or (as appropriate) receiving the supply under the grouping rules.

(v) In relation to any supply made by a Lender Party to any Party under a Loan Document, if reasonably requested by such Lender Party, that Party must promptly provide such Lender Party with details of that Party's VAT registration and such other information as is reasonably requested in connection with such Lender Party's VAT reporting requirements in relation to such supply.

(vi) Any election towards VAT pursuant to section 9 German Value Added Tax Act (*Umsatzsteuergesetz*) or similar VAT provisions provided for in the relevant national jurisdiction in connection with any supply made among any Parties under a Loan Document requires the prior written consent by the Borrower Representative, which shall not unreasonably be withheld.

(i) Any U.K. Borrower and the Administrative Agent shall separately agree any tax provisions that are to apply with respect to withholding tax and other taxes as set forth in the applicable Borrower Joinder Agreement with respect to such U.K. Borrower.

Section 2.21 Assignment of Commitments under Certain Circumstances; Duty to Mitigate. (a) In the event (i) any Lender delivers a certificate requesting compensation pursuant to Section 2.14, (ii) any Lender delivers a notice described in Section 2.15, (iii) any Borrower is required to pay any additional amount to any Lender or any Governmental Authority on account of any Lender pursuant to Section 2.20 or (iv) any Lender refuses to consent to any amendment, waiver or other modification of any Loan Document requested by the Lead Borrower that requires the consent of a greater percentage of the Lenders than the Required Lenders and such amendment, waiver or other modification is consented to by the Required Lenders, then, in each case, the Lead Borrower may, at its sole expense and effort (including with respect to the processing and recordation fee referred to in Section 9.04(b)), upon notice to such Lender and the Administrative Agent, require such Lender to transfer and assign, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all of its interests, rights and obligations under this Agreement (or, in the case of clause (iv) above, all of its interests, rights and obligation with respect to the Class of Term Loans or Commitments that is the subject of the related consent, amendment, waiver or other modification) to an Eligible Assignee that shall assume such assigned obligations and, with respect to clause (iv) above, shall consent to such requested amendment, waiver or other modification of any Loan Documents (which assignee may be another Lender, if a Lender accepts such assignment); provided that (x) such assignment shall not conflict with any law, rule or regulation or order of any court or other Governmental Authority having jurisdiction, (y) the Lead Borrower shall have received the prior

written consent of the Administrative Agent, which consent shall not unreasonably be withheld or delayed, and (z) the Lead Borrower or such assignee shall have paid to the affected Lender in immediately available funds an amount equal to the sum of the principal of and interest accrued to the date of such payment on the outstanding Loans of such Lender, plus all amounts accrued for the account of such Lender hereunder with respect thereto (including any amounts under Sections 2.05(b), 2.14, 2.16 and 2.20); provided, further, that, if prior to any such transfer and assignment the circumstances or event that resulted in such Lender's claim for compensation under Section 2.14, notice under Section 2.15 or the amounts paid pursuant to Section 2.20, as the case may be, cease to cause such Lender to suffer increased costs or reductions in amounts received or receivable or reduction in return on capital, or cease to have the consequences specified in Section 2.15, or cease to result in amounts being payable under Section 2.20, as the case may be (including as a result of any action taken by such Lender pursuant to paragraph (b) below), or if such Lender shall waive its right to claim further compensation under Section 2.14 in respect of such circumstances or event or shall withdraw its notice under Section 2.15 or shall waive its right to further payments under Section 2.20 in respect of such circumstances or event or shall consent to the proposed amendment, waiver, consent or other modification, as the case may be, then such Lender shall not thereafter be required to make any such transfer and assignment hereunder. Each Lender hereby grants to the Administrative Agent an irrevocable power of attorney (which power is coupled with an interest) to execute and deliver, on behalf of such Lender, as assignor, any Assignment and Acceptance necessary to effectuate any assignment of such Lender's interests hereunder in the circumstances contemplated by this Section 2.21(a).

(b) If (i) any Lender shall request compensation under Section 2.14 or Section 2.20 or (ii) any Lender delivers a notice described in Section 2.15, then such Lender shall use reasonable efforts (which shall not require such Lender to incur an unreimbursed loss or unreimbursed cost or expense or otherwise take any action inconsistent with its internal policies or legal or regulatory restrictions or suffer any disadvantage or burden deemed by it to be significant) (x) to file any certificate or document reasonably requested in writing by the Lead Borrower or (y) to assign its rights and delegate and transfer its obligations hereunder to another of its offices, branches or affiliates, if such filing or assignment would reduce its claims for compensation under Section 2.14 or Section 2.20 or enable it to withdraw its notice pursuant to Section 2.15, as the case may be, in the future. Each Borrower hereby agrees to pay or cause to be paid all reasonable costs and expenses incurred by any Lender in connection with any such filing or assignment, delegation and transfer.

Section 2.22 Incremental Term Loans. (a) The Lead Borrower (and the German Borrower and any U.K. Borrower in an aggregate amount not to exceed the Maximum Incremental Sub-Limit Amount) may, by written notice to the Administrative Agent from time to time, request that one or more Lenders (each of which shall be entitled to agree or decline to participate in its sole discretion) and/or one or more other Persons which are Eligible Assignees and which will become Lenders, provide, after the Closing Date, an increase in any existing Class of Term Loans (other than Canadian Term Loans or Tranche A Term Loans (or any Permitted Refinancing of Tranche A Term Loans that matures prior to the Initial Maturity Date)) (except as otherwise provided in this Section 2.22, which shall be on the same terms as, and become a part of, the applicable Class of Term Loans hereunder (other than Canadian Term

Loans and Tranche A Term Loans (or any Permitted Refinancing of Tranche A Term Loans that matures prior to the Initial Maturity Date))), and, subject to the terms and conditions contained in this Agreement and in the respective Incremental Term Loan Assumption Agreement, make Term Loans (“Incremental Term Loan”) of the applicable Class pursuant thereto. Such notice shall set forth (i) the amount of the Incremental Term Loan Commitments being requested (which shall be in minimum increments of \$1,000,000, €1,000,000 or £1,000,000, as applicable and a minimum amount of \$5,000,000, €5,000,000 or £2,500,000, as applicable (or such lesser amount as may be acceptable to the Administrative Agent) and (ii) the date on which such Incremental Term Loan Commitments are requested to become effective (which shall not be less than 10 Business Days nor more than 60 days after the date of such notice); provided that:

(i) no Lender shall be obligated to provide an Incremental Term Loan Commitment as a result of any such request by the applicable Borrower, and until such time, if any, as such Lender has agreed in its sole discretion to provide an Incremental Term Loan Commitment and executed and delivered to the Administrative Agent an Incremental Term Loan Assumption Agreement as provided in clause (b) of this Section 2.22, such Lender shall not be obligated to fund any Incremental Term Loans,

(ii) any Lender (including any Eligible Assignee who will become a Lender) may so provide an Incremental Term Loan Commitment without the consent of any other Lender,

(iii) the aggregate principal amount of all Incremental Term Loans pursuant to this Section 2.22 at any time shall not exceed (x) the Maximum Incremental Amount at such time and (y) with respect to Incremental Term Loans incurred by the German Borrower or any U.K. Borrower, shall not exceed the Maximum Incremental Sub-Limit Amount at such time,

(iv) the up-front fees and, if applicable, any unutilized commitment fees and/or other fees, payable to each Incremental Term Lender in respect of each Incremental Term Loan Commitment shall be separately agreed to by the applicable Borrower and each such Incremental Term Lender,

(v) the new Incremental Term Loans shall have the same Applicable Margin as the Class of Term Loans to which such Incremental Term Loans are being added,

(vi) the new Incremental Term Loans shall have the same repayment dates as then remain with respect to the Class of Term Loans to which such new Incremental Term Loans are being added (with the amount of each repayment of Incremental Term Loans to be made by the applicable Borrower on the repayment dates to be the same (on a proportionate basis) as is theretofore applicable to the Class of Term Loans to which such Incremental Term Loans are being added, thereby increasing the amount of each then remaining repayment of the respective Class of Term Loans proportionately),

(vii) the new Incremental Term Loans shall have the same Maturity Date as the Class of Term Loans to which such Incremental Term Loans are being added,

(viii) the proceeds of all Incremental Term Loans to be made pursuant to any Incremental Term Loan Commitments shall be used only for the purposes permitted by Section 3.13.

(ix) all Incremental Term Loans (x) incurred by the Lead Borrower shall be U.S. Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents, the German Security Documents and any U.K. Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty and the U.S. Subsidiary Guaranty, and rank pari passu in right of payment with the U.S. Term Loans and pari passu in right of security in respect of the Collateral (other than the Canadian Collateral, the German Collateral and any U.K. Collateral), (y) incurred by the German Borrower, shall be German Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents and any U.K. Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and the German Subsidiary Guaranty, and rank pari passu in right of payment with the Euro Term Loans and pari passu in right of security in respect of the Collateral (other than the Canadian Collateral and any U.K. Collateral) and (z) incurred by any U.K. Borrower (if any), shall be U.K. Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents and the German Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and any U.K. Subsidiary Guaranty, and rank pari passu in right of payment with the U.K. Term Loans and pari passu in right of security in respect of the Collateral (other than the Canadian Collateral and the German Collateral), and

(x) except as otherwise provided above, such Incremental Term Loans shall have the same terms as the Class of Term Loans to which such Incremental Term Loans are being added.

(b) At the time of the provision of the Incremental Term Loan Commitments pursuant to this Section 2.22, the applicable Borrower, the Administrative Agent and each such Lender or other Eligible Assignee which agrees to provide an Incremental Term Loan Commitment (each, an “Incremental Term Lender”) shall execute and deliver to the Administrative Agent an Incremental Term Loan Assumption Agreement and such other documentation as the Administrative Agent shall reasonably specify to evidence the Incremental Term Loan Commitment of each Incremental Term Lender. Notwithstanding the foregoing, no Incremental Term Loan Commitment shall become effective under this Section 2.22 unless on the date of such effectiveness, all Incremental Commitment Requirements are satisfied.

(c) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Incremental Term Loan Assumption Agreement. Each of the parties hereto hereby agrees that, upon the effectiveness of any Incremental Term Loan Assumption Agreement, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Incremental Term Loan Commitment and the

Incremental Term Loans evidenced thereby, and the Administrative Agent and the Lead Borrower may, without any action by any Lender, revise this Agreement to evidence such amendments, including any modification to this Agreement and other Loan Documents to incorporate any U.K. Borrower and any Loans of such U.K. Borrower in a manner similar to the incorporation of the German Borrower and the Initial Euro Term Loans on the First Restatement Effective Date.

(d) Each of the parties hereto hereby agrees that the Administrative Agent may, in consultation with the applicable Borrower, take any and all action as may be reasonably necessary to ensure that all Incremental Term Loans, when originally made, are included in each Borrowing of outstanding Term Loans (other than the Canadian Term Loans and the Tranche A Term Loans (or any Permitted Refinancing of Tranche A Term Loans that matures prior to the Initial Maturity Date)) on a pro rata basis. This may be accomplished by requiring each outstanding Eurocurrency Borrowing to be converted into an ABR Borrowing on the date of each Incremental Term Loan, or by allocating a portion of each Incremental Term Loan to each outstanding Eurocurrency Borrowing on a pro rata basis. Any conversion of Eurocurrency Loans to ABR Loans required by the preceding sentence shall be subject to Section 2.16. If any Incremental Term Loan is to be allocated to an existing Interest Period for a Eurocurrency Borrowing, then the interest rate thereon for such Interest Period and the other economic consequences thereof shall be as set forth in the applicable Incremental Term Loan Assumption Agreement. In addition the scheduled amortization payments under Sections 2.11(a)(i), (iii), (iv), (v) and (vi), as applicable, required to be made after the making of such Incremental Term Loans shall be ratably increased by the aggregate principal amount of such Incremental Term Loans and shall be further increased for all Lenders on a pro rata basis to the extent necessary to avoid any reduction in the amortization payments to which the Lenders were entitled before such recalculation.

Section 2.23 New Term Loan Facility. (a) The Lead Borrower, the German Borrower or any U.K. Borrower (as applicable) shall have the right to request (by written notice to the Administrative Agent), at any time after the Closing Date, that one or more Lenders (and/or one or more other Persons which are Eligible Assignees and which will become Lenders) provide New Term Loan Commitments to the applicable Borrower and, subject to the terms and conditions contained in this Agreement and in the respective New Term Loan Commitment Agreement, make Term Loans ("New Term Loans") pursuant thereto; it being understood and agreed, however, that (i) no Lender shall be obligated to provide a New Term Loan Commitment as a result of any such request by the applicable Borrower, and until such time, if any, as such Lender has agreed in its sole discretion to provide a New Term Loan Commitment and executed and delivered to the Administrative Agent and the applicable Borrower a New Term Loan Commitment Agreement as provided in clause (b) of this Section 2.23, such Lender shall not be obligated to fund any New Term Loans, (ii) any Lender (including any Eligible Assignees who will become a Lender) may so provide a New Term Loan Commitment without the consent of any other Lender, (iii) each Class of New Term Loan Commitments, and all New Term Loans to be made pursuant thereto, shall be denominated in Dollars, Euros or, in the case of any U.K. Borrower only, Sterling (in addition to Dollars or Euros), (iv) the amount of each Class of New Term Loan Commitments shall be in a minimum aggregate amount for all Lenders which provide a New Term Loan Commitment under such Class of New Term Loans (including

Eligible Assignees who will become Lenders) of at least \$25,000,000, €25,000,000 or £15,000,000, as applicable (or such lower amount as may be reasonably acceptable to the Administrative Agent) and in integral multiples of \$1,000,000, €1,000,000 or £1,000,000, as applicable, in excess thereof (or such other integral multiple as may be reasonably acceptable to the Administrative Agent), (v) the aggregate amount of all New Term Loan Commitments provided pursuant to this Section 2.23 and the aggregate principal amount of all New Term Loans to be made pursuant thereto shall not exceed (x) the Maximum Incremental Amount at such time and (y) with respect to New Term Loans incurred by the German Borrower or any U.K. Borrower, shall not exceed the Maximum Incremental Sub-Limit Amount at such time, (vi) the up-front fees and, if applicable, any unutilized commitment fees and/or other fees, payable to each New Term Loan Lender in respect of each New Term Loan Commitment shall be separately agreed to by the applicable Borrower and each such New Term Loan Lender, (vii) each Class of New Term Loans shall (A) have a Maturity Date of no earlier than the Latest Maturity Date of any Class of Term Loans then existing, (B) have a Weighted Average Life to Maturity of no less than the longest Weighted Average Life to Maturity as then in effect for any Class of Term Loans then existing and (C) be subject to the Applicable Margins as are set forth in the New Term Loan Commitment Agreement governing such Class of New Term Loans; provided that: (x) in the case of any New Term Loans denominated in U.S. Dollars, if the Effective Yield for such Class of New Term Loans determined as of the initial funding date for such Class of New Term Loans exceeds the Effective Yield relating to any Class of Term Loans denominated in U.S. Dollars existing immediately prior to the effectiveness of the respective New Term Loan Commitment Agreement by more than 0.50%, then the Effective Yield relating to any such existing Class of Term Loans shall be adjusted to be equal to the Effective Yield (determined as provided above) relating to such Class of New Term Loans minus 0.50% (and in such event, the all-in yield for the Euro Term Loans shall be increased by the same amount as the all-in yield in respect of the Tranche C Term Loans is increased) and (y) in the case of any New Term Loans denominated in Euros, if the Effective Yield for such Class of New Term Loans determined as of the initial funding date for such Class of New Term Loans exceeds the Effective Yield relating to any Class of Term Loans denominated in Euros existing immediately prior to the effectiveness of the respective New Term Loan Commitment Agreement by more than 0.50%, then the Effective Yield relating to any such existing Class of Term Loans shall be adjusted to be equal to the Effective Yield (determined as provided above) relating to such Class of New Term Loans minus 0.50% (it being understood that the Effective Yield of any Class of New Term Loans incurred by any U.K. Borrower may be adjusted pursuant to mechanics similar to those set forth in such clause (y) to the extent provided for in the applicable Borrower Joinder Agreement); (viii) the proceeds of all New Term Loans shall be used only for the purposes permitted by Section 3.13, (ix) each New Term Loan Commitment Agreement shall specifically designate the Class or Classes of the New Term Loan Commitments being provided thereunder (which Class shall be a new Class i.e., not the same as the Tranche C Term Loans, the Initial Euro Term Loans or any other then existing Class of Term Loans (other than any Tranche A Term Loans (or any Permitted Refinancing of Tranche A Term Loans that matures prior to the Initial Maturity Date) or Canadian Term Loans)), (x) all New Term Loans (x) incurred by the Lead Borrower (and all interest, fees and other amounts payable thereon) shall be U.S. Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents, the German Security

Documents and U.K. Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty and the U.S. Subsidiary Guaranty, on a pari passu basis with all other U.S. Obligations secured by the Security Documents (other than the Canadian Collateral Documents, the German Security Documents and any U.K. Security Documents) and guaranteed under the Holdings/Lead Borrower Guaranty and the U.S. Subsidiary Guaranty, (y) incurred by the German Borrower (and all interest, fees and other amounts payable thereon) shall be German Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents and any U.K. Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and the German Subsidiary Guaranty, on a pari passu basis with all other German Obligations secured by the Security Documents (other than the Canadian Collateral Documents and any U.K. Security Documents) and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and the German Subsidiary Guaranty, (z) incurred by any U.K. Borrower (and all interest, fees and other amounts payable thereon) shall be U.K. Obligations under this Agreement and the other applicable Loan Documents and shall be secured by the Security Documents (other than the Canadian Collateral Documents and the German Security Documents), and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and any U.K. Subsidiary Guaranty, on a pari passu basis with all other U.K. Obligations secured by the Security Documents (other than the Canadian Collateral Documents and the German Security Documents) and guaranteed under the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and any U.K. Subsidiary Guaranty, (xi) each Lender (including any Eligible Assignee who will become a Lender) agreeing to provide a New Term Loan Commitment pursuant to a New Term Loan Commitment Agreement shall, subject to the satisfaction of the relevant conditions set forth in this Agreement, make New Term Loans as specified in such New Term Loan Commitment Agreement and such New Term Loans shall thereafter be deemed to be New Term Loans under such Class for all purposes of this Agreement and the other applicable Loan Documents, (xii) except as otherwise set forth in this Section 2.23(a) or otherwise as shall be reasonably satisfactory to the Administrative Agent, such New Term Loan Facility shall have the same terms as the Tranche C Term Loan Facility or Initial Euro Term Loan Facility (as applicable), (xiii) each New Term Loan Facility incurred by a Borrower (other than the Canadian Borrower) shall share ratably in any prepayments of Term Loans incurred by such Borrower (unless such New Term Loan Facility agrees to participate on a less than pro rata basis in any voluntary or mandatory prepayments or repayments) and (xiv) each Lender providing such New Term Loan Facility shall be subject to the Lender loss sharing provisions set forth in the Debt Allocation Mechanism provisions set forth in Section 9.26.

(b) At the time of the provision of New Term Loan Commitments pursuant to this Section 2.23, the applicable Borrower, the Administrative Agent and each such Lender or other Eligible Assignee which agrees to provide a New Term Loan Commitment (each, a "New Term Loan Lender") shall execute and deliver to the Administrative Agent a New Term Loan Commitment Agreement, with the effectiveness of the New Term Loan Commitment provided therein (and the making of the respective New Term Loans thereunder) to occur on the date set forth in such New Term Loan Commitment Agreement, which date in any event shall be no earlier than the date on which (w) all fees required to be paid in connection therewith at the time of such effectiveness shall have been paid (including, without limitation, any agreed upon up-

front or arrangement fees owing to the Administrative Agent (or any affiliate thereof)), (x) all Incremental Commitment Requirements are satisfied, (y) all other conditions set forth in this Section 2.23 shall have been satisfied (or waived in writing by the Required Lenders prior to the incurrence of such New Term Loan Commitments), and (z) all other conditions precedent that may be set forth in such New Term Loan Commitment Agreement shall have been satisfied (or waived in writing by the Lenders providing such New Term Loan Commitments). The Administrative Agent shall promptly notify each Lender as to the effectiveness of each New Term Loan Commitment Agreement, and at such time, to the extent requested by any New Term Loan Lender, new Term Notes will be issued, at the relevant Borrower's expense, to such New Term Loan Lender in conformity with the requirements of this Agreement.

(c) Notwithstanding anything to the contrary contained above in this Section 2.23, the New Term Loan Commitments provided by a New Term Loan Lender or New Term Loan Lenders, as the case may be, pursuant to each New Term Loan Commitment Agreement shall constitute a new Class, which shall be separate and distinct from the existing Classes pursuant to this Agreement (with a designation which may be made in letters (i.e., A, B, C, etc.), numbers (1, 2, 3, etc.) or a combination thereof (i.e., A-1, A-2, A-3, B-1, B-2, B-3, C-1, C-2, C-3, etc.).

The New Term Loan Commitment Agreement may, with the consent of the applicable Borrower and the Administrative Agent, but without the consent of any other Loan Party or the Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the applicable Borrower, to effect the provisions of this Section 2.23, including any modification to this Agreement or any other Loan Document to incorporate any U.K. Borrower and any Loans of such U.K. Borrower in a manner similar to the incorporation of the German Borrower and the Initial Euro Term Loans on the First Restatement Effective Date, all without any further action of any Lender.

Section 2.24 New Incremental Notes. (a) The Lead Borrower shall have the right, at any time after the First Restatement Effective Date, upon written notice to the Administrative Agent, specifying in reasonable detail the proposed terms thereof, to issue one or more series of senior secured notes (secured by the Collateral (other than the Canadian Collateral, the German Collateral and any U.K. Collateral) on an equal and ratable basis with the U.S. Obligations (or secured by the Collateral (other than the Canadian Collateral, the German Collateral and any U.K. Collateral) on a second lien basis)) or unsecured notes (such notes, collectively, "New Incremental Notes"); it being understood and agreed, however, that (i) the aggregate amount of all New Incremental Notes permitted to be issued pursuant to this Section 2.24 shall not exceed the Maximum Incremental Amount at such time, (ii) all Incremental Commitment Requirements must be satisfied on the date of issuance of any New Incremental Notes, (iii) such New Incremental Notes shall (A) have a Maturity Date of no earlier than 91 days after the Latest Maturity Date applicable to any Class of Term Loans then outstanding, (B) have a Weighted Average Life to Maturity of no less than the longest Weighted Average Life to Maturity as then in effect for any Class of Loans then existing, and (C) not be subject to any amortization prior to the final maturity thereof, or be subject to any mandatory redemption or prepayment provisions or rights (except (1) customary assets sale or change of

control provisions or (2) to the extent that prepayments are made, to the extent required under the Loan Documents, first pro rata to any then existing Class of Term Loan and any senior secured first lien New Incremental Notes), (iv) such New Incremental Notes shall rank pari passu in right of payment (subject to the applicable provisions of the intercreditor agreement referred to in clause (v) in the case of secured New Incremental Notes), have the same guarantees as the Term Loan Facilities and, if secured, be secured solely by the Collateral (other than the Canadian Collateral, the German Collateral and any U.K. Collateral), (v) any such secured New Incremental Notes shall be issued subject to intercreditor arrangements that are reasonably satisfactory to the Administrative Agent and (vi) the terms and conditions of such New Incremental Notes are customary for similar debt securities in light of then-prevailing market conditions at the time of issuance and in any event are not, taken as a whole, more restrictive to the Lead Borrower and its Restricted Subsidiaries than those set forth in this Agreement (other than with respect to interest rate and redemption provisions), except for covenants and other provisions applicable only to periods after the Latest Maturity Date of any then existing U.S. Term Loan Facility that remains outstanding after giving effect to such refinancing (provided that a certificate of a financial officer of the Lead Borrower delivered to the Administrative Agent in good faith at least five (5) Business Days prior to the incurrence of such New Incremental Notes, together with a reasonably detailed description of the material terms and conditions of such New Incremental Notes or drafts of the documentation relating thereto, stating that the Lead Borrower has determined in good faith that such terms and conditions satisfy the requirement set forth in this Section 2.24, shall be conclusive evidence that such terms and conditions satisfy such requirement unless the Administrative Agent provides notice to Lead Borrower of its objection during such five (5) Business Day period (including a reasonable description of the basis upon which it objects)).

(b) The Lenders hereby authorize the Administrative Agent to enter into amendments to this Agreement and the other Loan Documents with the Lead Borrower as may be necessary in order to secure any New Incremental Notes with the Collateral (other than the Canadian Collateral, the German Collateral and any U.K. Collateral) and/or to make such technical amendments as may be necessary or appropriate in the reasonable opinion of the Administrative Agent and the Lead Borrower in connection with the issuance of such New Incremental Notes, in each case on terms consistent with this Section 2.24.

Section 2.25 Extensions of Term Loans. (a) Notwithstanding anything to the contrary in this Agreement, pursuant to one or more offers (each, an "Extension Offer") made from time to time by the applicable Borrower to all Lenders of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, in each case with a like Maturity Date and on a pro rata basis (based on the aggregate outstanding principal amount of the respective Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be, with a like Maturity Date) and on the same terms to each such Lender, such Borrower is hereby permitted to consummate from time to time transactions with individual Lenders that accept the terms contained in such Extension Offers to extend the maturity date of each such Lender's Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term

Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans with a like Maturity Date subject to such Extension Offer; (iii) the final maturity date of any Extended Term Loans shall be no earlier than the then Latest Maturity Date hereunder; (iv) the Weighted Average Life to Maturity of any Extended Term Loans shall be no shorter than the remaining Weighted Average Life to Maturity of the Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans extended thereby; (v) any Extended Term Loans may participate on a pro rata basis or a less than pro rata basis (but not greater than a pro rata basis) in any voluntary or mandatory repayments or prepayments hereunder, in each case as specified in the respective Extension Offer; (vi) if the aggregate principal amount of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans (calculated on the face amount thereof), as the case may be, in respect of which Lenders shall have accepted the relevant Extension Offer shall exceed the maximum aggregate principal amount of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be, offered to be extended by the applicable Borrower pursuant to such Extension Offer, then the Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be, of such Lenders shall be extended ratably up to such maximum amount based on the respective principal amounts (but not to exceed actual holdings of record) with respect to which such Lenders have accepted such Extension Offer; (vii) all documentation in respect of such Extension shall be consistent with the foregoing; (viii) any applicable Minimum Extension Condition shall be satisfied unless waived by the applicable Borrower and (ix) any Extended Term Loans shall be denominated in the same currency as the Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans extended thereby.

(b) With respect to all Extensions consummated by a Borrower pursuant to this Section 2.25, (i) such Extensions shall not constitute voluntary or mandatory payments or prepayments for purposes of Sections 2.12 and 2.13 and (ii) no Extension Offer is required to be in any minimum amount or any minimum increment, provided that such Borrower may at its election specify as a condition (a "Minimum Extension Condition") to consummating any such Extension that a minimum amount (to be determined and specified in the relevant Extension Offer in such Borrower's sole discretion and may be waived by such Borrower) of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans (as applicable) of any or all applicable tranches be tendered. The Administrative Agent and the Lenders hereby consent to the Extensions and the other transactions contemplated by this Section 2.25 (including, for the avoidance of doubt, payment of any interest, fees or premium in respect of any Extended Term Loans on the same terms as may be set forth in the relevant Extension Offer) and hereby waive the requirements of any provision of this Agreement (including, without limitation, Sections 2.18 and 7.02) or any other Loan Document that may otherwise prohibit any such Extension or any other transaction contemplated by this Section 2.25.

(c) No consent of any Lender or the Administrative Agent shall be required to effectuate any Extensions, other than the consent of each Lender agreeing to such Extension with respect to one or more of its Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be (or a portion thereof). All Extended Term Loans incurred by (x) the Lead Borrower and all obligations in respect thereof shall be U.S. Obligations under this Agreement and the other Loan Documents that are secured by the Collateral (other than the Canadian Collateral, the German Collateral and the U.K. Collateral) on a *pari passu* basis with all other applicable Obligations under this Agreement and the other Loan Documents, (y) the Canadian Borrower and all obligations in respect thereof shall be Canadian Obligations under this Agreement and the other Loan Documents that are secured by the Canadian Collateral on a *pari passu* basis with all other applicable Canadian Obligations under this Agreement and the other Loan Documents and (z) the German Borrower and all obligations in respect thereof shall be German Obligations under this Agreement and the other Loan Documents that are secured by the German Collateral on a *pari passu* basis with all other applicable German Obligations under this Agreement and the other Loan Documents. Without limiting the foregoing, in connection with any Extension, the respective (x) U.S. Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Mortgage that has a maturity date prior to the then Latest Maturity Date so that such maturity date is extended to the then Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent) and (y) Canadian Loan Parties shall (at their expense) amend (and the Administrative Agent is hereby directed to amend) any Canadian Mortgage that has a maturity date prior to the then Latest Maturity Date so that such maturity date is extended to the then Latest Maturity Date (or such later date as may be advised by local counsel to the Administrative Agent).

(d) In connection with any Extension, the Lead Borrower shall provide the Administrative Agent at least five (5) Business Days' (or such shorter period as may be agreed by the Administrative Agent) prior written notice thereof, and shall agree to such procedures (including, without limitation, rendering timing, rounding and other adjustments and to ensure reasonable administrative management of the credit facilities hereunder after such Extension), if any, as may be established by, or acceptable to, the Administrative Agent, in each case acting reasonably to accomplish the purposes of this Section 2.25.

(e) In the event that the Administrative Agent determines in its sole discretion that the allocation of Extended Term Loans of a given tranche of Extended Term Loans to a given Lender was incorrectly determined as a result of manifest administrative error in the receipt and processing of an election by such Lender to extend all or a portion of its Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be, timely submitted by such Lender in accordance with the procedures set forth in the applicable documentation governing such

Extension, then the Administrative Agent, the applicable Borrower and such affected Lender may (and hereby are authorized to), in their sole discretion and without the consent of any other Lender, enter into an amendment to this Agreement and the other Loan Documents (each, a "Corrective Term Loan Extension Amendment") within 15 days following the effective date of such Extension, which Corrective Term Loan Extension Amendment shall (i) provide for the conversion and extension of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans, as the case may be, under the applicable tranche of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans in such amount as is required to cause such Lender to hold Extended Term Loans of the applicable tranche of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans into which such other Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans, New Term Loans, Other U.S. Term Loans, Other Canadian Term Loans or Other Euro Term Loans were initially converted, in the amount such Lender would have held had such administrative error not occurred and had such Lender received the minimum allocation of the applicable Extended Term Loans to which it was entitled under the terms of such Extension in the absence of such error, (ii) be subject to the satisfaction of such conditions as the Administrative Agent, the applicable Borrower and such Lender may agree, and (iii) effect such other amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.25.

(f) The maturity date of any Sterling Term Loans or Euro Term Loans incurred by any U.K. Borrower may be extended on substantially similar terms as the Euro Term Loans incurred by the German Borrower set forth above or such other terms as set forth in the applicable Borrower Joinder Agreement and any associated documents.

Section 2.26 Refinancing Amendments. (a) At any time after the Closing Date, (x) the Lead Borrower may obtain, from any Lender or any additional Eligible Assignee, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Tranche A Term Loans, Tranche C Term Loans, Incremental Term Loans or New Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other U.S. Term Loans or Other U.S. Term Loan Commitments), in the form of Other U.S. Term Loans or Other U.S. Term Loan Commitments, (y) the Canadian Borrower may obtain, from any Lender or any additional Eligible Assignee, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Initial Canadian Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Canadian Term Loans or Other Canadian Term Loan Commitments), in the form of Other Canadian Term Loans or Other Canadian Term Loan Commitments pursuant to a Refinancing Amendment and (z) the German Borrower may obtain, from any Lender or any additional Eligible Assignee, Credit Agreement Refinancing Indebtedness in respect of all or any portion of the Initial Euro Term Loans then outstanding under this Agreement (which for

purposes of this clause (a) will be deemed to include any then outstanding Other Euro Term Loans or Other Euro Term Loan Commitments), in the form of Other Euro Term Loans or Other Euro Term Loan Commitments pursuant to a Refinancing Amendment; provided that such Credit Agreement Refinancing Indebtedness (i) incurred by (x) the Lead Borrower will rank pari passu in right of payment and of security with the other U.S. Term Loans hereunder, (y) the Canadian Borrower will rank pari passu in right of payment and of security with the other Canadian Term Loans hereunder and (z) the German Borrower will rank pari passu in right of payment and of security with the other Euro Term Loans hereunder, (ii) will have such pricing, fees, premiums, interest or optional prepayment or redemption terms as may be agreed by the applicable Borrower and the Lenders thereof, (iii) any Credit Agreement Refinancing Indebtedness in the form of Other Term Loans or Other Term Loan Commitments shall share ratably in any prepayments of Initial Canadian Term Loans, Tranche A Term Loans, Tranche C Term Loans, Initial Euro Term Loans, Incremental Term Loans or New Term Loans, as the case may be (unless the Other Term Loans agree to participate on a less than pro rata basis in any voluntary or mandatory prepayments or repayments) and (iv) will have terms and conditions that are substantially identical to, or (taken as a whole) less favorable to the investors providing such Credit Agreement Refinancing Indebtedness than, the Refinanced Debt; provided, further, that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the applicable Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.26 shall be in an aggregate principal amount that is (x) not less than \$10,000,000 or C\$10,000,000 or €10,000,000 or £10,000,000, as applicable in the case of Other Term Loans and (y) an integral multiple of \$1,000,000 or C\$1,000,000 or €1,000,000 or £1,000,000, as applicable in excess thereof. The effectiveness of any Refinancing Amendment shall be subject to the satisfaction on the date thereof of each of the conditions set forth in Section 4.01 and, to the extent reasonably requested by the Administrative Agent, receipt by the Administrative Agent of (i) legal opinions, board resolutions and officers' certificates consistent with those delivered on the Closing Date or, as applicable, the New Term Loan Closing Date or the First Restatement Effective Date other than changes to such legal opinions resulting from a change in law, change in fact or change to counsel's form of opinion reasonably satisfactory to the Administrative Agent and (ii) reaffirmation agreements and/or such amendments to the Security Documents as may be reasonably requested by the Administrative Agent (including amendments to the Mortgages and Canadian Mortgages, as applicable) in order to ensure that the Credit Agreement Refinancing Indebtedness is provided with the benefit of the applicable Loan Documents.

(b) The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans and/or Other Term Loan Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Lead Borrower, to effect the provisions of this Section 2.26.

(c) Any Sterling Term Loans or Euro Term Loans incurred by any U.K. Borrower may be extended, renewed, replaced or refinanced, in whole or in part, on substantially similar terms as the Euro Term Loans incurred by the German Borrower set forth above or such other terms as set forth in the applicable Borrower Joinder Agreement and any associated documents.

Section 2.27 Lead Borrower as Borrower Representative. Each Borrower (other than the Lead Borrower) hereby designates the Lead Borrower as its representative and agent for all purposes under the Loan Documents, including designation of interest rates, delivery or receipt of communications, preparation and delivery of financial reports, receipt and payment of Obligations, requests for waivers, amendments or other accommodations, actions under the Loan Documents (including in respect of compliance with covenants), and all other dealings with the Administrative Agent or any Lender. The Lead Borrower hereby accepts such appointment. The Administrative Agent and the Lenders shall be entitled to rely upon, and shall be fully protected in relying upon, any notice or communication delivered by the Lead Borrower on behalf of any Borrower. The Administrative Agent and the Lenders may give any notice or communication with a Borrower hereunder to the Lead Borrower on behalf of such Borrower. Each of the Administrative Agent and the Lenders shall have the right, in its discretion, to deal exclusively with the Lead Borrower for any or all purposes under the Loan Documents. Each Borrower agrees that any notice, election, communication, representation, agreement or undertaking made on its behalf by the Lead Borrower shall be binding upon and enforceable against it. For the purposes of this Section 2.27, each Borrower (other than the Lead Borrower) hereby relieves the Borrower Representative to the fullest extent legally possible from the restrictions of section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable pursuant to any other applicable law.

Section 3.03 Enforceability. This Agreement has been duly executed and delivered by Holdings and each Borrower and constitutes, and each other Loan Document when executed and delivered by each Loan Party thereto will, subject to the fulfillment of any perfection requirements, constitute, a legal, valid and binding obligation of such Loan Party enforceable against such Loan Party in accordance with its terms, except as may be limited by bankruptcy, insolvency, reorganization, moratorium or similar laws relating to or limiting creditor's rights generally or by equitable principles relating to enforceability.

(b) Each of the Borrowers and their respective Restricted Subsidiaries has complied in all material respects with all material obligations under all Material Leases to which it is a party and all such leases are in full force and effect. Each of the Borrowers and their respective Restricted Subsidiaries enjoy peaceful and undisturbed possession under all such Material Leases.

The shares of capital stock or other ownership interests so indicated on Schedule 3.08 are fully paid and, in the case of corporations' capital stock, non-assessable and are owned by Holdings or the Borrowers, directly or indirectly, free and clear of all Liens (other than Liens created under the Security Documents or the ABL Documents and after the Closing Date, Liens permitted under Section 6.02).

Section 3.09 Litigation; Compliance with Laws. (a) Except as set forth on Schedule 3.09, there are no actions, suits or proceedings at law or in equity or by or before any Governmental Authority now pending or, to the knowledge of any Borrower, threatened against or affecting the Borrowers or any of their respective Restricted Subsidiaries or any business, property or rights of any such Person (i) that involve any Loan Document or (ii) involve the Transactions or the transactions contemplated by the First Restatement Agreement or (iii) as to which there is a reasonable possibility of an adverse determination and that, if adversely determined, could, in the case of either clause (ii) or (iii), reasonably be expected, individually or in the aggregate, to result in a Material Adverse Effect.

(b) None of the Borrowers or any of their respective Restricted Subsidiaries or any of their respective material properties or assets is in violation of, nor will the continued operation of their material properties and assets as currently conducted violate, any law, rule or regulation (including any zoning, building, Environmental Law, ordinance, code or approval or any building permits) or any restrictions of record or agreements affecting the Existing Mortgaged Properties, or is in default with respect to any judgment, writ, injunction, decree or order of any Governmental Authority, where such violation or default could reasonably be expected to result in a Material Adverse Effect.

(c) Certificates of occupancy and permits are in effect for each Existing Mortgaged Property as currently constructed.

Section 3.14 Tax Returns. Each of Holdings, the Borrowers and with respect to the Borrowers, their respective Restricted Subsidiaries has filed or caused to be filed all material federal, state, local and foreign Tax returns, statements, forms and reports ("Returns") required to have been filed by it and has paid or caused to be paid all Taxes due and payable by it on such Returns, except Taxes that are being contested in good faith by appropriate proceedings and for which Holdings, the applicable Borrower or such Restricted Subsidiary, as applicable, shall have set aside on its books adequate reserves in accordance with GAAP.

Section 3.15 No Material Misstatements. None of (a) the Confidential Information Memorandum or (b) any other written information, report, financial statement, exhibit or schedule furnished by or on behalf of Holdings or the Borrowers to the Administrative Agent or any Lender in connection with the negotiation of any Loan Document or included therein or delivered pursuant thereto, taken as a whole, contained, contains or will contain any material misstatement of fact or omitted, omits or will omit to state any material fact necessary to make the statements therein, in the light of the circumstances under which they were, are or will be made, not materially misleading; provided that to the extent any such information, report, financial statement, exhibit or schedule was based upon or constitutes a forecast or projection, each of Holdings and the Borrowers represents only that it acted in good faith and utilized reasonable assumptions (based upon accounting principles consistent with the historical audited financial statements of the Borrower) and due care in the preparation of such information, report, financial statement, exhibit or schedule.

Section 3.16 Employee Benefit Plans. (a) Each Plan is in compliance with the applicable provisions of ERISA and the Code except for non-compliances which, in the aggregate, would not have a Material Adverse Effect. In furtherance of the foregoing, the Borrowers will give notice to the Administrative Agent of (a) the acquisition by it or any of the Restricted Subsidiaries (other than any Immaterial Subsidiary) of any (i) Material Owned Real Property or (ii) tangible personal property situated in the Province of Quebec and having an aggregate fair market value in excess of \$2,000,000, or (b) the organization (including a continuance) or acquisition of any Canadian Subsidiary (other than any Immaterial Subsidiary) that is domiciled (within the meaning of the Quebec Civil Code) in the Province of Quebec not later than ten (10) Business Days after such acquisition or organization. The designation of any subsidiary as an Unrestricted Subsidiary shall constitute an Investment by the Borrowers therein at the date of designation in an amount equal to the portion (proportionate to such Borrower's equity interest in such subsidiary) of the fair market value of the net assets of such Subsidiary (and such designation shall only be permitted to the extent such Investment is permitted under Section 6.04). The designation of any Unrestricted Subsidiary as a Restricted Subsidiary shall constitute the incurrence at the time of designation of any Indebtedness or Liens of such Restricted Subsidiary existing at such time. As of the date of any designation, the Lead Borrower shall have delivered to the Administrative Agent an officer's certificate executed by a Responsible Officer of the Lead Borrower certifying to such officer's knowledge, compliance with the requirements of this Section 5.15, including reasonably detailed calculations required to demonstrate compliance with the Fixed Charge Coverage Ratio on a Pro Forma Basis.

(b) Each Agent may perform any and all its duties and exercise its rights and powers by or through its officers, directors, employees, affiliates or any one or more sub-agents appointed by it. Each Agent and any such sub-agent may perform any and all its duties and exercise its rights and powers by or through their respective Related Parties. The exculpatory provisions of this Article VIII shall apply to any such sub-agent and to the Related Parties of each Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the Term Loan Facility as well as activities as Agent.

Section 8.04 Agents in Their Individual Capacities. The institution serving as the Administrative Agent hereunder and/or as the Collateral Trustee shall have the same rights and powers in its capacity as a Lender as any other Lender and may exercise the same as though it were not an Agent, and such bank and its Affiliates may accept deposits from, lend money to and generally engage in any kind of banking, investment banking, trust or other business with, or provide debt financing, equity capital or other services (including financial advisory services) to Holdings, the Borrowers or any Subsidiary or any Affiliate of any of the foregoing as if it were not an Agent hereunder, and may accept fees and other consideration from Holdings, the Borrowers or any Subsidiary or any Affiliate of any of the foregoing for services in connection with this Agreement and otherwise without having to account for the same to the Lenders. The term "Lenders," "Required Lenders" or any similar terms shall, unless the context clearly indicates otherwise, include each Agent in its respective individual capacities.

Section 8.05 Liability of Agents. Neither Agent shall have any duties or obligations except those expressly set forth in the Loan Documents. The duties of the Agents shall be mechanical and administrative in nature. Without limiting the generality of the foregoing, (a) neither Agent shall be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) neither Agent shall have any duty to take any discretionary action or exercise any discretionary powers, except discretionary rights and powers expressly contemplated hereby that such Agent is instructed in writing to exercise by the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08), and (c) except as expressly set forth in the Loan Documents, neither Agent shall have any duty to disclose, nor shall it be liable for the failure to disclose, any information relating to Holdings, the Borrower or any of the Subsidiaries that is communicated to or obtained by the bank serving as Administrative Agent and/or Collateral Trustee or any of its Affiliates in any capacity. If the Agents request instructions from the Required Lenders with respect to any act or action (including failure to act) in connection with this Agreement or any other Loan Document, the Agents shall be entitled to refrain from such act or taking such action unless and until the Administrative Agent shall have received instructions from the Required Lenders; and neither Agent shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary under the circumstances as provided in Section 9.08) or in the absence of its own gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision). Any assignor of a Loan or seller of a participation hereunder shall be entitled to rely conclusively on a representation of the assignee Lender or participant in the relevant Assignment and Acceptance or participation agreement, as applicable, that such assignee or purchaser is not a Disqualified Institution. No Agent shall have any responsibility or liability for monitoring the list or identities of, or enforcing provisions relating to, Disqualified Institutions. Without limiting the foregoing, no Lender shall have any right of action whatsoever against either Agent as a result of either Agent acting or refraining from acting hereunder or under any other Loan Document in accordance with the instructions of the Required Lenders.

Section 8.06 Notice of Default. Neither Agent shall be deemed to have knowledge of any Default unless and until written notice thereof is given to such Agent by Holdings, the Lead Borrower or a Lender, and neither Agent shall be responsible for or have any duty to ascertain or inquire into (i) any recital, statement, information, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document, (iv) the validity, enforceability, effectiveness, genuineness, perfection, collectability, priority or sufficiency of any Loan Document or any other agreement, instrument, document or other writing, (v) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to such Agent or (vi) the financial condition of Holdings, the Borrowers or any of the Borrowers' respective subsidiaries or be required to make any inquiry concerning either the performance or observance of any of the terms, provisions or conditions of this Agreement or any other Loan Document, or the financial condition of Holdings, the Borrowers or any of the Borrowers' subsidiaries or the existence or possible existence of any Default or Event of Default.

Section 8.07 Reliance By Agents. Each Agent shall be entitled to rely upon, and shall not incur any liability for relying upon, any resolution, notice, request, certificate, consent, statement, instrument, document, telecopier message, electronic mail message, Internet or intranet website posting, order or other writing believed by it to be genuine and to have been signed or sent by the proper Person. Each Agent may also rely upon any statement made to it orally or by telephone and believed by it to have been made by the proper Person, and shall not incur any liability for relying thereon. Each Agent may consult with legal counsel (who may be counsel for the Borrowers), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

Section 8.08 Successor Agents. The Administrative Agent may resign at any time by notifying the Lenders and the Lead Borrower. Upon any such resignation, the Required Lenders shall have the right, with the consent of the Lead Borrower (not to be unreasonably withheld or delayed, provided that the Lead Borrower's consent shall not be required if an Event of Default then exists), to appoint a successor. If no successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may, on behalf of the Lenders, appoint a successor Administrative Agent which shall be (x) a bank with an office in New York, New York, or an Affiliate of any such bank or (y) a nationally recognized financial institution that is organized under the laws of the United States or any state or district thereof. If no successor shall have been so appointed by either the Required Lenders or the retiring Administrative Agent within 30 days after the retiring Administrative Agent gives notice of its resignation then (x) the Required Lenders shall perform all the duties of the Administrative Agent hereunder and/or under any other Loan Document until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided above and (y) the retiring Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents. Upon the acceptance of its appointment as Administrative Agent hereunder by a successor, such successor shall succeed to and become vested with all the rights, powers, privileges and duties of the retiring Administrative Agent, and the retiring Administrative Agent shall be discharged from its duties and obligations hereunder. The fees payable by the Borrowers to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Lead Borrower and such successor. After the Administrative Agent's resignation hereunder, the provisions of this Article VIII and Section 9.05 shall continue in effect for the benefit of such retiring Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while acting as Administrative Agent.

Section 8.09 Credit Decision; Disclosure of Information by Agents. Each Lender acknowledges that it has, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it has deemed appropriate, made its own credit analysis and decision to enter into this Agreement. Each Lender also acknowledges that it will, independently and without reliance upon the Agents or any other Lender and based on such documents and information as it shall from time to time deem appropriate, continue to make its own decisions in taking or not taking action under or based upon this Agreement or any other Loan Document, any related agreement or any document

furnished hereunder or thereunder, and, except as expressly provided in this Agreement, the Agents shall not have any duty or responsibility, either initially or on a continuing basis, to provide any Lender with any credit or other information with respect thereto, whether coming into its possession before the making of the Loans or at any time or times thereafter. Each Lender acknowledges that neither any Agent nor any Related Party has made any representation or warranty to it, and that no act by any Agent hereafter taken, including any consent to and acceptance of any assignment or review of the affairs of any Loan Party or any Affiliate thereof, shall be deemed to constitute any representation or warranty by any Agent or any Related Party to any Lender as to any matter, including whether any Agent or any Related Party has disclosed material information in their possession. Except for notices, reports and other documents expressly required to be furnished to the Lenders by any Agent herein, such Agent shall not have any duty or responsibility to provide any Lender with any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their respective Affiliates which may come into its (or a Related Party's) possession.

Section 8.10 Other Agents. Notwithstanding any other provision of this Agreement or any provision of any other Loan Document, each of the Joint Lead Arrangers, the Joint Bookrunners, the Syndication Agent and the Co-Documentation Agents are named as such for recognition purposes only, and in their respective capacities as such shall have no duties, responsibilities or liabilities with respect to this Agreement or any other Loan Document; it being understood and agreed that each of the Joint Lead Arrangers, the Joint Bookrunners, the Syndication Agent and the Co-Documentation Agents shall be entitled to all indemnification and reimbursement rights in favor of the Agents provided herein and in the other Loan Documents. Without limitation of the foregoing, none of the Joint Lead Arrangers, the Joint Bookrunners, the Syndication Agent and Co-Documentation Agents in their respective capacities as such shall, by reason of this Agreement or any other Loan Document, have any fiduciary relationship in respect of any Lender, any Loan Party or any other Person.

Section 8.11 Collateral Matters. (a) Each Lender authorizes and directs the Collateral Trustee to enter into and perform its obligations under the Security Documents (other than the Canadian Collateral Documents, the German Security Documents and any U.K. Security Document) for the benefit of the Lenders and the other U.S. Secured Parties. Each Lender hereby agrees, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Security Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall be authorized and binding upon all of the Lenders. The Collateral Trustee is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Collateral (other than any Canadian Collateral, the German Collateral and any U.K. Collateral) or Security Documents (other than any Canadian Collateral Documents, any German Security Documents and any U.K. Security Documents) which may be necessary to perfect and maintain perfected the security interest in and liens upon the Collateral (other than any Canadian Collateral, any German Collateral and any U.K. Collateral) granted pursuant to the Security Documents (other than the Canadian Collateral Documents, the German Security Documents and any U.K. Security Documents).

(b) The Lenders hereby authorize the Collateral Trustee to release any Lien granted to or held by the Collateral Trustee upon the Collateral (other than any Canadian Collateral and any German Collateral) as follows:

(i) on all the Collateral (other than the Canadian Collateral and the German Collateral) upon termination of the Commitments and payment and satisfaction of all of the Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby;

(ii) on any Collateral (other than the Canadian Collateral and the German Collateral) constituting property being sold or otherwise disposed of (to Persons other than Holdings, the Borrowers and the Subsidiaries) upon the sale or other disposition thereof in compliance with Section 6.05 or

(iii) on any Collateral (other than the Canadian Collateral and the German Collateral), if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 9.08). Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Collateral Trustee's authority to release particular types or items of Collateral (other than Canadian Collateral and the German Collateral) pursuant to this Article VIII.

(c) The Collateral Trustee shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Collateral (other than any Canadian Collateral and any German Collateral) exists or is owned by any Loan Party or is cared for, protected or insured or that the Liens granted to the Collateral Trustee herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Collateral Trustee in this Article VIII or in any of the Security Documents (other than any Canadian Collateral Documents and any German Security Documents), it being understood and agreed that in respect of the Collateral (other than any Canadian Collateral and any German Collateral), or any act, omission or event related thereto, the Collateral Trustee may act in any manner it may deem appropriate, in its sole discretion, given the Collateral Trustee's own interest in the Collateral (other than the Canadian Collateral and the German Collateral) as one of the Lenders and that the Collateral Trustee shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 8.12 Canadian Collateral Matters. (a) Each Lender authorizes and directs the Administrative Agent to enter into and perform its obligations under the Canadian Collateral Documents for the benefit of the Canadian Term Lenders and the other Canadian Secured Parties. Each Lender hereby agrees, that, except as otherwise set forth herein, any action taken by the Required Lenders in accordance with the provisions of this Agreement or the Canadian Collateral Documents, and the exercise by the Required Lenders of the powers set forth herein or therein, together with such other powers as are reasonably incidental thereto, shall

be authorized and binding upon all of the Lenders. The Administrative Agent is hereby authorized on behalf of all of the Lenders, without the necessity of any notice to or further consent from any Lender, from time to time prior to an Event of Default, to take any action with respect to any Canadian Collateral or Canadian Collateral Documents which may be necessary to perfect and maintain perfected the security interest in and liens upon the Canadian Collateral granted pursuant to the Canadian Collateral Documents.

(b) The Lenders hereby authorize the Administrative Agent to release any Lien granted to or held by the Administrative Agent upon any Canadian Collateral as follows:

(i) on all the Canadian Collateral, upon termination of the Canadian Commitments and payment and satisfaction of all of the Canadian Obligations (other than inchoate indemnification obligations) at any time arising under or in respect of this Agreement or the Loan Documents or the transactions contemplated hereby or thereby;

(ii) on any Canadian Collateral, constituting property being sold or otherwise disposed of (to Persons other than Holdings, the Borrowers and the Subsidiaries) upon the sale or other disposition thereof in compliance with Section 6.05 or

(iii) on any Canadian Collateral, if approved, authorized or ratified in writing by the Required Lenders (or all of the Lenders hereunder, to the extent required by Section 9.08). Upon request by the Administrative Agent at any time, the Lenders will confirm in writing the Administrative Agent's authority to release particular types or items of Canadian Collateral pursuant to this Article VIII.

The Administrative Agent shall have no obligation whatsoever to the Lenders or to any other Person to assure that the Canadian Collateral exists or is owned by any Canadian Loan Party or is cared for, protected or insured or that the Liens granted to the Administrative Agent herein or pursuant hereto have been properly or sufficiently or lawfully created, perfected, protected or enforced or are entitled to any particular priority, or to exercise or to continue exercising at all or in any manner or under any duty of care, disclosure or fidelity any of the rights, authorities and powers granted or available to the Administrative Agent in this Article VIII or in any of the Canadian Collateral Documents, it being understood and agreed that in respect of the Canadian Collateral, or any act, omission or event related thereto, the Administrative Agent may act in any manner it may deem appropriate, in its sole discretion, given the Administrative Agent's own interest in the Canadian Collateral as one of the Lenders and that the Administrative Agent shall have no duty or liability whatsoever to the Lenders, except for its gross negligence or willful misconduct (as determined by a court of competent jurisdiction in a final and non-appealable decision).

Section 8.13 Secured Cash Management Agreements and Secured Hedging Agreements. No Cash Management Bank or Hedging Bank that obtains the benefits of Section 7.02, any Guaranty or any Collateral by virtue of the provisions hereof or of any Guaranty or Security Document shall have any right to notice of any action or to consent to, direct or object to any action hereunder or under any other Loan Document or otherwise in respect of the Collateral (including the release or impairment of any Collateral) other than in its capacity as a

Lender and, in such case, only to the extent expressly provided in the Loan Documents. Notwithstanding any other provision of this Article VIII to the contrary, the Collateral Trustee and the Administrative Agent shall not be required to verify the payment of, or that other satisfactory arrangements have been made with respect to, Cash Management Obligations or Obligations arising under Secured Hedging Agreements unless the Collateral Trustee and the Administrative Agent has received written notice of such Obligations, together with such supporting documentation as the Collateral Trustee and the Administrative Agent may request, from the applicable Cash Management Bank or Hedging Bank, as the case may be.

Section 8.14 Intercreditor Agreement. The Administrative Agent and the Collateral Trustee are authorized to enter into any Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 6.01 and 6.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and the parties hereto acknowledge that any Intercreditor Agreement (if entered into) will be binding upon them. Each Lender (a) hereby agrees that it will be bound by and will take no actions contrary to the provisions of any Intercreditor Agreement (if entered into) and (b) hereby authorizes and instructs the Administrative Agent and the Collateral Trustee to enter into any Intercreditor Agreement (and any amendments, amendments and restatements, restatements or waivers of or supplements to or other modifications to, such agreements in connection with the incurrence by any Loan Party of any Indebtedness of such Loan Party that is permitted to be secured pursuant to Sections 6.01 and 6.02 of this Agreement, in order to permit such Indebtedness to be secured by a valid, perfected lien (with such priority as may be designated by such Loan Party, to the extent such priority is permitted by the Loan Documents)), and to subject the Liens on the Collateral securing the Obligations to the provisions thereof.

Section 8.15 German Provisions for the Appointment of the Collateral Agent

(a) For the purposes of any German Collateral, in addition to the provisions set out above in this Article VIII, the specific provisions set out in clauses (a) through (g) below of this Section 8.15 shall be applicable. With respect to German Collateral, in the case of any inconsistency, the provisions set forth in this Section 8.15 shall prevail. These provisions shall not constitute a trust pursuant to the laws of the State of New York but a fiduciary relationship (*Treuhand*) within the meaning of German law.

(b) With respect to any German Collateral constituted by non-accessory (*nicht akzessorische*) security interests, the Collateral Agent shall hold, administer and, as the case may be, enforce or release such German Collateral in its own name, but for the account of the German Secured Parties.

(c) In the case of German Collateral constituted by accessory (*akzessorische*) security interests created by way of pledge or other accessory instruments, the Collateral Agent shall administer and, as the case may be, enforce or release such German Collateral in the name of and for and on behalf of the German Secured Parties and shall hold, administer and, as the case may be, enforce or release that German Collateral in its own name on the basis of the abstract acknowledgement of indebtedness pursuant to Section 8.16.

(d) Each German Secured Party (other than the Collateral Agent) hereby instructs and authorizes the Collateral Agent (with the right of sub-delegation) to act as its agent (*Stellvertreter*) and in particular (without limitation) to enter into and amend any documents evidencing German Collateral and to make and accept all declarations and take all actions it considers necessary or useful in connection with any German Collateral on behalf of that German Secured Party. The Collateral Agent shall further be entitled to enforce or release any German Collateral, to perform any rights and obligations under any documents evidencing German Collateral and to execute new and different documents evidencing or relating to the German Collateral.

(e) At the request of the Administrative Agent or the Collateral Agent, each German Secured Party shall provide the Administrative Agent or the Collateral Agent as appropriate with a separate written power of attorney (*Spezialvollmacht*) for the purposes of executing any relevant agreements and documents on their behalf. Each German Secured Party hereby ratifies and approves all acts previously done by the Administrative Agent or the Collateral Agent as applicable on such German Secured Party's behalf.

(f) Each German Secured Party hereby releases the Collateral Agent from the restrictions imposed by Section 181 German Civil Code (*Bürgerliches Gesetzbuch*) and similar restrictions applicable to it pursuant to any other Law, in each case to the extent legally possible to that German Secured Party. A German Secured Party which is barred by its constitutional documents or by-laws from granting such exemption shall notify the Collateral Agent accordingly.

(g) The Collateral Agent accepts its appointment as agent and administrator of the German Collateral on the terms and subject to the conditions set out in this Agreement and the German Secured Parties (other than the Collateral Agent), the Collateral Agent and all other parties to this Agreement agree that, in relation to the German Collateral, no German Secured Party (other than the Collateral Agent) shall exercise any independent power to enforce any German Collateral or take any other action in relation to the enforcement of the German Collateral, or make or receive any declarations in relation thereto.

Section 8.16 German Parallel Debt (Covenant to pay the Collateral Agent)

(a) Notwithstanding any other provision of any Loan Document, each German Loan Party hereby irrevocably and unconditionally undertakes to pay to the Collateral Agent as creditor in its own right and not as a representative of the other German Secured Parties amounts equal to any amounts owing from time to time by that German Loan Party to any German Secured Party under any Loan Document as and when those amounts are due for payment under the relevant Loan Document.

(b) Each German Loan Party and the Collateral Agent acknowledge that the obligations of each German Loan Party under paragraph (a) are several and are separate and independent from, and shall not in any way limit or affect, the corresponding obligations of that German Loan Party to any German Secured Party under any Loan Document (its "Corresponding Debt") nor shall the amounts for which each German Loan Party is liable under paragraph (a) (its "Parallel Debt") be limited or affected in any way by its Corresponding Debt; provided that:

(A) the Collateral Agent shall not demand payment with regard to the Parallel Debt of each German Loan Party to the extent that such German Loan Party's Corresponding Debt has been irrevocably paid or, in the case of guarantee obligations, discharged; and

(B) a German Secured Party shall not demand payment with regard to the Corresponding Debt of each German Loan Party to the extent that such German Loan Party's Parallel Debt has been irrevocably paid or, in the case of guarantee obligations, discharged.

(c) The Collateral Agent acts in its own name and not as a trustee and its claims in respect of the Parallel Debt shall not be held in trust. The German Collateral granted under the German Security Documents to the Collateral Agent to secure the Parallel Debt is granted to the Collateral Agent in its capacity as creditor of the Parallel Debt and shall not be held in trust.

(d) All monies received or recovered by the Collateral Agent pursuant to this Section 8.16 and all amounts received or recovered by the Collateral Agent from or by the enforcement of any German Collateral granted to secure the Parallel Debt shall be applied in accordance with this Agreement.

(e) Without limiting or affecting the Collateral Agent's rights against the German Loan Parties (whether under this Section 8.16 or under any other provision of the Loan Documents), each German Loan Party acknowledges that:

(A) nothing in this Section 8.16 shall impose any obligation on the Collateral Agent to advance any sum to any German Loan Party or otherwise under any Loan Document, except in its capacity as lender thereunder; and

(B) for the purpose of any vote taken under any Loan Document, the Collateral Agent shall not be regarded as having any participation or commitment other than those which it has in its capacity as a lender.

Section 8.17 U.K. Provisions for the Appointment of the Collateral Agent. For purposes of any U.K. Collateral, the applicable Borrower Joinder Agreement or any associated documents may set forth provisions with respect to the manner and terms on which such U.K. Collateral is to be granted and held by the Collateral Agent for the benefit of the U.K. Secured Parties, in addition to the provisions set out above in this Article VIII, and such specific provisions set out in such Borrower Joinder Agreement or such associated documents shall be applicable and shall govern in the case of any inconsistency between such specific provisions and the provisions set forth above in this Article VIII in the case of the U.K. Collateral.

The Borrowers hereby agree, unless directed otherwise by the Administrative Agent or unless the electronic mail address referred to below has not been provided by the Administrative Agent to the Borrowers, that it will, or will cause their Restricted Subsidiaries to, provide to the Administrative Agent all information, documents and other materials that it is obligated to furnish to the Administrative Agent pursuant to the Loan Documents or to the

In addition, the Borrowers agree, and agree to cause their Restricted Subsidiaries, to continue to provide the Communications to the Administrative Agent or the Lenders, as the case may be, in the manner specified in the Loan Documents but only to the extent requested by the Administrative Agent.

The Borrowers hereby acknowledge that (a) the Administrative Agent will make available to the Lenders materials and/or information provided by or on behalf of the Borrowers hereunder (collectively, the “Borrower Materials”) by posting the Borrower Materials on the Platform and (b) certain of the Lenders may be “public-side” Lenders (i.e., Lenders that do not wish to receive material non-public information with respect to the Borrowers or their securities) (each, a “Public Lender”). The Borrowers hereby agree that (w) all Borrower Materials that are to be made available to Public Lenders shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (x) by marking Borrower Materials “PUBLIC,” the Borrowers shall be deemed to have authorized the Administrative Agent and the Lenders to treat such Borrower Materials as not containing any material non-public information with respect to the Borrowers or their securities for purposes of United States federal and state securities laws (provided, however, that to the extent such Borrower Materials constitute Information, they shall be treated as set forth in Section 9.16); (y) all Borrower Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated as “Public Investor;” and (z) the Administrative Agent shall be entitled to treat any Borrower Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the Platform not marked as “Public Investor”. Notwithstanding the foregoing, the following Borrower Materials shall be marked “PUBLIC”, unless the Borrowers notify the Administrative Agent promptly that any such document contains material non-public information: the Loan Documents. The Borrowers acknowledge and agree that the list of Disqualified Institutions shall be deemed to be suitable for posting on a portion of the Platform designated “Public Side Information” and shall be posted on the Closing Date to all Lenders by the Administrative Agent, and thereafter all written supplements updating the list of Disqualified Institutions shall be posted all Lenders by the Administrative Agent as soon as practicable after receipt thereof from the Lead Borrower.

Each Public Lender agrees to cause at least one individual at or on behalf of such Public Lender to at all times have selected the “Private Side Information” or similar designation on the content declaration screen of the Platform in order to enable such Public Lender or its delegate, in accordance with such Public Lender’s compliance procedures and applicable law, including United States federal and state securities laws, to make reference to Communications that are not made available through the “Public Side Information” portion of the Platform and that may contain material non-public information with respect to the Borrowers or their securities for purposes of United States federal or state securities laws.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE". NEITHER THE ADMINISTRATIVE AGENT NOR ANY OF ITS RELATED PARTIES WARRANTS THE ACCURACY OR COMPLETENESS OF THE COMMUNICATIONS OR THE ADEQUACY OF THE PLATFORM AND EACH EXPRESSLY DISCLAIMS LIABILITY FOR ERRORS OR OMISSIONS IN THE COMMUNICATIONS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS IS MADE BY THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES IN CONNECTION WITH THE COMMUNICATIONS OR THE PLATFORM. IN NO EVENT SHALL THE ADMINISTRATIVE AGENT OR ANY OF ITS RELATED PARTIES HAVE ANY LIABILITY TO ANY LOAN PARTY, ANY LENDER OR ANY OTHER PERSON FOR DAMAGES OF ANY KIND, WHETHER OR NOT BASED ON STRICT LIABILITY AND INCLUDING DIRECT OR INDIRECT, SPECIAL, INCIDENTAL OR CONSEQUENTIAL DAMAGES, LOSSES OR EXPENSES (WHETHER IN TORT, CONTRACT OR OTHERWISE) ARISING OUT OF ANY LOAN PARTY'S OR THE ADMINISTRATIVE AGENT'S TRANSMISSION OF COMMUNICATIONS THROUGH THE INTERNET, EXCEPT TO THE EXTENT THE LIABILITY OF ANY SUCH PERSON IS FOUND IN A FINAL RULING BY A COURT OF COMPETENT JURISDICTION TO HAVE RESULTED PRIMARILY FROM SUCH PERSON'S GROSS NEGLIGENCE OR WILLFUL MISCONDUCT.

The Administrative Agent agrees that the receipt of the Communications by the Administrative Agent at its e-mail address set forth above shall constitute effective delivery of the Communications to the Administrative Agent for purposes of the Loan Documents. Each Lender agrees that receipt of notice to it (as provided in the next sentence) specifying that the Communications have been posted to the Platform shall constitute effective delivery of the Communications to such Lender for purposes of the Loan Documents. Each Lender agrees to notify the Administrative Agent in writing (including by electronic communication) from time to time of such Lender's e-mail address to which the foregoing notice may be sent by electronic transmission and that the foregoing notice may be sent to such e-mail address.

It is understood and agreed that the Administrative Agent may, in its discretion, elect to not deliver to any Lender that is a Permitted Investor, and limit the access of any such Lender to, any Communications or other information that do not consist of Borrower Materials.

Section 9.02 Survival of Agreement. Nothing herein shall prejudice the right of the Administrative Agent or any Lender to give any notice or other communication pursuant to any Loan Document in any other manner specified in such Loan Document. All covenants, agreements, representations and warranties made by the Borrowers or Holdings herein and in the certificates or other instruments prepared or delivered in connection with or pursuant to this Agreement or any other Loan Document shall be considered to have been relied upon by the

Lenders and shall survive the making by the Lenders of the Loans, regardless of any investigation made by the Lenders or on their behalf, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any Fee or any other amount payable under this Agreement or any other Loan Document is outstanding and unpaid and so long as the Commitments have not been terminated. The provisions of Sections 2.14, 2.16, 2.20 and 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Trustee or any Lender.

Section 9.03 Binding Effect. This Agreement shall become effective when it shall have been executed by the Borrowers, Holdings and the Administrative Agent and when the Administrative Agent shall have received counterparts hereof which, when taken together, bear the signatures of each of the other parties hereto.

Section 9.04 Successors and Assigns. (a) Whenever in this Agreement any of the parties hereto is referred to, such reference shall be deemed to include the permitted successors and assigns of such party; and all covenants, promises and agreements by or on behalf of the Borrowers, Holdings, the Administrative Agent, the Collateral Trustee or the Lenders that are contained in this Agreement shall bind and inure to the benefit of their respective successors and assigns.

(b) (i) Subject to the conditions set forth in clause (ii) below, any Lender may assign to one or more Eligible Assignees (other than to any Disqualified Institution or any natural person) all or a portion of its interests, rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it), (provided, however, that (1) pro rata assignments shall not be required and (2) each assignment shall be of a uniform, and not varying, percentage of all rights and obligations under and in respect of any applicable Loan) with the prior written consent (such consent not to be unreasonably withheld or delayed) of:

(A) the Lead Borrower; provided that no consent of the Lead Borrower shall be required (i) if an Event of Default under Section 7.01(b) or (c), or (with respect to any Borrower only) Section 7.01(g) or (h), has occurred and is continuing or (ii) if such assignment is to a Lender, an Affiliate of a Lender or a Related Fund in respect of a Lender (for purposes of clarity, it is understood that no assignment may be made to a Disqualified Institution); provided, further, that the Lead Borrower shall be deemed to have consented to any assignment unless it objects thereto by written notice to the Administrative Agent within ten Business Days after having received notice thereof; and

(B) the Administrative Agent.

(ii) Assignments shall be subject to the following additional conditions:

(A) except in the case of an assignment to a Lender, an affiliate of a Lender or Related Fund or an assignment of the entire remaining amount of the assigning Lender's Loans, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the date the Assignment and Acceptance with respect to such assignment is delivered to the Administrative Agent) shall be in an integral multiple of, and not less than, \$1,000,000 unless each of the Lead Borrower and the Administrative Agent otherwise consent; provided that simultaneous assignments by two or more Related Funds shall be combined for purposes of determining whether the minimum assignment requirement is met;

(B) the parties to each assignment shall execute and deliver to the Administrative Agent an Assignment and Acceptance and shall pay to the Administrative Agent a processing and recordation fee of \$3,500 (which fee may be waived or reduced in the sole discretion of the Administrative Agent); and

(C) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent an Administrative Questionnaire (in which the assignee shall designate one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including federal and state securities laws) and all applicable tax forms required under Section 2.20.

(iii) Subject to acceptance and recording pursuant to clause (iv) of this Section 9.04, from and after the effective date specified in each Assignment and Acceptance, (A) the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Acceptance, have the rights and obligations of a Lender under this Agreement and (B) the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Acceptance, be released from its obligations under this Agreement (and, in the case of an Assignment and Acceptance covering all or the remaining portion of an assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of Sections 2.14, 2.16, 2.20 and 9.05). Any assignment or transfer by a Lender of rights or obligations under this Agreement (other than any purported assignment or transfer to a Disqualified Institution) that does not comply with this Section 9.04 shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (g) of this Section 9.04.

(iv) The Administrative Agent, acting for this purpose as an agent of the Borrowers, shall maintain at one of its offices in The City of New York a copy of each Assignment and Acceptance delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal amount of the Loans

(and stated interest) owing to, each Lender pursuant to the terms hereof from time to time (the “Register”). The entries in the Register shall be conclusive and the Borrowers, the Administrative Agent, the Collateral Trustee and the Lenders may treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. The Register shall be available for inspection by the Borrowers, the Collateral Trustee and any Lender, at any reasonable time and from time to time upon reasonable prior notice. This Section 9.04(b)(iv) and Section 2.04 shall be construed so that all Loans are at all times maintained in “registered form” within the meaning of Sections 163(f), 871(h)(2) and 881(c)(2) of the Code and any related Treasury regulations (or any other relevant or successor provisions of the Code or of such Treasury regulations).

(v) Upon its receipt of, and consent to, a duly completed Assignment and Acceptance executed by an assigning Lender and an assignee, an Administrative Questionnaire completed in respect of the assignee (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) above, if applicable, and the written consent of the Administrative Agent to such assignment and any applicable tax forms pursuant to Section 2.20, the Administrative Agent shall promptly (i) accept such Assignment and Acceptance and (ii) record the information contained therein in the Register. No assignment shall be effective unless it has been recorded in the Register as provided in this clause (v).

(vi) By executing and delivering an Assignment and Acceptance, the assigning Lender thereunder and the assignee thereunder shall be deemed to confirm to and agree with each other and the other parties hereto as follows: (i) such assigning Lender warrants that it is the legal and beneficial owner of the interest being assigned thereby free and clear of any adverse claim and that its Commitment and the outstanding balances of its Loans without giving effect to assignments thereof which have not become effective, are as set forth in such Assignment and Acceptance, (ii) except as set forth in (i) above, such assigning Lender makes no representation or warranty and assumes no responsibility with respect to any statements, warranties or representations made in or in connection with this Agreement, or the execution, legality, validity, enforceability, genuineness, sufficiency or value of this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto, or the financial condition of the Borrowers or any their respective Restricted Subsidiaries or the performance or observance by the Borrowers or any of their respective Restricted Subsidiaries of any of their obligations under this Agreement, any other Loan Document or any other instrument or document furnished pursuant hereto; (iii) such assignee represents and warrants that it is an Eligible Assignee legally authorized to enter into such Assignment and Acceptance; (iv) such assignee confirms that it has received a copy of this Agreement, together with copies of the most recent financial statements referred to in Section 3.05(a) or delivered pursuant to Section 5.04 and such other documents and information as it has deemed appropriate to make its own credit analysis and decision to enter into such Assignment and Acceptance; (v) such assignee will independently and without reliance upon the Administrative Agent, the Collateral Trustee, such assigning Lender or any other Lender and based on such documents and information as it shall

deem appropriate at the time, continue to make its own credit decisions in taking or not taking action under this Agreement; (vi) such assignee appoints and authorizes the Administrative Agent and the Collateral Trustee to take such action as agent on its behalf and to exercise such powers under this Agreement as are delegated to the Administrative Agent and the Collateral Trustee, respectively, by the terms hereof, together with such powers as are reasonably incidental thereto; and (vii) such assignee agrees that it will perform in accordance with their terms all the obligations which by the terms of this Agreement are required to be performed by it as a Lender.

(c) Each Lender may without the consent of the Lead Borrower or the Administrative Agent sell participations to one or more banks or other Persons (other than to any Disqualified Institution or Holdings, the Borrowers or their respective Subsidiaries) in all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans owing to it); provided, however, that (i) such Lender's obligations under this Agreement shall remain unchanged, (ii) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations, (iii) the participating banks or other Persons shall be entitled to the benefit of the cost protection provisions contained in Sections 2.14 and 2.16 to the same extent as if they were Lenders (but, with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant) and (iv) the Borrowers, the Administrative Agent and the Lenders shall continue to deal solely and directly with such Lender in connection with such Lender's rights and obligations under this Agreement, and such Lender shall retain the sole right to enforce the obligations of the Borrowers relating to the Loans and to approve any amendment, modification or waiver of any provision of this Agreement (other than amendments, modifications or waivers decreasing any fees payable to such participating bank or Person hereunder or the amount of principal of or the rate at which interest is payable on the Loans in which such participating bank or Person has an interest, extending any scheduled principal payment date or date fixed for the payment of interest on the Loans in which such participating bank or Person has an interest, increasing or extending the Commitments in which such participating bank or Person has an interest or releasing any Guarantor (other than in connection with the sale of such Guarantor in a transaction permitted by Section 6.05) or all or substantially all of the Collateral). Each Person holding a participation pursuant to this Section 9.04(c) shall be entitled to the benefits of Section 2.20 with respect to its interest in the Commitments and the Loans outstanding from time to time as if such participant were a Lender (but, with respect to any particular participant, to no greater extent than the Lender that sold the participation to such participant); provided that (i) such Person shall have complied with the requirements of Section 2.20 including, without limitation, Section 2.20(e) and (ii) no participant shall be entitled to receive any greater payment under Section 2.20 than the applicable Lender would have been entitled to receive with respect to the participation sold to such participant had no such participation occurred. To the extent permitted by law, each participating bank or other Person also shall be entitled to the benefits of Section 9.06 as though it were a Lender, provided that such participating bank or other Person agrees to be subject to Section 2.18 as though it were a Lender. Each Lender that sells a participation shall, acting solely for this purpose as an agent of the Borrowers, maintain a register on which it enters the name and address of each of the participating banks or other Persons and the principal amounts (and stated interest) of each such participating bank's or other Person's interest in the Loans or

other obligations under the Loan Documents (the “Participant Register”); provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register (including the identity of any such participating banks or other Persons or any information relating to a participating bank’s or other Person’s interest in any commitments, loans, letters of credit or its other obligations under any Loan Document) to any Person except to the extent that such disclosure is necessary to establish that such commitment, loan, letter of credit or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive absent manifest error, and such Lender shall treat each Person whose name is recorded in the Participant Register as the owner of such participation for all purposes of this Agreement notwithstanding any notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender or participant may, in connection with any assignment or participation or proposed assignment or participation pursuant to this Section 9.04, disclose to the assignee or participant or proposed assignee or participant any information relating to the Borrowers furnished to such Lender by or on behalf of the Borrowers; provided that, prior to any such disclosure of information designated by the Borrowers as confidential, each such assignee or participant or proposed assignee or participant shall execute an agreement whereby such assignee or participant shall agree (subject to customary exceptions) to preserve the confidentiality of such confidential information on terms no less restrictive than those applicable to the Lenders pursuant to Section 9.16.

(e) Any Lender may at any time assign all or any portion of its rights under this Agreement to secure extensions of credit to such Lender or in support of obligations owed by such Lender; provided that no such assignment shall release a Lender from any of its obligations hereunder or substitute any such assignee for such Lender as a party hereto.

(f) Notwithstanding anything to the contrary contained herein, (x) Holdings, the Borrowers and any of their respective Subsidiaries may, from time to time, purchase or prepay Term Loans, on a non-pro rata basis through Dutch auction procedures open to all applicable Lenders on a pro rata basis in accordance with customary procedures to be agreed between the Lead Borrower and the Administrative Agent and (y) any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement in respect of its Term Loans to an Affiliated Lender and, in each case, with respect to clauses (x) and (y) of this Section 9.04(f), without the consent of the Administrative Agent; provided that:

(i) any Term Loans acquired by Holdings, the Borrowers or any of their respective Subsidiaries shall be retired and cancelled immediately upon the acquisition thereof; provided that upon cancellation of such Term Loans the aggregate outstanding principal amount of the Term Loans shall be deemed reduced by the full par value of the aggregate principal amount of the Term Loans so cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.11(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so cancelled;

(ii) any Term Loans acquired by any Affiliated Lender may (but shall not be required to) be contributed to Holdings or any of its Subsidiaries for purposes of cancellation of such Indebtedness (it being understood that such Term Loans shall be retired and cancelled promptly upon such contribution); provided that upon cancellation of such Term Loans, the aggregate outstanding principal amount of the Term Loans shall be deemed reduced, as of the date of such contribution by the full par value of the aggregate principal amount of the Term Loans so contributed and cancelled, and each principal repayment installment with respect to the Term Loans pursuant to Section 2.11(a) shall be reduced pro rata by the full par value of the aggregate principal amount of Term Loans so contributed and cancelled;

(iii) in connection with any Dutch auction, the Lead Borrower shall provide, as of the date of the effectiveness of such purchase, a customary representation and warranty that there is no material non-public information with respect to Holdings, the Borrowers, their respective Subsidiaries or their respective securities at such time that (A) has not been disclosed to the assigning Lender prior to such date or (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to assign Term Loans to Holdings, a Borrower or one of their respective Subsidiaries (in each case other than because such assigning Lender does not wish to receive material non-public information with respect to Holdings, the Borrowers, their respective Subsidiaries or their respective securities);

(iv) each Affiliated Lender or Holdings, the applicable Borrower or the applicable Subsidiary shall identify itself as such in the applicable Assignment and Acceptance;

(v) (I) after giving effect to any assignment to an Affiliated Lender, and to all other assignments with all Affiliated Lenders, the aggregate principal amount of all Term Loans then held by all Affiliated Lenders shall not exceed 20% of the aggregate unpaid principal amount of the Term Loans then outstanding (after giving effect to any substantially simultaneous cancellations thereof) and (II) each Affiliated Lender shall either (x) provide, as of the date of the effectiveness of such purchase, a customary representation and warranty that there is no material non-public information with respect to Holdings, the Borrowers, their respective Subsidiaries or their respective securities at such time that (A) has not been disclosed to the assigning Lender prior to such date or (B) could reasonably be expected to have a material effect upon, or otherwise be material to, a Lender's decision to assign Term Loans to Holdings, a Borrower or one of their respective Subsidiaries (in each case other than because such assigning Lender does not wish to receive material non-public information with respect to Holdings, the Borrowers, their respective Subsidiaries or their respective securities) or (y) confirm that such representation cannot be made as of such date;

(vi) in connection with any assignment effected pursuant to a Dutch auction conducted by Holdings, the Borrowers or any of their respective Subsidiaries, (A) unless after giving pro forma effect to any such assignment the unrestricted cash and Cash Equivalents of the Borrowers and their respective Restricted Subsidiaries plus the amount

of the undrawn availability under the ABL Credit Agreement is no less than \$200,000,000, Indebtedness under the ABL Credit Agreement shall not be utilized to fund such assignment and (B) no Default or Event of Default shall have occurred and be continuing at the time of acceptance of bids for the Dutch auction;

(vii) by its acquisition of Term Loans, an Affiliated Lender shall be deemed to have acknowledged and agreed that:

(A) the Term Loans held by such Affiliated Lender shall be disregarded in both the numerator and denominator in the calculation of any Lender vote, except that such Affiliated Lender shall have the right to vote (and the loans held by such Affiliated Lender shall not be so disregarded) with respect to any amendment, modification, waiver, consent or other action that requires the vote of all Lenders or all affected Lenders, as the case may be; provided that no amendment, modification, waiver, consent or other action shall (1) disproportionately affect such Affiliated Lender in its capacity as a Lender as compared to other Lenders that are not Affiliated Lenders or (2) deprive any Affiliated Lender of its share of any payments which the Lenders are entitled to share on a pro rata basis hereunder, in each case without consent of such Affiliated Lender;

(B) the Administrative Agent shall vote on behalf of such Affiliated Lender in the event that any proceeding under Sections 1126 or 1129 of the Bankruptcy Code shall be instituted by or against the Borrowers or any of their respective Restricted Subsidiaries, or alternatively, to the extent that the foregoing is deemed unenforceable for any reason, such Affiliated Lender shall vote in such proceedings in the same proportion as the allocation of voting with respect to such matter by those Lenders who are not Affiliated Lenders, in each case except to the extent that any plan of reorganization proposes to treat the obligations held by such Affiliated Lender in its capacity as a Lender in a disproportionate adverse manner to such Affiliated Lender than the proposed treatment of similar obligations held by Lenders that are not Affiliated Lenders;

(C) Affiliated Lenders, solely in their capacity as an Affiliated Lender, will not be entitled to (i) attend (including by telephone) any meeting or discussions (or portion thereof) among the Administrative Agent or any Lender or among Lenders to which the Loan Parties or their representatives are not invited, (ii) receive any information or material prepared by the Administrative Agent or any Lender or any communication by or among Administrative Agent and one (1) or more Lenders, except to the extent such information or materials have been made available to any Loan Party or its representatives (and in any case, other than the right to receive notices of Borrowings, prepayments and other administrative notices in respect of its Term Loans required to be delivered to Lenders pursuant to Article II) or (iii) make or bring (or participate in, other than as a passive participant in or

recipient of its pro rata benefits of) any claim, in its capacity as a Lender, against the Administrative Agent, the Collateral Trustee or any other Agent hereunder with respect to any duties or obligations or alleged duties or obligations of such Agent under the Loan Documents (except with respect to rights expressly retained under this Section 9.04(f) which are not so waived); and

(D) it shall not have any right to receive advice of counsel to the Administrative Agent or to Lenders other than Affiliated Lenders or to challenge the Lenders' attorney-client privilege.

(g) Notwithstanding anything to the contrary contained herein, any Lender (a "Granting Lender") may grant to a special purpose funding vehicle (an "SPV"), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrowers, the option to provide to the Borrowers all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrowers pursuant to this Agreement; provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, it will not institute against, or join any other Person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrowers and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrowers and Administrative Agent) providing liquidity and/or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(h) Neither Holdings nor the Borrowers shall assign or delegate any of their rights or duties hereunder without the prior written consent of the Administrative Agent and each Lender, and any attempted assignment without such consent shall be null and void.

Section 9.05 Expenses; Indemnity. (a) The Borrowers and Holdings agree to pay all reasonable, documented out-of-pocket expenses incurred by the Administrative Agent and the Collateral Trustee in connection with the syndication of the Term Loan Facility and the preparation and administration of this Agreement and the other Loan Documents or in

connection with any amendments, modifications or waivers of the provisions hereof or thereof or incurred by the Administrative Agent, the Collateral Trustee or the Lenders in connection with the enforcement or protection of its rights in connection with this Agreement and the other Loan Documents or in connection with the Loans made hereunder, including in connection with a workout or a restructuring, the fees, charges and disbursements of White & Case LLP, counsel for the Administrative Agent, counsel for the Collateral Trustee, no more than one counsel in each jurisdiction where Collateral is located (it being acknowledged that each province and territory of Canada is a separate jurisdiction), and, in connection with any such enforcement or protection, the fees, charges and disbursements of any other counsel for the Administrative Agent or the Collateral Trustee and no more than one counsel for all Lenders; provided that in the case of an actual or perceived conflict of interest, the Borrowers and Holdings agree to pay all reasonable, documented fees, charges and disbursements of another firm of counsel for such affected Person.

(b) The Borrowers and Holdings agree to indemnify the Administrative Agent, the Collateral Trustee, the Joint Lead Arrangers, the Joint Bookrunners, the other Agents, each Lender and each Related Party of any of the foregoing Persons (each such Person being called an “Indemnitee”) against, and to hold each Indemnitee harmless from, any and all losses, claims, damages, liabilities and related expenses, including reasonable counsel fees, charges and disbursements, incurred by or asserted against any Indemnitee arising out of, in any way connected with, or as a result of (i) the execution or delivery of this Agreement or any other Loan Document or any agreement or instrument contemplated thereby, the performance by the parties thereto of their respective obligations thereunder or the consummation of the Transactions, any transactions contemplated by the First Restatement Agreement and the other transactions contemplated thereby (including the syndication of the Term Loan Facility), (ii) the use of the proceeds of the Loans, (iii) any claim, litigation, investigation or proceeding relating to any of the foregoing, whether or not any Indemnitee is a party thereto (and regardless of whether such matter is initiated by a third party or by the Borrowers, any other Loan Party or any of their respective Affiliates), or (iv) any actual or alleged presence or Release of Hazardous Materials on any property currently or formerly owned or operated by the Borrowers or any of the Restricted Subsidiaries, or any Environmental Liability related in any way to the Borrowers or the Restricted Subsidiaries; provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses are determined by a court of competent jurisdiction by final and non-appealable judgment to have resulted from (w) the gross negligence or willful misconduct of such Indemnitee, (x) a material breach of the Loan Documents by such Indemnitee, (y) disputes between and among Indemnitees other than any claims against an Indemnitee in its capacity or in fulfilling its role as the Administrative Agent, the Collateral Trustee or a Joint Lead Arranger or Joint Bookrunner under the Term Loan Facility other than disputes involving any act or omission of the Borrowers or any of their Affiliates or (z) any settlement of an action or proceeding entered into by such Indemnitee without the Borrowers’ written consent (such consent not to be unreasonably withheld, delayed or conditioned), but, if such settlement occurs with Borrower’s written consent or if there is a final judgment for the plaintiff in any action or claim with respect to any of the foregoing, the Borrower will be liable for such settlement or for such final judgment.

(c) To the extent that Holdings and the Borrowers fail to pay any amount required to be paid by them to the Administrative Agent or the Collateral Trustee under paragraph (a) or (b) of this Section 9.05, each Lender severally agrees to pay to the Administrative Agent or the Collateral Trustee, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount; provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent or the Collateral Trustee in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the sum of outstanding Loans and unused Commitments at the time.

(d) To the extent permitted by applicable law, neither Holdings nor the Borrowers shall assert, and each hereby waives, any claim against any Indemnitee, on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, this Agreement or any agreement or instrument contemplated hereby, the Transactions, any Loan or the use of the proceeds thereof.

(e) The provisions of this Section 9.05 shall remain operative and in full force and effect regardless of the expiration of the term of this Agreement, the consummation of the transactions contemplated hereby, the repayment of any of the Loans, the expiration of the Commitments, the invalidity or unenforceability of any term or provision of this Agreement or any other Loan Document, or any investigation made by or on behalf of the Administrative Agent, the Collateral Trustee or any Lender. All amounts due under this Section 9.05 shall be payable on written demand therefor. In no event shall any Canadian Loan Party be liable for any Obligation of Holdings, the Lead Borrower or any other U.S. Loan Party.

Section 9.06 Right of Setoff. If an Event of Default shall have occurred and be continuing, each Lender is hereby authorized at any time and from time to time, except to the extent prohibited by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final) at any time held and other indebtedness at any time owing by such Lender to or for the credit or the account of the Borrowers or Holdings against any of and all the obligations of the Borrowers or Holdings now or hereafter existing under this Agreement and other Loan Documents held by such Lender, irrespective of whether or not such Lender shall have made any demand under this Agreement or such other Loan Document and although such obligations may be unmatured. The rights of each Lender under this Section 9.06 are in addition to other rights and remedies (including other rights of setoff) which such Lender may have.

Section 9.07 Applicable Law. THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS (OTHER THAN AS EXPRESSLY SET FORTH IN OTHER LOAN DOCUMENTS) SHALL BE CONSTRUED IN ACCORDANCE WITH AND GOVERNED BY THE LAWS OF THE STATE OF NEW YORK.

Section 9.08 Waivers; Amendment. (a) No failure or delay of the Administrative Agent, the Collateral Trustee or any Lender in exercising any power or right hereunder or under any other Loan Document shall operate as a waiver thereof, nor shall any

single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Trustee, and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of this Agreement or any other Loan Document or consent to any departure by the Borrowers or any other Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) below, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. No notice or demand on the Borrowers or Holdings in any case shall entitle the Borrowers or Holdings to any other or further notice or demand in similar or other circumstances.

(b) Neither this Agreement nor any provision hereof may be waived, amended or modified except pursuant to an agreement or agreements in writing entered into by the Borrowers, Holdings and the Required Lenders; provided, however, that no such agreement shall (i) decrease the principal amount of, or extend the maturity of or any scheduled principal payment date or date for the payment of any interest on any Loan, or waive or excuse any such payment or any part thereof, or decrease the rate of interest (other than default interest) on any Loan, without the prior written consent of each Lender directly adversely affected thereby, (ii) increase or extend the Commitment of any Lender without the prior written consent of such Lender or decrease or extend the date for payment of any Fees of any Agent without the prior written consent of such Agent, (iii) amend or modify the pro rata requirements of Section 2.17 (other than in connection with loan buy-back offers that are made to all Lenders on a pro rata basis, in which case payments and Commitment reductions with respect to tendering Lenders will be permitted on terms acceptable to the Borrowers, Holdings and the Required Lenders) and Section 2.18, the provisions of Section 9.04(h) or the provisions of this Section 9.08 or release all or substantially all of the Collateral or the value of the guaranties provided by the Guarantors taken as a whole, without the prior written consent of each Lender, (iv) change the provisions of any Loan Document in a manner that by its terms adversely affects the rights in respect of payments due to Lenders holding Loans of one Class differently from the rights of Lenders holding Loans of any other Class without the prior written consent of Lenders holding a majority in interest of the outstanding Loans and unused Commitments of each adversely affected Class, (v) modify the protections afforded to an SPV pursuant to the provisions of Section 9.04(g) without the written consent of such SPV, (vi) reduce the percentage contained in the definition of the term "Required Lenders" without the prior written consent of each Lender (it being understood that with the consent of the Required Lenders, additional extensions of credit pursuant to this Agreement may be included in the determination of the Required Lenders on substantially the same basis as the Term Loan Commitments on December 17, 2012) or (vii) change the currency in which any Loan is denominated without the written consent of each Lender holding such Loans; provided, further, that no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent or the Collateral Trustee hereunder or under any other Loan Document without the prior written consent of the Administrative Agent or the Collateral Trustee.

(c) The Administrative Agent and the Borrowers may amend any Loan Document to correct administrative errors or omissions, or to effect administrative changes that are not adverse to any Lender. Notwithstanding anything to the contrary contained herein, such amendment shall become effective without any further consent of any other party to such Loan Document.

(d) Notwithstanding anything in this Agreement to the contrary, each Lender hereby irrevocably authorizes the Administrative Agent on its behalf, and without further consent, to enter into amendments or modifications to this Agreement (including, without limitation, amendments to this Section 9.08) or any of the other Loan Documents or to enter into additional Loan Documents as the Administrative Agent reasonably deems appropriate in order to effectuate the terms of Sections 2.22 through 2.26 (including, without limitation, as applicable, (1) to permit the New Term Loans, Extended Term Loans and Other Term Loans to share ratably in the benefits of this Agreement and the other Loan Documents and (2) to include the commitments with respect to Incremental Term Loans, New Term Loans, Other Term Loan Commitments, as applicable, or outstanding Incremental Term Loans, New Term Loans, Extended Term Loans or Other Term Loans, as applicable, in any determination of (i) Required Lenders or (ii) similar required lender terms applicable thereto); provided that no amendment or modification shall result in any increase in the amount of any Lender's Commitment without the written consent of such affected Lender.

(e) In addition, notwithstanding the foregoing, this Agreement may be amended or amended and restated with the written consent of the Administrative Agent, Holdings, the Lead Borrower and the Lenders providing the relevant Replacement Term Loans or to permit the refinancing of all outstanding Term Loans of a given Class (the "Refinanced Term Loans"), with a replacement Term Loan tranche denominated in Dollars (the "Replacement Term Loans"), respectively, hereunder; provided that (i) the aggregate principal amount of such Replacement Term Loans shall not exceed the aggregate principal amount of, plus accrued interest, fees, expenses and premiums with respect to, such Refinanced Term Loans, (ii) the Effective Yield with respect to such Replacement Term Loans shall not be higher than Effective Yield with respect to such Refinanced Term Loans, (iii) the Weighted Average Life to Maturity of such Replacement Term Loans shall not be shorter than the Weighted Average Life to Maturity of such Refinanced Term Loans, at the time of such refinancing (except to the extent of nominal amortization for periods where amortization has been eliminated as a result of prepayment of the applicable Initial Term Loans), and (iv) all other terms applicable to such Replacement Term Loans shall be substantially identical to, or (taken as a whole) less favorable to the Lenders providing such Replacement Term Loans than, those applicable to such Refinanced Term Loans, except to the extent necessary to provide for covenants and other terms applicable to any period after the Latest Maturity Date then in effect immediately prior to such refinancing.

(f) If, in connection with any proposed change, waiver, discharge or termination of any of the provisions of this Agreement as contemplated by clauses (i) through (vi), inclusive, of the first proviso to Section 9.08(b), the consent of the Required Lenders is obtained but the consent of one or more of such other Lenders whose consent is required is not obtained, then the Borrowers shall have the right, so long as all non-consenting Lenders whose individual consent is required are treated as described in either clause (A) or (B) below, to either (A) replace each such non-consenting Lender or Lenders by having its Loans assigned, at par,

with one or more other institutions subject to Section 9.04 so long as at the time of such replacement, each such institution consents to the proposed change, waiver, discharge or termination or (B) with the express written consent of the Required Lenders, repay the outstanding Loans of such Lender, provided, that in the case of either preceding clause (A) or (B) above, the payment by the Borrower to each non-consenting Lender of the applicable Prepayment Fee (if such assignment or repayment occurs prior to the first anniversary of the Closing Date).

Section 9.09 Interest Rate Limitation. Notwithstanding anything herein to the contrary, if at any time the interest rate applicable to any Loan, together with all fees, charges and other amounts which are treated as interest on such Loan under applicable law (collectively, the "Charges"), shall exceed the maximum lawful rate (the "Maximum Rate") which may be contracted for, charged, taken, received or reserved by the Lender holding such Loan or participation in accordance with applicable law, the rate of interest payable in respect of such Loan or participation hereunder, together with all Charges payable in respect thereof, shall be limited to the Maximum Rate and, to the extent lawful, the interest and Charges that would have been payable in respect of such Loan or participation but were not payable as a result of the operation of this Section 9.09 shall be cumulated and the interest and Charges payable to such Lender in respect of other Loans or participations or periods shall be increased (but not above the Maximum Rate therefor) until such cumulated amount, together with interest thereon at the Federal Funds Effective Rate to the date of repayment, shall have been received by such Lender.

Section 9.10 Entire Agreement. This Agreement, the Fee Letter and the other Loan Documents constitute the entire contract between the parties relative to the subject matter hereof. Any other previous agreement among the parties with respect to the subject matter hereof is superseded by this Agreement and the other Loan Documents. Nothing in this Agreement or in the other Loan Documents, expressed or implied, is intended to confer upon any Person (other than the parties hereto and thereto, their respective successors and assigns permitted hereunder and, to the extent expressly contemplated hereby, the Related Parties of each of the Administrative Agent, the Collateral Trustee and the Lenders) any rights, remedies, obligations or liabilities under or by reason of this Agreement or the other Loan Documents.

Section 9.11 Waiver of Jury Trial. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT OF ANY LITIGATION DIRECTLY OR INDIRECTLY ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS AGREEMENT OR ANY OF THE OTHER LOAN DOCUMENTS. EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT AND THE OTHER LOAN DOCUMENTS, AS APPLICABLE, BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION 9.11.

Section 9.12 Severability. In the event any one or more of the provisions contained in this Agreement or in any other Loan Document should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein and therein shall not in any way be affected or impaired thereby (it being understood that the invalidity of a particular provision in a particular jurisdiction shall not in and of itself affect the validity of such provision in any other jurisdiction). The parties shall endeavor in good-faith negotiations to replace the invalid, illegal or unenforceable provisions with valid provisions the economic effect of which comes as close as possible to that of the invalid, illegal or unenforceable provisions.

Section 9.13 Counterparts. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original but all of which when taken together shall constitute a single contract, and shall become effective as provided in Section 9.03. Delivery of an executed signature page to this Agreement by facsimile transmission or other electronic transmission (including "pdf") shall be as effective as delivery of a manually signed counterpart of this Agreement.

Section 9.14 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and are not to affect the construction of, or to be taken into consideration in interpreting, this Agreement.

Section 9.15 Jurisdiction; Consent to Service of Process. (a) Each of Holdings and the Borrowers hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of any New York State court or federal court of the United States of America sitting in the Borough of Manhattan in New York City, and any appellate court from any thereof, in any action or proceeding arising out of or relating to this Agreement or the other Loan Documents, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in this Agreement shall affect any right that the Administrative Agent, the Collateral Trustee or any Lender may otherwise have to bring any action or proceeding relating to this Agreement or the other Loan Documents against the Borrowers, Holdings or their respective properties in the courts of any jurisdiction.

(b) Each of Holdings and the Borrowers hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection which it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to this Agreement or the other Loan Documents in any New York State or federal court. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(c) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in this Agreement will affect the right of any party to this Agreement to serve process in any other manner permitted by law. Without limiting the other provisions of this Section 9.15 and in addition to the service of process provided for herein, the Canadian Borrower and the German Borrower each hereby irrevocably designates, appoints and empowers the Lead Borrower (and the Lead Borrower hereby irrevocably accepts such appointment), as its authorized designee, appointee and agent to receive, accept and acknowledge for and on its behalf, and in respect of its property, service of any and all legal process, summons, notices and documents which may be served in any such action or proceeding. If for any reason the Lead Borrower shall cease to be available to act as such, the Canadian Borrower and the German Borrower each agree to designate a new authorized designee, appointee and agent in New York City on the terms and for the purposes of this provision reasonably satisfactory to the Administrative Agent under this Agreement. The German Borrower hereby exempts the Lead Borrower and the Administrative Agent from any restrictions on representing several persons and self-dealing under any applicable law, and in particular from the restrictions of Section 181 of the German Civil Code (*Bürgerliches Gesetzbuch*), in each case to the extent legally possible, to perform their duties and obligations as hereunder and under the German Security Documents.

Section 9.16 Confidentiality. Each of the Administrative Agent and the Lenders agrees (and the Collateral Trustee agrees pursuant to the Collateral Trust Agreement) to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to its and its Affiliates' officers, directors, employees and agents, including accountants, legal counsel and other advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential), (b) to the extent requested by any regulatory authority or quasi-regulatory authority (such as the National Association of Insurance Commissioners), (c) to the extent required by applicable laws or regulations or by any subpoena or similar legal process, (d) in connection with the exercise of any remedies hereunder or under the other Loan Documents or any suit, action or proceeding relating to the enforcement of its rights hereunder or thereunder, (e) subject to an agreement containing provisions substantially the same as those of this Section 9.16, to (i) any actual or prospective assignee of or participant in any of its rights or obligations under this Agreement and the other Loan Documents or (ii) any actual or prospective counterparty (or its advisors) to any swap or derivative transaction relating to the Borrowers or any of their respective Restricted Subsidiaries or any of their respective obligations, (f) with the consent of the Borrowers or (g) to the extent such Information becomes publicly available other than as a result of a breach of this Section 9.16. For the purposes of this Section, "Information" shall mean all information received from the Borrowers or Holdings and related to the Borrowers or Holdings or their business, other than any such information that was available to the Administrative Agent, the Collateral Trustee or any Lender on a non-confidential basis prior to its disclosure by the Borrowers or Holdings. Any Person required to maintain the confidentiality of Information as provided in this Section 9.16 shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord its own confidential information.

Section 9.17 Lender Action. Each Lender agrees that it shall not in its capacity as Lender hereunder take or institute any actions or proceedings, judicial or otherwise, for any right or remedy against any Loan Party or any other obligor under any of the Loan Documents (including the exercise of any right of setoff, rights on account of any banker's lien or similar claim or other rights of self-help), or institute any actions or proceedings, or otherwise commence any remedial procedures, with respect to any Collateral or any other property of any such Loan Party, unless expressly provided for herein or in any other Loan Document, without the prior written consent of the Administrative Agent or, as applicable, the Collateral Trustee. The provisions of this Section 9.17 are for the sole benefit of the Lenders and shall not afford any right to, or constitute a defense available to, any Loan Party.

Section 9.18 USA PATRIOT Act Notice. Each Lender and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies Holdings and the Borrowers that pursuant to the requirements of the USA PATRIOT Act, it is required to obtain, verify and record information that identifies Holdings and the Borrowers, which information includes the name and address of Holdings and the Borrowers and other information that will allow such Lender or the Administrative Agent, as applicable, to identify Holdings and the Borrowers in accordance with the USA PATRIOT Act.

Section 9.19 Nature of Borrowers Obligations. (a) Notwithstanding anything to the contrary contained elsewhere in this Agreement, it is understood and agreed by the various parties to this Agreement that (x) the Canadian Obligations shall constitute obligations of the Canadian Borrower and shall be guaranteed pursuant to, and in accordance with the terms of, this Agreement, the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and the Canadian Subsidiary Guaranty and (y) the German Obligations shall constitute obligations of the German Borrower and shall be guaranteed pursuant to, and in accordance with the terms of, this Agreement, the Holdings/Lead Borrower Guaranty, the U.S. Subsidiary Guaranty and the German Subsidiary Guaranty.

(b) Notwithstanding anything to the contrary herein or in any other Loan Document (including provisions that may override any other provision), in no event shall (x) the Canadian Borrower or any other Canadian Loan Party be deemed to have guaranteed or become liable or obligated for, or to have pledged any of its assets to secure, any Obligation of a U.S. Loan Party under this Agreement or any of the other Loan Documents or (y) the German Borrower or any other German Loan Party be deemed to have guaranteed or become liable or obligated for, or to have pledged any of its assets to secure, any Obligation of a U.S. Loan Party under this Agreement or any of the other Loan Documents.

Section 9.20 Judgment Currency. If, for the purposes of obtaining judgment in any court, it is necessary to convert a sum due hereunder or any other Loan Document in one currency into another currency, the rate of exchange used shall be that at which in accordance with normal banking procedures the Administrative Agent could purchase the first currency with such other currency on the Business Day preceding that on which final judgment is given. The obligation of the Borrowers in respect of any such sum due from it to the Administrative Agent or the Lenders hereunder or under the other Loan Documents shall, notwithstanding any judgment in a currency (the "Judgment Currency") other than that in which such sum is denominated in accordance with the applicable provisions of this Agreement (the "Agreement Currency"), be discharged only to the extent that on the Business Day following receipt by the

Administrative Agent of any sum adjudged to be so due in the Judgment Currency, the Administrative Agent may in accordance with normal banking procedures purchase the Agreement Currency with the Judgment Currency. If the amount of the Agreement Currency so purchased is less than the sum originally due to the Administrative Agent from the Borrowers in the Agreement Currency, the Borrowers agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Administrative Agent or the Person to whom such obligation was owing against such loss. If the amount of the Agreement Currency so purchased is greater than the sum originally due to the Administrative Agent in such currency, the Administrative Agent agrees to return the amount of any excess to the Borrowers (or to any other Person who may be entitled thereto under Applicable Law).

Section 9.21 Waiver of Sovereign Immunity. Each Canadian Loan Party, each German Loan Party and each U.K. Loan Party, in respect of itself, its Subsidiaries, its process agents, and its properties and revenues, hereby irrevocably agrees that, to the extent that such Canadian Loan Party, German Loan Party or U.K. Loan Party, as the case may be, or its respective Subsidiaries or any of its or its respective Subsidiaries' properties has or may hereafter acquire any right of immunity, whether characterized as sovereign immunity or otherwise, from any legal proceedings, whether in the United States or elsewhere, to enforce or collect upon the Loans or any Loan Document or any other liability or obligation of such Canadian Loan Party, German Loan Party or U.K. Loan Party, as the case may be, or any of their respective Subsidiaries related to or arising from the transactions contemplated by any of the Loan Documents, including, without limitation, immunity from service of process, immunity from jurisdiction or judgment of any court or tribunal, immunity from execution of a judgment, and immunity of any of its property from attachment prior to any entry of judgment, or from attachment in aid of execution upon a judgment, such Canadian Loan Party, German Loan Party or U.K. Loan Party, as the case may be, for itself and on behalf of its Subsidiaries, hereby expressly waives, to the fullest extent permissible under applicable law, any such immunity, and agrees not to assert any such right or claim in any such proceeding, whether in the United States or elsewhere. Without limiting the generality of the foregoing, each Canadian Loan Party, German Loan Party or U.K. Loan Party, as the case may be, further agrees that the waivers set forth in this Section 9.21 shall have the fullest extent permitted under the Foreign Sovereign Immunities Act of 1976 of the United States and are intended to be irrevocable for purposes of such Act.

Section 9.22 Accounting Matters. If at any time any change in GAAP would affect the computation of any financial ratio or requirement set forth in any Loan Document, and either the Lead Borrower or the Required Lenders shall so request, the Administrative Agent, the Lenders and the Lead Borrower shall negotiate in good faith to amend such ratio or requirement to preserve the original intent thereof in light of such change in GAAP (subject to the approval of the Required Lenders); provided that, until so amended, (i) such ratio or requirement shall continue to be computed in accordance with GAAP prior to such change therein and (ii) the Lead Borrower shall provide to the Administrative Agent and the Lenders financial statements and other documents required under this Agreement or as reasonably requested hereunder setting forth a reconciliation between calculations of such ratio or requirement made before and after giving effect to such change in GAAP.

Section 9.23 Electronic Execution of Assignments and Certain Other Documents. The words “execution,” “signed,” “signature,” and words of like import in any Assignment and Acceptance or in any amendment or other modification hereof (including waivers and consents) shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any Applicable Law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

Section 9.24 Use of Name, Logo, etc. Each Loan Party consents to the publication in the ordinary course by the Administrative Agent or the Joint Lead Arrangers of customary advertising material relating to the financing transactions contemplated by this Agreement displaying such Loan Party’s name, product photographs, logo or trademark, each in the form provided by the Loan Parties to the Administrative Agent. Such consent shall remain effective until revoked by such Loan Party in writing to the Administrative Agent and the Joint Lead Arrangers.

Section 9.25 Designation of Indebtedness. For purposes of the Collateral Trust Agreement and the other Loan Documents, each of the parties hereto (w) agrees that all Indebtedness incurred by the Borrowers and their respective Restricted Subsidiaries under this Agreement shall constitute Indebtedness incurred under an Additional Secured Debt Facility (as defined in the Collateral Trust Agreement), (x) agrees that all Secured Obligations (as defined in the U.S. Security Agreement) will be and are secured equally and ratably by all Transaction Liens (as defined in the Collateral Trust Agreement) granted to the Collateral Trustee for the benefit of the Secured Parties, at any time granted by any Grantor (as defined in the Collateral Trust Agreement) to secure any Secured Obligations (as defined in the U.S. Security Agreement) whether or not upon property otherwise constituting collateral to such Secured Obligations (as defined in the U.S. Security Agreement) and that all Transaction Liens (as defined in the Collateral Trust Agreement) granted pursuant to the Security Documents (as defined in the Collateral Trust Agreement) will be enforceable by the Collateral Trustee for the benefit of all holders of Secured Obligations (as defined in the U.S. Security Agreement) equally and ratably as contemplated by the Collateral Trust Agreement, (y) agrees that the holders of Secured Obligations (as defined in the U.S. Security Agreement) in respect of such Additional Secured Debt Facility (as defined in the Collateral Trust Agreement) shall be bound by the provisions of, and agree to the terms of, the ABL Intercreditor Agreement and the Collateral Trust Agreement, including the provisions relating to the ranking of Transaction Liens (as defined in the Collateral Trust Agreement) and the order of application of proceeds from the enforcement of Transaction Liens (as defined in the Collateral Trust Agreement) and (z) consents to and directs the Collateral Trustee to perform its obligations under the Collateral Trust Agreement, the ABL Intercreditor Agreement and the other Security Documents (as defined in the Collateral Trust Agreement).

Section 9.26 Debt Allocation Mechanism. (a) Notwithstanding any provision of any Loan Document to the contrary, on the DAM Exchange Date, each Lender holding U.S. Term Loans, each Lender holding Canadian Term Loans, each Lender holding Euro Term Loans and each Lender holding Sterling Term Loans shall automatically and without further act (and without regard to the provisions of Section 9.04), unless, on or prior to the DAM Exchange Date, one or more Lenders having or holding Term Loans representing (i) more than 50.0% of the aggregate principal amount of U.S. Term Loans of all Lenders, (ii) more than 50.0% of the aggregate principal amount of Canadian Term Loans of all Lenders, (iii) more than 50.0% of the aggregate principal amount of Euro Term Loans of all Lenders and (iv) more than 50.0% of the aggregate principal amount of Sterling Term Loans of all Lenders shall have otherwise directed the Administrative Agent, assign to other Lenders a portion of its interests in the U.S. Term Loans, the Canadian Term Loans, the Euro Term Loans and the Sterling Term Loans and/or purchase from other Lenders a portion of their interests in the U.S. Term Loans, the Canadian Term Loans, the Euro Term Loans and the Sterling Term Loans, such that in lieu of the interests such Lender has acquired as of such date in the U.S. Term Loans, the Canadian Term Loans, the Euro Term Loans and the Sterling Term Loans (whether as a Lender of record or by participation), including such Lender's interests in (w) the Obligations of each U.S. Loan Party, (x) the Canadian Obligations of each Canadian Loan Party (y) the German Obligations of each German Loan Party and (z) the U.K. Obligations of each U.K. Loan Party, in each case in respect of Term Loans, such Lender shall hold an interest in the U.S. Term Loans (including the Obligations of each U.S. Loan Party in respect of the U.S. Term Loans) equal to such Lender's DAM Percentage of all U.S. Term Loans outstanding as at such date of determination, whether or not such Lender previously had an interest in U.S. Term Loans, such Lender shall hold an interest in the Canadian Term Loans (including the Canadian Obligations of each Canadian Loan Party in respect of the Canadian Term Loans) equal to such Lender's DAM Percentage of all Canadian Term Loans outstanding as at such date of determination, whether or not such Lender previously had an interest in Canadian Term Loans, such Lender shall hold an interest in the Euro Term Loans (including the German Obligations of each German Loan Party in respect of the Euro Term Loans) equal to such Lender's DAM Percentage of all Euro Term Loans outstanding as at such date of determination, whether or not such Lender previously had an interest in Euro Term Loans and such Lender shall hold an interest in the Sterling Term Loans (including the U.K. Obligations of each U.K. Loan Party in respect of the Sterling Term Loans) equal to such Lender's DAM Percentage of all Sterling Term Loans outstanding as at such date of determination, whether or not such Lender previously had an interest in Sterling Term Loans. A Lender may elect upon the occurrence of a DAM Exchange Date that the interests in the Canadian Term Loans, Euro Term Loans and/or the Sterling Term Loans acquired by such Lender shall be acquired by participation and not by assignment. In such case, the Administrative Agent shall determine the Dollar Equivalent of the Loans outstanding in Canadian Dollars, Euros or Sterling, as the case may be, and such participation shall be structured as a participation in Dollars and be purchased by such Lender in Dollars, in each case, based on the Exchange Rate as in effect on the date immediately preceding the DAM Exchange Date, such that any amounts received by the Lender of record with respect to such Loans in Canadian Dollars, Euros or Sterling, as the case may be shall be converted, based on the Exchange Rate as in effect on the date of receipt, and paid over to the participant.

(b) In no event shall the operation of the provisions of this Section 9.26 affect the aggregate amount of (w) the Obligations of the U.S. Loan Parties, (x) the Canadian Obligations of the Canadian Loan Parties, (y) the German Obligations of the German Loan Parties or (z) the U.K. Obligations of the U.K. Loan Parties, in each case to the Lenders under the Loan Documents.

(c) On the DAM Exchange Date, the Register will be revised to reflect an allocation of the Term Loans that gives effect to the DAM Exchange. After giving effect to the DAM Exchange, assignments and participations of Loans shall be made in accordance with Section 9.04 without any requirement for pro rata treatment.

(d) From and after the DAM Exchange Date, each payment received by the Administrative Agent pursuant to any Loan Document in respect of the Obligations, and each distribution made by the Administrative Agent pursuant to any Security Document in respect of the Obligations, shall be distributed to the Lenders in accordance with Section 7.02, as applicable, at the date of such distribution. Each Lender hereby agrees that promptly upon its receipt on or after the DAM Exchange Date of any amount, including by way of setoff, in respect of an Obligation it shall pay over to the Administrative Agent such amount for distribution to the Lenders in accordance with their respective DAM Percentages, and that to the extent a Lender does not pay over any such amounts, the Administrative Agent shall make adjustments to distributions to the Lenders to achieve the allocation provided by the terms of this Section 9.26.

(e) Each party hereto agrees that all Commitments shall automatically terminate upon the occurrence of the DAM Exchange Date.

(f) Each buyer, assignee or transferee of Loans shall be deemed to have consented to the provisions of this Section 9.26 for all purposes, and to be bound by the terms of Section 9.26. Each Lender hereby consents and agrees to the DAM Exchange, and each Lender agrees that the DAM Exchange shall be binding upon its successors and assigns and any person that acquires a participation interest in any Loan.

(g) In calculating the DAM Percentage, the Administrative Agent shall use the Exchange Rate in effect on the date preceding the DAM Exchange Date.

(10) any non-cash impairment charges resulting from the application of FASB ASC 350, *Intangibles — Goodwill and Other*, and the amortization of intangibles arising pursuant to FASB ASC 805, *Business Combinations*, shall be excluded.

“Fixed Charge Coverage Ratio” shall mean with respect to the Lead Borrower for any period, the ratio of the Consolidated Cash Flow for such period to the Fixed Charges for such period. In the event that the Lead Borrower or any of its Restricted Subsidiaries incurs, assumes, Guarantees, repays, retires, extinguishes, repurchases or redeems any Indebtedness or issues, repurchases or redeems Disqualified Stock or Preferred Stock subsequent to the commencement of the period for which the Fixed Charge Coverage Ratio is being calculated and on or prior to the date on which the event for which the calculation of the Fixed Charge Coverage Ratio is made (the “Calculation Date”), then the Fixed Charge Coverage Ratio shall be calculated giving pro forma effect to such incurrence, assumption, Guarantee, repayment, retirement, extinguishment, repurchase or redemption of Indebtedness, or such issuance, repurchase or redemption of Disqualified Stock or Preferred Stock, and the use of the proceeds therefrom as if the same had occurred at the beginning of the applicable four-quarter reference period. In addition, for purposes of calculating the Fixed Charge Coverage Ratio: (1) Investments or acquisitions and dispositions of business entities or property and assets constituting a division or line of business of any Person that have been made by the specified Person or any of its Restricted Subsidiaries, including through mergers or consolidations and including any related financing transactions, during the four-quarter reference period or subsequent to such reference period and on or prior to the Calculation Date shall be given pro forma effect as if they had occurred on the first day of the four-quarter reference period and Consolidated Cash Flow for such reference period shall be calculated on a pro forma basis, but without giving effect to clause (3) of the proviso set forth in the definition of Consolidated Net Income; (2) the Consolidated Cash Flow attributable to discontinued operations, as determined in accordance with GAAP, shall be excluded; (3) the Fixed Charges attributable to discontinued operations, as determined in accordance with GAAP, shall be excluded, but only to the extent that the obligations giving rise to such Fixed Charges will not be obligations of the Lead Borrower or any of its Restricted Subsidiaries following the Calculation Date; and (4) consolidated interest expense attributable to interest on any Indebtedness (whether existing or being incurred) computed on a pro forma basis and bearing a floating interest rate shall be computed as if the rate in effect on the Calculation Date (taking into account any interest rate option, swap, cap or similar agreement applicable to such Indebtedness if such agreement has a remaining term in excess of 12 months or, if shorter, at least equal to the remaining term of such Indebtedness) had been the applicable rate for the entire period.

For purposes of this definition, whenever pro forma effect is to be given to any event, the pro forma calculations shall be made in good faith by a responsible financial or accounting officer of the Lead Borrower. Any such pro forma calculation may include adjustments appropriate, in the reasonable good faith determination of the Lead Borrower as set forth in an officer’s certificate executed by a Responsible Officer of the Lead Borrower and delivered to the Administrative Agent, to reflect operating expense reductions and other operating improvements or synergies reasonably expected to result from the applicable event.

“Fixed Charges” shall mean, with respect to the Lead Borrower and its Restricted Subsidiaries for any period, the sum, without duplication, of: (1) the consolidated interest expense of the Lead Borrower and its Restricted Subsidiaries for such period, whether paid or accrued, including, without limitation, amortization of debt issuance costs and original issue discount, non-cash interest payments, the interest component of any deferred payment obligations, the interest component of all payments associated with Capital Lease Obligations, commissions, discounts and other fees and charges incurred in respect of letter of credit or bankers’ acceptance financings, and net of the effect of all payments made, received or accrued in connection with Hedging Obligations (but excluding unrealized gains or losses with respect thereto), but excluding (i) amortization of deferred financing fees, debt issuance costs, commissions, fees and expenses, (ii) any expensing of bridge, commitment and other financing fees, (iii) any redemption premiums, prepayment fees, or other charges or penalties incurred in connection with the Transactions or the transactions contemplated by the First Restatement Agreement and (iv) any premiums, fees or other charges incurred in connection with the refinancing of the existing Indebtedness on the Closing Date (as defined in this Agreement) (in each case of (i) through (iv), to the extent included in any of the foregoing items listed in clause (1)); plus (2) the consolidated interest of the Lead Borrower and its Restricted Subsidiaries that was capitalized during such period; plus (3) any interest expense on Indebtedness of another Person that is Guaranteed by such Person or one of its Restricted Subsidiaries or secured by a Lien on assets of such Person or one of its Restricted Subsidiaries, whether or not such Guarantee or Lien is called upon; plus (4) the product of (a) all dividends, whether paid or accrued and whether or not in cash, on any series of Disqualified Stock or Preferred Stock of the Lead Borrower or any of its Restricted Subsidiaries, other than (i) dividends on Equity Interests payable solely in Equity Interests of the Lead Borrower (other than Disqualified Stock) or (ii) dividends to the Lead Borrower or a Restricted Subsidiary of the Lead Borrower, times (b) a fraction, the numerator of which is one and the denominator of which is one minus the then current combined federal, state and local statutory tax rate of such Person, expressed as a decimal, in each case, on a consolidated basis and in accordance with GAAP.

“Hedging Obligations” shall mean, with respect to any specified Person, the obligations of such Person under:

- (1) interest rate swap agreements, interest rate cap agreements, interest rate collar agreements and other agreements or arrangements designed for the purpose of managing interest rate risk;
- (2) commodity swap agreements, commodity option agreements, forward contracts and other agreements or arrangements designed for the purpose of managing commodity price risk; and
- (3) foreign exchange contracts, currency swap agreements and other agreements or arrangements designed for the purpose of managing foreign currency exchange rate risk.

“Lead Borrower” shall mean Spectrum Brands, Inc.

“Net Income” shall mean, with respect to any specified Person, the net income (loss) of such Person, determined in accordance with GAAP and before any reduction in respect of Preferred Stock dividends, excluding, however:

- (1) any gain or loss, together with any related provision for taxes on such gain or loss, realized in connection with: (a) any sale of assets outside the ordinary course of business of such Person; or (b) the disposition of any securities by such Person or any of its Restricted Subsidiaries or the extinguishment of any Indebtedness of such Person or any of its Restricted Subsidiaries; and
- (2) any extraordinary gain or loss, together with any related provision for taxes on such extraordinary gain or loss.

“Preferred Stock” shall mean, with respect to any Person, any capital stock of such Person that has preferential rights to any other capital stock of such Person with respect to dividends or redemption upon liquidation.
